## ITEMS IN BRIEF.

From Wednesday's Daily This is warm.

Baker City has street cars. Look for high water in the next for

The city election is near at hand There is no free-trade or protection in this

The figures from Rosebush precinct came in this atternoon, and this gives Cates a majority on the whole ticket of 10 The Democrats defeated us only or governor this year. In 1:92 we will make victory more complete, and "don'

By reason of more important matter, the table of the vote of this county last Monday has been necessarily laid over

The official returns from Antelope pre-cinct, 64 miles from The Dalles, are known; but from Mosier, 13 miles distant, nothing has been heard.

Monday was a good time for Republicans. They swept the state by about 8000 majority. Who would not desire a home in this commonwealth?

The election in Gilliam county resulted in

two precints voted for Arlington, and those were Arlington and Blalock. Hereafter persons desirous of attending court must ourney forty miles from the railroad, over ills and sage-brush. Leprosy was increased to such an extent

in Cape Colony that a hospital for lepers has been founded on Robbin island, near the African coast. Other hospitals will also be needed to deal with the eyil. In India legislation is urgently demanded for Big Bend Empire: When the legislature

meets in extra session it ought to pass an act suppressing George Francis Train, of the Tacoma Ledger. The American people are noted for their fondness of huge jokes, but the Ledger is overdoing it by giving so much space to the gigantic crank, Train. Anacortes Progress: In the Skagit val-ley last year between Edison and Starood, off an area of about two and one half townships, the following shipments were made: Oats, 13,000 tons; Hay, 8000 tons. Sevnty-ive to one hundred and twenty-five bushels of oats, and from three and a half to five tons of hay are raised

Returns from Prireyille to-day give the following vote: Hermann, 137; Miller, 169; Thompson, 84; Pennoyer, 220; Mc-Bride, 123; Townsend, 185; Metschan, 135; Webb, 170; Bean, 138; Bonham, 170; McElroy, 111; Lettoy, 192; Baker, 133; O'Brien, 174; Wilson, 148; Dufur, 157

election of Pennoyer, the Democratic gov-ernor, the whole Republican state ticket, and probably the county ticket, with the exception of Gourlay, Cartwright and poisibly Barnett. It has been a glorious victory, and we feel like shouting foud

Last Monday our citizens were treated to several tunes from Scottish bagpipes. They were played by James McCrimmon, who claims to have been one of the musi-Watch-when they made the charge at stroke, was granted leave of absence, and left Egypt for Canada in 1882.

Of party fealty we have example as Tygh valley in this county. Two old gentlemen, aged respectively 70 and 79 years, walked a mile and a half to the poils and voted the Democratic ticket. They solemnly declared that they had voted the manner of men, has started the idea. same ticket ever since they were 21 years of age, and never scratched a single

One young lady in this county has hair so red that when her beaux call of eyenings it costs nothing for oil, as no light but that of the lady's hair is needed in the room where the chatting is done.— Pomeroy Independent, O, pshaw! There are several brunettes and flaxen-baired blondes in this city whose beau take par-ticular delight in turning down the gas and talk sweet nonsense only by the light

The only Union ticket voted in Antelope was by a Chinaman, and it was placed in a separate box. The greatest excitement prevailed when John of the Celestial empire was brought forward, and when he folded his ticket in the same lordly way that Napoleon did his dispatches the countenences of the Democrats were crestially. but it was simply a joke and considerable merriment to the per-

braska, through their representative, Mr. Scott Davis, a band of 3200 mutton sheep at a price per head of \$2.80. The band has been delivered to the purchasers at the Virtue mine and they will be driven in a few days to the railroad for shipment. Messrs, Evans & Blewett baye purchased many than & Blewett baye. purchased many thousand more through-out Eastern Oregon and they are only one firm of many who have been buying in

East Oregonian, June 3d: The east-bound fast mail No. 3 was delayed three Grants station. Luckily the cars remained on the rails and no one was jured. This is the second accident since eaving Portland. A few miles this side of Portland, the sand bound of the engine ropped, and had it not been that it fell another part of the machinery that eld it up from the ground a terrible acended perhaps with much loss of life.

