bitterly opposed to Mr. Springer's free wool bill. Of the latter it says: We will not at this time go into a detailed consideration of this measure, but we wish to call attention to the points in connection

is reduced to a point where it no longer compensates for the difference between American and foreign labor cost, it becomes, from the protective standpoint, the equiva-

lent of free trade. The Dry Goods Economist overlooked this point when it clamored against the McKinley bill's protection to the wool growers. It wanted free wool for the manufacturers, but it objects to withdrawal of protection from manufactured woolens. In so objecting its judgment is sound. The Springer bill would ruin American manufactures of wool, but it also would ruin the raw wool industry of the country. The vision of the Dry Goods Economist was short when it did not see that protection to wool manufactures in the steamship business, with no protection to wool growers would lessen the sales of the manutinction. It sees clearly enough, how. Sand island in 1879. ever, that without protection to wool manufacturers the New England mills will be closed, and it may learn that formation as to the precise amount and without protection to raw wool the character of business done by the river western sheep ranches will be aban- steamers. On every steamer was placed an

to draw votes from eastern manufac- and the number of passengers carried on turers by means of the Springer bill the lower deck. From such information, thus is predicted by one of the two furnished daily for several weeks, a pretty great organs of the dry goods trade: Such a policy will doubtless elicit as unmistakable a popular rebuke as did ultra McKinleyism.

. From all quarters of the mercantile and agricultural horizons come signs of overwhelming disaster to the tariff

THEY MUST BE PLEDGED.

The Moro, Sherman county, Observer correctly sizes up the political situation, so far as legislative candidates are concerned, as follows:

Next June there will be a joint senator for Wasco, Sherman and Giltor and two joint representatives. It | May 23, 1879. pledge himself to work for any meassource from which we may expect aid in building The Dalles portage. The are unanimous in their determination to support no man who will not work for that object. It is probable that one of the joint senators will be Sherup anyone in particular.

-and any number of dark horses who represented \$15,000,000. are being quietly groomed for the race when the convention meets. Not content with this the "Queen City" also wants to furnish the next supreme court judge. The chances are that Baker county will not be in it when country. Some fears are entertained that the grand gift distribution takes

RIVER STEAMBOATS. gation and the Boat in Service.

The first steamboat that ever plied the waters of the middle Columbia was the Flint, a little iron steamer which was brought around the Horn from New York on a sailing ship. The Flint did service for ambush. In 1859 the Ruggles Company | the "end is not yet." built the Wasco. Soon after the Hassalo made its appearance, and in those days was considered a fine boat. The Hussalo bebuilt by him. The Oregon Steam Navigation company now made its appearance, The Idaho was built at the Cascages, and ran for many years. She ran the rapids in 1882, and was taken to the Sound, where she is still earning money. Captain McFarland built a boat called The Little Dalles, and another boat called the Celilo was built. The People's Transportation Company put on the Iris, and the Oregon Steam Navigation company put on the Oneonta, which ran between The Dalles and the Cascades, and was taken over the rapids by Captain Portland. The Daisy Ainsworth was then built, and was the fastest boat that ever The Idaho with the passengers had gone on ahead and left the Daisy Ainsworth to fol-When just above the Cascades he mistook the light on the wharf and steered straight for a rock at the head of the rapids. She greatly needed improvement will be sestruck and was a total wreck. After that Z. F. Moody made it lively for

made the money. Probably no steamboat ers of the government lighthouse at Sand is still a great sufferer and her entire recovcorporation eyer run business on so liberal-Beach, Michigan, and are blessed with a ery is not anticipated. The company is now scale or ever made so much money in a daughter, four years old. Last April she very thinly settled country. Their profits were enormous. An old purser of one of the steamers tells an Astorian reporter that one year the profits of the boat that he was on were ever \$65,000. The company gave considerable lattute to its employes. It sot good men, gave them big wages, and so long as the boats made money didn't look after things very closely. The O. S. N. Company came from small beginnings.

daughter, four years old. Last April she was taken down with measles, followed with measles, followed with measles, followed with a dreadful cough and turning into a fever. Doctors at home and at Detroit treated her, but in vain; she grew worse rapidly, until she was a mere "handful of bones." Then she tried Dr. King's New Discovery and after the use of two and a half bottles, was completely cured. They say Dr. King's New Discovery is worth its weight in gold, yet you may get a trial bottle free at Snipes & Kinersly's drug street bridge. For particulars apply to 26feb4t Andrew Donnellson. Company came from small beginnings. store.

Captain J. C. Ainsworth was the prime over. With him were R. R. Thompson

S. G. Reed and W. S. Ladd. When Jay Cooke was building the N. P. R. he bought out the O. S. N. Company. When he went broke in 1873, the original owners bought their former property back for one-third of what they got for it from the great Northern Pacific financier, and then made more money than ever.

The Dixie Thompson was built at Portwas recently brought back from the Sound. ago. The S. G. Reed was built at Portland in '78; the R. R. Thompson, now plying between Astoria and Portland, was built at

The Dalles the same year. The Mountain Queen was built at The Dailes in '77. The Annie Faxon, now running from Riparia in Lewiston, was built at Celilo in '77. The John Gates was built at Celilo in '78. The Harvest Queen, one of the Union Pacific boats plying between Astoria and Portland, was built there the same year.

