The Times-Mountaineer

ITEMS IN BRIEF.

From Wednesday's Daily. Court adjourned yesterday, and lawyers and jurors can take a rest for some time. The moist weather during the past few

days keep the streets in a muddy condi-Mr. D. McAllister, of Prosser, Wash., is in the city. He has about 2600 sheep in that locality. Grass is in a fair con-dition, and cattle are doing well.

Last evening the new pipes were placed in position, and in consequence the water was shut off for two hours. To-day the aqueous element is all right, and consum-ers can use all they want.

Dr. W. E. Rinehart leaves this evening for Anacortes, Wash. He is called to for Anacortes, Wash. He is called to that city to reset the head of a thigh bone of a little girl suffering from hip disease, and will return as soon as the operation is performed. our livers and our kidneys. If it wash that our breath we should die when we slept. Our breath keeps the life a-going through the nose when we are asleep. Boys that stay in a room all day should not breathe.

At last Astoria is to have another rail-road on paper. The Southern Pacific should build one at once with ties and hould build one at once with ties and rails and locomotives and cars, from t.e

Willamette valley straight to the mouth of the Columbia. We have been informed that the Union Pacific reduced freight rates between this city and Portland to 15 cents a hundred www.w. *Statesman*: The quiet little town of Adams, in Umatilla councy, appears to be infested by a gang of burglars. Friday evening an Indian chief from the reserva-tion, while under the influence of liquor, was held up by two burglars and relieved of the mouth of the council of the state of t

Keller as Master at Arms in K. of P. The captain is thoroughly in sympathy with the order, and is a thorough master in the drill in small arms. He is a modest man, and does not air these qualifica-

Two wells that were ordered to be sunk near Oro Deil, to ascertain the amount of underflow of water, preparatory to sink-ing wells to supply La Grande with water, have proved a great success, and preparations are being made to prosecute the work on a very extensive scale.

James Cooper, who died at his residence near corvallis recently, at the age but up to this time have not been successful of 67 years, was a Virginian by birth, and in capturing the bold thieves. in the spring of 185" with his wife started across the plains. He arrived in Clackascross the plains. He arrived in Clacka-mas county, and then moved to the Waldo hills. About 1854 Mr. Cooper settled in King's valley. Benton county. King's valley, Benton county.

The streets and alleys are in a terrible

man, Gilliam, Crook and Grant counties are all earnestly urging the building of a railroad from The Dalles to intersect the most perpulsive and distant dismost populous and prosperous sections of | land at any price. those counties, and every inducement that a railroad could as's, as right of way and ters as the following from the Democrat will depot privileges, would undoubtedly be granted. Such a line would make The Dalles the distributing point for a large portion of Eastern Oregon. demonstrate: "Lest Sunday night about 11:30 o'clock as Elward Shuck and William Hughes, two young men, were wending their way homeward and when approaching

Weston Leader: It was rumored on Thursday morning that a man had been found dead in the alley back of the *Leader* office. A reporter, accompanied by Marshal Standage and Mr Reynolds, repaired to the place indicated by a boy who had found the body, and carefully turned over the supposed corpse Danse turned over the supposed corpse Dangling from one pocket was an empty bottle sault was for the purpose of robbery; that

bet on did not run at all. He did not even start. This is just as good a way as any to swindle suckers. It is absolutely certain that a "foot race" is a put-up job on one side, and generally on both, and the sleek-est swindler wins. There is no merit in it; there is no idea of a test of speed or leg-strength; it is merely a contest of small and depraved brains as to which side can cheat the other. A game of faro or poker is

the appearances of the reservation north of Pendleton is undergoing a decided change. Much land has been and is being plowed, the other. A game of faro or poker is ore respectable and honorable, even if it and many farm dwellings, some mere cabins to be sure, are completed or in course of is not "guare."

Glacier: H. L. Campbell, proprietor of the Summit House, on the Barlow road erection. Grain sown is coming up sple didly under the influence of the rains, and several green tinted fields may be seen on across the Cascades, is building a carriage road from his house to Mt. Hood. He talks the reserve. Next year lots of wheat will be added to the product of this section. of laying out a park in the mountains be-tween the Summit House and Mt. Hood, Albany Herald: A slight decline has been and building a number of cottages there. Mr. Campbell says he has responsible par-ties backing him, and that next year the felt in the wheat market in this city Mr. Campbell says he has responsible par-ties backing him, and that next year the carriage road, at least, will be completed. An Eoglish schoolboy wrote as follows on the theme "Breathe." We shall not hazard. Said, will contain 60,000 and possibly 80.-

000 bushels, which is held for \$1.00 a bushto forecast his future: "Breath is made of air. We breathe with our lungs, our lights, el net to the farmer. The owners of the pool are confident that they will receive a big round dollar a bushel for their wheat. our livers and our kidneys. If it wasn't for Albany Democrat: This afternoon Sherif Scott, under an order of Judge Boise. took up the body of Henry Ingram for the pur-pose, if possible, of getting the real cause and motive of his murder. It appears that when the body was exburned and examined

some days ago the bullet that was shot into his face was found under the skin on the W. W. Statesman: The quiet little town top of the head. The scalp at that time was removed and the skull was found to be fractured from the top where the ball struck Pacific reduced freight rates between this city and Portland to 15 cents a hundred pounds. It the *Regulator* is forced to tie up it has accomplished its purpose, and the people will receive the full benefit of the opposition line. By an inadvertence yesterday we forgot to mention the election of Capt. A. A. Keller as Master at Arms in K. of P.