Dr. Deane, the grand master of the I vitation from the district grand lodge of Berlin, inviting any and all visiting Odd Fellows to an international bundesschiessen statt-shooting match-to be given from vites brothers to visit the ledge room If any of our German friends intend Iting the old country we hope they will not fail to attend the bundesschiessen statt. They will be made welcome, and enjoy such a cordial greeting as only Germans

Profleton Sunday night. An old German couple, lately arrived from the old country, found themselves without money and friends on reaching Pendleton. They wanted to go to Spokane, where the have relatives, but could not buy tickets and were put off the train by the conductor. The old couple wandered about and finally laid down to sleep under a bridge, where they were timbled upon by chance by Officer Culp. His sympathies were at once aroused, and he conveyed the unfortunates to Gratz' restaurant, where they have since been cared for. Neither can speak a word of English send them to Spokane, their destination. Ne one will be backward in such a work of

Ochoco Review: For the past two or three months W. S. Uren has been working on a machine intended to be used in shearing sheep, and has at last succeeded in making one that stands the test of practical operation and removes the wool from the sheep as well as an experienced shearer will by hand. Mr. Uren recently had one of his machines made in Portland, and last Sunday made a practical test of it which was quite satisfactory. Hand power was applied and the sheep was shorn in 3 minutes quite as well as could have been done by hand. The machine is a simple pair of shears attached to a gearing, the power shears attached to a gearing, the power many mementoes that Col. Sinnott tressures carried from the driver to the shears through up for the tuture will be this card from Geo.

ng its top to one side with terrible The end of the sapling struck him on the side of the head knocking him several yards down the hill. He was picked end him, and from him we learn that up to this writing, Friday afternoon, he is still

Woodside (Idaho) Mountaineer: Two sud den deaths have occurred in the Bitter Root valley during the last few days. One was that of Mr. A. J. McGee, of Tyler, who not returning, search was made for him. His lifeless body was found by the side of a deer which he had shot and dressed. The knife used in skinning the deer was still in his hand when found. It is supposed that upon capturing the decr, he had gone to the cold creek for a copious drink of water and returning to dress his game was taken with cramps or with heart disease and overtaken with death, just as he he had finished his work and before laying down his knite. He was an honored citizen whose sudden de-cease is peculiarly sad. He leaves a wife— a daughter of Rev. Mildred Powers—and

Victoria Colonist: Yesterday evening there died at St. Joseph's hospital, in this city, Mr. Joseph Matthews, well known long the Pacific coast as "Carrboo Joe He was, it is supposed, between fifty or sixty years of age, and in his early days, though not one of the original "Argonauts", was prominent as a California gold seeker, and achieved considerable success, not unfrequently "striking rich", but in the intervals contriving ome way or another to scatter cons the city Hon. W. R. Ellis, of Heppner, is in

his persistence and toil. About the yes 1863 he went to Cariboo, traversing entire district as a prospector and miner, sometimes on "grub stakes" and at others "on his own hook". Among other places from which he got out "his pile" Williams' creek, and there, as elsewhere a victory for Condon for county seat. Only there was no one more willing to assist an unfortunate "down on his luck", or a tenderfoot" who was altogether out fo wall, England, and though at first inclined to be bluff with strangers, was, when

We are informed that crops in Sherman county are needing rain very much. It moisture falls within the next ten days a good crop is assured. The open-air concert at the corner of Second and Washington last evening attracted a large number of citizens. The

nusic discoursed was very excellent. A very valuable young dog, the property of Mr. Fred Bronson, was found dead this morning, undoubtedly from the effects of

Among the new projects of woman

"Mrs. Browning was far more of a poet than Mr. Browning", writes Henry La-bouchere, "and if it had not been that a number of silly persons were desirous to pass for clever people by protending to un-derstand the un-understandable in the case of the husband, and that the wife was too clear and poetical in her writings to have a gang of these esoteric worshippers around her, this would have been recognized long

Sentinel: Mr. J. W. Presby, who was taking his large boat up to baseo, had the misfortune to get it wrecked when near Arlington. It struck a sunken rock and in a few minutes was at the bottom of the Columbia. Three or four men were on board at the time and all escaped safely. Monuments have now been completed over the burial places of the English, French and Italian troops killed in the Crimea dur-ing the war of 1854-55. Russia's memorials over her fallen soldiers on the same plains

are on a grander scale, as she still holds the East Oregonian: On Sunday afternoon, Charley Edwards, of Portlaud, met with

concede the election of the Republican tacket, with the exceptions of Hon. Q. M. Scott, county judge, Leslie, sherist, and Brock, clark. The county seat will be retained by Wasco for the next two years, when the contest will be between Moro and Wasco.

