**Killed by an old Friend.**  
MOBILE, Ala., Oct. 16.—Dr. Seymour Bullock, of this city, was killed yesterday morning at Navy Cove, by Thomas B. Brewer, also of Mobile. The two were for years intimate friends, but of late they have not been on speaking terms. Dr. Bullock was in the boat removing some shingles, and Brewer was on the little island, fishing. It is said that Brewer had been warned that Dr. Bullock was going to kill him on sight. Two shots were fired in quick succession and the doctor fell dead in the boat. Brewer came up and helped remove the body from the boat. Then he surrendered himself to Dr. Power, and is now under arrest at Navy Cove, awaiting the arrival of the sheriff of Baldwin county. The verdict of the coroner's jury is that he fired the shot. Bullock was born in Conway, N. Y., and was a graduate in surgery at the University of Pennsylvania. Mr. Brewer has been known for years in this city as a quiet, peaceable gentleman, and how he was brought up to do this terrible deed is past the comprehension of his friends in this city. He has for years been connected with the American Friction Company, of this city, and at the last election he ran as an independent candidate for mayor.

**Mobilization of the National Guard is Recommended.**  
WASHINGTON, Oct. 17.—General Miles in his annual report recommended that the National Guard of the country be mobilized or assembled at the World's Columbian Exposition in 1893, and that congress be requested to make appropriation to pay the cost of the transportation.

**Affairs in China.**  
SHANGHAI, Oct. 16.—Many warships have arrived at Shanghai. Rumors are abroad that the insurgents are to set fire to the European quarter. A British subject named Mason, leagued with Koolah, will be tried at the consular court on a charge of transporting contraband arms and dynamite consigned to and intended for the insurgents. The situation remains serious. Germany has entered into the agreement of the powers against China. Great deception has been practiced at Peking in the hope that the German would encourage the movement. Recently the German minister, dean of the diplomatic corps at Peking, conveyed the dignity of his colleague in the matter of an audience for the purpose of securing Chinese favor and concessions for public works and railways in the province of Szechuan. He appeared to act for the agency of the iron works, conducted by Krupp's concern at Essen, seeking for a monopoly in furnishing rails and guns. It is reported that the old-time official friendship between Germany and China is a thing of the past. The government also demands indemnity for outrages against foreigners, having recalled the colonial delegation of the Chinese. A minister, Lemair, has returned to his post at Peking, and confirms the unusual agreement of foreign powers.

**Here Coded Leaders.**  
DENVER, Oct. 16.—The Associated Press correspondent who accompanied the commission to negotiate with the Shoshone and the Arapahoe Indians of Wyoming for a cession of a part of the Wind River reservation, telegraphs that the chief of the Arapahoes, who he says is much enfeebled and it is feared by his friends he will not long survive his illness, is now in the city.

**After the Gamblers.**  
CHICAGO, Oct. 17.—The grand jury which was discharged to-day has, it is said, indicted thirteen gamblers of Chicago and ordered their arrest. The grand jury had been running wild and open and the better element of citizens are determined to suppress it. The prosecution will be a vigorous one. In the final report of the grand jury it was declared that the police had been lax in the county records and criminals were inadequate and insecure and recommended that the same be remedied. The case was accepted by the same grand jury as a cotting movement in Tipperary, and of late he has been particularly bitter against the gamblers. He has been particularly bitter against the gamblers. He has been particularly bitter against the gamblers.

**Poland's Tribute to Farrell.**  
DUBLIN, Oct. 17.—Delegated Sieminski arrived to-day from Warsaw, bringing with him a handsome wreath to be placed on the grave of the late Senator. It was intended he should be present as representative of the nationalists of Poland at the funeral of the Irish leader, but the Russian government did not allow the Polish colors and with broad milk bands, bearing an inscription expressive of sympathy with the deceased and the cause for which he fought. The Poles were compelled to smuggle it across the frontier.

**Only One Vote Against It.**  
ELLENBURGH, Wash., Oct. 17.—The proposition to bond the middle irrigation district was voted on yesterday, and there was only one vote against it in the entire district. Most of the right of way has already been secured, and bids will be called for as soon as the vote is canvassed. The directors of the district are the Northern Pacific land officials at Tacoma, and they readily granted the right of way on all territories through which the ditch runs. Contracts are now being made, and the ground is being cleared.

**Seattle News.**  
SEATTLE, Wash., Oct. 17.—Deputy Collector D. A. McKenzie took charge of the customs office here to-day, closing the resignation of Mr. W. J. Dwyer, who so emphatically received by Collector Wasson.

**Thomas Henderson Hoyd has requested the statement to be made through the press that he is not a candidate for the position of collector of the port of Tacoma.**

**State Representative Dead.**  
SEATTLE, Wash., Oct. 17.—Charles W. Langston, a member of the legislature for the fourth representative district, was found dead in bed at his home in this city this morning. Heart disease was the cause. Mr. Langston was engaged in the nursery business on six acres, which he had inherited from his father in 1887, but which is now in the heart of the city, and makes his estate worth nearly \$100,000.

**A Negro Uprising.**  
CLIFTON FORGE, Va., Oct. 19.—The greatest excitement prevailed here on Friday Sunday, growing out of the lynching of three negroes on Sunday. Early in the day crowds of armed negroes began assembling in the streets on making threats of retaliation. So demonstrative were the blocks for revenge that the situation began to look serious, and Mayor Howels, fearing an uprising, telegraphed to Governor McKinney requesting him with the serious condition of affairs, and a body of soldiers be sent to protect them. The white population, in the meantime, began to organize for protection should the negroes attempt to assemble in the streets on making threats of retaliation.