In 1878 Henry Villard was appointed epresent the German creditors of the O. & R. R. At that time some of these parties had an interest in the O. S. N. Company, and Villard managed his trust in such a way that it was found convenient to compromise with him. He relinquished his hold upon the railway and got an interest

At that time the Oregon Steamship Company had two vessels, the Geo. W. Elder and the City of Chester. It is said that factures by decreasing the purchasing while managing this business for his principower of the farmers whose raw wool pals he aided in placing the Great Republic from Eugene to Mitchell last October and trade would be put in process of ex- in opposition. The proceeds Reynolds was a success. The proceeds are to be used for the benefit of the Normal and public school libraries, Supt.

Mr. Mott organized a college Y. M. C. A., also a college Y. W. C. A., at this place with forty seven members each. A large number of delegates went from here to Salem to attend the first intercollegiate meeting in the state. Two

hundred members were present, ten colthe others interested, and at last he got an leges being represented. Monmouth TELEGRAPHIC NEWS.

WASHINGTON, Feb. 29.—Senator Dolph wily wizard take hold, but there wasn't mittee on foreign relations to draft a bil enough in it for him and he refused to take upon that portion of the president's ne that will bring about that result. Nothing is expected of congress in the Nothing in the Nothing is expected of congress in the Nothing in the Nothing is expected of congress in the Nothing in the Nothing is expected of congress in the Nothing in the Nothing is expected of congress in the Nothing in the Nothing in the Nothing is expected of congress in the Nothing in th shape of appropriations for portage railways and consequently the state legislature is regarded as the only providing such police and judicial process as will enable the government to use its constitutional power to define and punish crimes against the treaty rights. The bill involves a careful study tional treaty rights and a knowledge of international law. The appointment of Senator Dolph to draft the bill indicates the confidence which the committee has in his legal attainments.

> The Cry for Bread VIENNA, Feb. 29 .- The authorities of this city have at last been compelled to

recognize the urgency of the situation among the poor, and now permit the socialist committees to circulate appeals, hitherto prohibited, for donation. They Thursday, the 10th day of March next, at 10 o'glock A. M., at the premises of the late Alexander Finlayson on Crooked river, Grook county, Oregon, under and by virtue of an order of sale of the probate court of said county, the following described property, to wit:

1527 Stock Sheep, more or less; 6 Horses, 2 Mules, 50 to 60 tons of Hay, 1 Ruckeye Mover, 1 Sulkey Rake, also Wagons, Carts, Harness, Saddles, Shovels, Spades, Crowbars, Axes, Hoes, Mattocks, Household Effects, Clothing, Provisions, Sheep, Camp Outfits, Sheep Dip, Salt, Sulphur, and numerous other goods and chattels, etc., as per advertisement to be seen in Ochoco Review, of date February 10, 1892.

Executor of the estate of Alexander Finlayson, deceased. estimate that 5000 shoemakers, 3000 carpenters, 1500 metal workers, 7000 stone-workers and 23,000 unskilled laborers are out of work, and much misery exists as a result. As an alleged result of the Mc-Kinley law, 12,000 pearl workers are thrown out of employment and classed as

Salem, Or., Feb. 29 .- Bids for the con struction of the dome of the state capitol were opened today by the capitol building commissioners. The contract was awarded to the Portland Bridge & Building Company, whose bid was the lowest, being \$42'275. They will be required to give bonds for double this amount. It is their purpose to commence work late in June, and have the dome completed by October 1. Work will be under the supervision of J. F. Krumbein, who drew the plans for the state house. The dome is to be constructed of glass and steel, an appropriation of \$50,000 having been made by the last legislature for its building.

David Courting a Widow. Washington, Feb. 29.—There is a story current today that Senator Hill is soon to be

married. Originally the name of the daughter of the late William L. uller was coupled with his, but this afternoon the senator him that the report was absolutely false. Later the story took the form that he was engaged to a rich Albany widow, and that they would be married fate in the coming summer. A gentleman who is thought to be in a position to know, said this evening that he had every reason to believe that inside of he had every reason to believe that inside of a year David would no longer be in the ranks of the bachelors. Nothing but an actual

A Frightful Death Seattle Feb .- 29 .- At 6 o'clock this morn impson by neighbors. Simpson and his lower part of the house, escaped from the house. Three children upstairs—Orpha Strader, Zoe Strader and Roy Simpson—were burned to a crisp. The flames started in the upper part of the house from an unknown, cause. The father mad several ineffectual attempts to reach the children and was severely burned while endeavoring to do so. Orpha and Zoe Strader were the children of Mrs

Simpson by a former marriage. Seeking a New Trial.

Some weeks ago Miss Grace Isaac, o Walla Wall, a granddaughter of Col. Fulton, of Sherman county, secured a verdict Dealers in all kinds of Mea of \$12,000 against the Southern Pacific Railway Company for injuries sustained at the time of the Lake Labish disaster. IN THE CITY

Having associated myself with the old re-

iable Real Estate and Insurance firm of

Menefee Bros., and lately purchased the

senior member's interest, I wish to inform

the public that I am at their disposal to

ransact any business in the Real Estate and

Insurance line which they may control in

the new consolidated city of Portland. As

a firm, now Menefee & Heppner, I wish also

to mention that we rent and take care o

property for non-residents, negotiate loans

and gladly render advise concerning prop-

erty of Portland and vicinity. Feeling con

fident of success, but nevertheless my great

est desire is to gain and maintain a reputa

Very respectfully yours,

Of Menefee & Heppner, Real Estate and Insuranc office, Delay St., near Russell, Albina-Portlan Oregon. feb20