for Burns in Harney county, where he will make his future re idence. Mr. Abernethy has lived in The Dalles for the past thirte-n vears, and during that time has made a large number of friends who extend to him their best wishes for success in any under-

East Oregonian: The station house at He-lix was broken open and robbed the other night, and a box of tobacco, valued at \$45, stolen. It was at first supposed that the I. universal scape goats, tramps, were guilty of the burglary, but later it is thought, of from several suspicious circumstances, that dd the robbery was committed by some one in

of irrigating lands and furnishing a water supply to the city of Pasco. The result was left to a vote of the citizens of Pasco and not a vote was cast against the enter-

The band last evening serenaded Mr. J. B. Crossen, the county-clerk elect. The boys discoursed several selections of music, and Mr. Crossen invited them into the house, where a bountiful refection was spread, of which all partook. After toasts and speeches the party retired, all feeling satisfied with their reception and voting it one of the most enjoyable occasions of the

zier, who lives on Sixth street, near Rose, was robbed of \$80 in 1 road daylight on Tuesday. The facts as told by the officers are that Mrs. Frazier, in the presence of discovered that the money was all gone, though at no time had the room head de-serted by any one. Just who took the money is a knotty question.

carried from the driver to the shears through a flexible coil similar to that attached to a dentist's engine. It is claimed that one horse power will drive ten of these machines, and that each of the machines, operated by one man, will shear 200 sheep in a day.

Hood River Glacier: James I dell met with an accident Thursday morning, which is liable to terminate fatally. He was at work about 6:30 in the morning near Stoddard's new mill at a place where the logs are slid down, the hill being very steep. A

log came down near him and just as it foot paces directly across the center. A should have passed him struck a sapling log sawed off the but of a tree having such about four inches through at the butt, proportions would surely be a gigantic stick proportions would surely be a gigantic stick of timber—such too large to be sawed by any mill yet heard of. This giant tree is an important one, not simply because it is a large one, but for the reason that it is the ouse and on the line between E. Hoem' and Mr. Stinson's land, two miles east

Lewiston Teller: F. L. Parker who al taken to the county jail, got out, staid so-ber for two months and joined church, is again in durance vile after having beaten his wife and child, in a fit of drunkenness. The marshal took him home after his arrest, but his wife met them at the door of the him loose upon her again, and the office then took him to the jug.

Wardner News: The ladies who were elected mayor, police judge and city coun-cilmen of Edgerton, Kansas, have resigned n disgust, because the men poked fun hem and the small boys guyed them. It cuts us to the core to write that this muniousted"; but, so it is. The ladies couldn' stand the racket; you can flatter them; but when it comes to guying them they in-variably weaken. The fun of the men and ridicule of the small boy proved too much and so the reign of woman's rights has gone

A meeting of the city council Wednesday night adjourned to Monday evening, when a mass meeting of citizens will be held to discuss the advisability of purchasing the interests of The Dalles Mill and Water Co in this city. A large attendance of those interested should be present.

As far as we can gather from returns received Mr. W. H. Wilson has been elected prosecuting attorney of this district and Hon. E. O. McCoy and Mr. Geo. W. Johnston, joint representatives for Wasco and Sherman cou ties. We shall publish

Albany Herald: While on his way to Salem Tuesday morning, J. H. Porter, of Stayton, was seriously, if not fatally injured by a runaway accident, being proba-bly internally injured. He was thrown from his carriage, the horses being fright-ened by the dropping down of one of the

Thursday Mrs. Laurenzen, living on the outskirts of Walla Walla, cut her throat with a razor. The woman has been demented for some time, has told her husband several times that she would kill herself and children; said she had started to kill one child. At the time of the attempt the husband in the kitchen heard something fall in the bedroom and rushing in he found his wife lying on the floor, and blood spouting rom a wound in the throat six inches long. There's no hope of recovery.

