STRIKERS IN NEW YORK.

NEW YORK, March 10 -Two thousen hirtmakers went on a strike in this city to-day. Many of them are women, and they demand a uniform rate of pay in all the shops. They also want the bosses to provide machines for them to operate. Many bosses have conceded the terms demanded, but others are holding out. The pleatmakers joined the shirtmakers out of sympathy. A number of pants-makers have struck, but the strike will

not become general. Workmen employed on the building of the Temple Court annex struck to-day. They demand that only union men b employed on the work.

THE KALAMAZOO REBELLION. KALAMAZOO, Mich., March 10 .- The students who had a hearing before the faculty asked to have those suspended for abducting two professors reinstated at the end of this term. They expected a reply this moning, but, receiving none, left for their homes. It looks very much as though the faculty will reconsider

BRITISH CONQUEST OF CALIFORNIA. CHICAGO, March 10 .- A News Washington special says: General Beal, of Washington, ex minister to Austria, has sold his ranch in California to an English syndicate for \$2,000,000, and his son, Truxton Beal, has gone West to close the negotiations and prepare the estate for delivery to the purchasers. General Beal, with General Grant as his comrade, was sent to California in the early days of the gold excitement. Like other officers. he located a farm, and unlike most of them, he kept it until it has become on of the most valuable properties in Cal-itornia, as may be interred by the price at which it was sold.

CHINESE IMMIGRATION TO CANADA. OTTAWA, March 10 .- This evening the minister of the interior reported to the commons that the total number of Chinese who arrived in Canada from March 31, 1887, to December 31, 1889, was 1997, distributed as follows: Vancouver 1607, Victoria 333, New Westminister 22, Emerson 2, Winnipeg 2, Post Arthur 2, Ciliton 1, Ottawa 1, Montreal 8. The amount of fees paid was \$82,950; number of certificates granted, 3313; number applying to pass on cred-entials, 43; passed through in bond, 626

PORT TOWNSEND SOUTHERN ROAD. A large meeting of citizens in the opera house was held this evening, in conference with H. W. McNeil, manager of the Oregon Improvement Company, relative to building a line of railroad from this city to Portland. McNeil said that if certain conditions relative to land donstions amounting to 1100 acres, valued at \$1,000,000, were complied with, he would have the matter placed before the directors for action. He proposed that one-fourth of the cash bonus of \$100,000 be wild when the first treats miles was paid when the first twenty miles was completed, which would be September 1; that the remainder of the road would be built by January 1, and that the balance of the land and money could then be paid to the company.

The citizens are highly enthusiastic, and no doubt now exists but that the road will be built this year. Work is to commence April 1 and be pushed rapidly forward until completed. Another meeting will be held to-morrow, and before Saturday McNeill promises to give definite information as to the intentions of

In it the rise of Napoleon III was clearly outlined, as were also the Austro-Prussian and the Franco-Prussian wars and the Commune of Paris. He told how the death of Pope Pins would occur in 1876 or 1877, and how it would be fol-lowed by a Turk-Russian war, being but slightly wrong in either prediction.

A constable and two deputies went to the ranch of ten Italians near Wampum, Pa., on Friday night, to arrest them for stealing a cow. They refused to be ar-rested, and Constable Town organized a posse of twenty-five men. ### The Forum. A MONTHLY REVIEW OF LIVING SUBJECTS By the Foremost Writers in the World.

THE FORUM has won the highest place reached by any periodical; for it publishes articles by more authoritative vriters and by more workers along instructive lines of activity than any other publication. It contains eleven studies of great subjects every month. It is impartial, giving hearings alike to each side. It is financially independent, and it belongs to no sect or party or "interest." It is never sensational, but it aims always to be instructive.

JOHN G. CARLIELE. The Forum is of great value to that part of my college work which deals with practical politics and greent questions. Two sets are hardly enough for daily use by students.—Prof. ALFRED BUSHNELL

THE FORUM continues to hold its place as the foremost of our magazines, for the variety, the value, and the weight of its contributions.—THE NEW YORK TIMES. There has come forward no problem of grave importance since THE FORUM was established that has not been discussed in its pages by masters of the subject. Announcements of forthcoming articles can seldom be made long in advance, for THE FORUM'S discussions are always of problems of present concern. Every such problem that the year 1890 will bring forward will be discussed, whether in politics, or religion, or social science, or practical affairs. The January number will contain a reply by ex-Speaker J. G. Carlisle to Senator Cullom's recent article on "How the Tariff Affects the Farmer."