Concerning the trial of the Yambill conn ty murderer who has been languishing in iail in McMinnville for a few months past, jail in McMiniville for a few months past, iast Friday's Yambill Reporter contains the following: "I'he trial of the Scott murder case opens next Tuesday. There will undoubtedly be a strong effort put forth to clear the old man. His attorneys talk confidently and refer to evidence that will be presented which will thems light. presented which will throw light upon many pecular circumstances. It is not probable, however, that there will be any startling denouncement in the trial, establishing either he guilt or innocence of the prisoner.' Baker Democrat: Mr. August Ebell, Baker Democrae: Mr. August Loeil, a farmer and stock grower of Sutton creek, was brought to town yesterday to receive medical attention for injuries received by coming in contact with a built of the Hol-

tein stock. The reporter was told by Mr. Ebell that last Tuesday evening upon enter-ing his pasture to separate a bull from the herd the animal became infuriated and atherd the animal became infuriated and at-tacked him in a most savage manner, knocking him down and trampling upon him with that fierceness that before he could beat a retreat his right arm was broken and he sustained several other se-vere injuries Dr. Snow attended him. \ \text{ancouver Independent:} \text{ On Wednesday last Mr. Jewell, a farmer living on Vancouver Lake near La Belle's place, started to town with a load of wood. His brother, Isaac Jewell, was on the load with him. Going down the hill near the farm the wagon brake gave way, one of the reins also broke and the team ran away. The men jumped off but Isaac's foot caught and he tell under the wagon, the wheels passing over his breast and head. He lived only an hour after the accident. Mr. Jewell had

just completed arrangements to have his family come on from Dakota, to settle. His emains were taken to Oregon City for against the sheep industry.

years broke his record by taking a trip to Salem and return by rail. Driving to Clackamas he was successfully started in the right direction by Mr. Daniels, and Mr. Boring succeeded in making the entire trip without mishap of any kind, and is how entered upon a new era.

Thesday afternoon Harry Miller, a conentered upon a new era.

Wasco county, whose ranch is situated the Antelope section, obtained about 25,and has sent it to The Dalles for shipment If Mr. Kelsay gets 18 cents for his wool this year he won't have any kick coming

In these days of steam, electric and cable cars, says the Oregon City Enterprise, it is hard to find a man fifty years of age who has not ridden many times on these means of conveyance. Yet Clackamus county has a well known, intelligent and respected citized who up to two weeks ago had never rode on a railroad. That person is Joseph Boring, of Damascus, who at the age of 56 wears hoke his record by taking a true to the say were house of the lumber were hants of the l

loaded the wagon of Dave Miller, who has been hauling brick to Cram's Hollow, about eight miles from the city. The driver, after going about half a mile from the penited tiary, noticed that the brick had not bee time of trains, and general information, can be obtained upon application to any ticket agent of the Union Pacific System. glance of the striped auit of his pass Gen'l Pass, Agt., Portland, | Fearing to turn around and drive back t

the penitentiary, he drove into town and calling Officer Smails the attempted escape was soon pulled out and taken to the city

Miller has the reputation of being a deserate man, and from the manner of h ttempted escape, it is evident that this eputation is not misplaced. From Mr Dave Miller it is learned that he had al ways heretofore watched the loading of his wagon, but on this occasion he was called unavoidably away by his son, who was also having his wagon loaded, having trouble with his team. He was kept away few minutes by a convict who wanted to get some horse hair with which to make bridles, and while talking he noticed that the convicts were throwing the brick into his wagon very rapidly. At the time he upposed that it was only in a spirit of rivalry that the gang of prisoners were working so rapidly. When Officer Smails took the man out, it was found that he was lying on his side with a brick for a pillow; ver him had been laid some boards, and on top of these the brick had been loosely

When he was taken to the city jail and searched, a sharp case knife was found in nis possession, with which he evidently intended to assault the driver of the team as soon as they had gone a sufficient distance. This was taken from him, but during his stay at the county jail he managed to steal good pocket knife, which was found on nim at the penitentiary.

Jacobsen --- Hislop Nuptials. Thursday's Daily.

Miss Emma Hislop was married to Mi . Jacobsen last night at the residence of he bride's parents, by Rev. Wm. G. Simpson. Miss Florence Cram was bridesmaid and Mr. W. S. Cram groomsman. There were only a few very intimate friends and relatives of the bride and groom present to ritness the ceremony and extend congratulations. Mrs. Jacobsen-nee Hislop-is the only daughter of Mr. and Mrs. Hislop, and has been a resident of the city about a year. She is a most beautiful and highly accomplished young lady, and Mr. Jacobsen will

nity. The groom is the senior partner of the firm of E. Jacobsen & Co., and is a young man of most excellent businees habits. He has a long list of friends in The Dalles, where he has resided for the past ten years, who will extend to him and is bride their kindest wishes for bappiness in their new relation in life, Jackson-Barker Nuptials.

We received the compliments to-day o Mr. T. C. Jackson and Mrs. A. L. Barker who were married Thursday at the resi dence of Mr. O. Kinersly-the brother of the bride, and member of the drug firm in this city of Snipes & Kinersly-by Rev. E. D. Sutcliffe. Mrs. Jackson has been visiting in The Dalles for the past six months. The happy bride and groom will receive the congratulations of many friends in this city, who will extend to them their heartiest wishes for success in the voyage of hife upon which they have just entered. Mr. and Mrs. Jackson are residents of Keosaugua, Iowa, and will return to their home

n a few days. A LATE LINE FROM HAYES. The Corrective Properties of the Juices of California's Vegetable Alteratives Almost Sensational.

A lady formerly of 1221 Mission St., but no of 400 Haves St., S. F., writes to the Edwin W. attle, resided with me last winter. She had long cen a sufferer from dyspepsia and waterbrash. Her stomach was so weak that for months at a time she lived principally upon milk and the white of eggs. Among other things she tried one of the mineral sarsaparillas only to find that it gave her pains in the head and weak sinking ells. Having taken Joy's Vegetable Sarsaparilla myself with great benefit in stomach troubles, I induced her to discard the potash reparation and try your Vegetable compound.

t began reinvigorating her stomach and in a
short time by bed her astonishingly. It improved her appsite and strength to that extent, return to solid food. She authorized me t write you this statement accordingly.

Happy Hoosiers. Wm. Timmons, postmaster of Idaville, Ind., writes: "Electric Bitters has done more for me than all other medicines combined, for that bad feeling arising the proposed railroad from The Dalles into Leslie, farmer and stockman, of same this section. from kidney and liver trouble.', John place, says: "Find Electric Bitters to be The frost on Wednesday night of last me feel like a new man." J. W. Hailey Times: Visitors from Camas Prairie report the grasshoppers as showing Chicken creek, beyond Soldier. Some of the settlers are therefore quite blue over the prospect. Others, however, maintain the opinion that they will not bother much, if at all, this year, because at least one-half seem to die as soon as hatched. The ground between Willow creek and Crichton is actually black with dead grasshoppers. This is held to indicate that the pests are attacked by some fatal disease which will infallibly destroy them before they do much lamage. This seems to be the way with the pest. In Nebraska, Kansas and other new communities they increase and multiply for a few years, then die by myriads, and when they commence dying early in the spring instead of late in the fall, they disappear so rapidly and completely that none are seen for years where theretolore there were billions upon billions of them.

Vancouver Independent: At the Heights, Monday, the horses attached to street car No. 2 started to run. The double-tree broke and freed from the car and a lively runawsy they had. The driver, B. F. Dod-dridge, held to the lines and was pulled over the front of the car and fell across the Tuesday afternoon Harry Miller, a convict at the penitentiary who is serving a the heavy car and removed to his back. He was extracted with difficulty from under the heavy car and removed to his back. Two Trains Dialy Between Portland and Spokane Fulls,

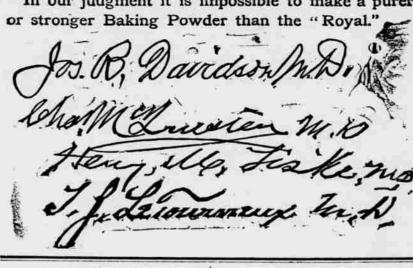

Effective May 11, 1890, the Union Pacific System will establish two daily trains because which was frustrated by accident. He had been engaged with other convicts in loading brick at the peniloaders, the heavy car and removed to his home. The injuries sustained are serious but not fatal. The horses are those formerly owned by Dr. Smith. One of them was not captured until Tuesday morning. This is the first serious accident occurring and removed to his home. large manufactories under negotiation. Most of the above contracts are now under construction, and all to be running within three months from date. With those industries now being completed, OVER 900 OPERATIVES will be employed in manufacturing in Tallapoosa, Ga., which, on the usual basis of computation (one employed for every five of population), will support a population of over 5,000 persons, while the present population of the city is but 2,500. (Majority Northern

THE ADVANTAGES OF TALLAPOOSA

For a Northern settler are: Mild, pleasant winters, cooler summers than in the North, perfect healthfulness, wonderful mineral springs that have cured hundreds of cases of rheumatism, kidney and urinary troubles, dyspepsia, consumption and kindred diseases; pure freestone water, high elevation, Northern society, (the largest G. A. R. Lodge in the South, in proportion to population, and first Women's Relief Corps organized in the State), free
