of the Republican congress, with which Democrats as being one of great extravacever opposing any appropriation for his gance because it carried appropriations of \$26,000,000 and committed the gov-\$24,000,000 more. But, notwithstanding ill that the present river and harbor bill will go through congress. The Demo-crats, of course, have failed in their idea government, in order to be carried on must have the necessary money for that purpose. Strange as it may appear, no person in the house of representatives raised his voice against any of the irems in this bill which Representative Hermann, of Oregon, has had inserted. It was expected some of the economists locks, especially as it authorized the contract for the completion of the work, but Representative Hermann had so thorughly canvassed the house, and shown now necessary were all the improvements objection was offered. No attempt was

> result in a substantial increase in the bil when it reaches" that body. Mr. Wilson secured two provisions for surveys on the China's Protest.

either disarm the army or see the country bankrupt. Le Gaulois claims that the Italian situation is a triumph for the WASHINGTON. May 7 .- The written protest of the Chinese minister against the restriction bill passed by congress Wednesday last reached the state department at NEW YORK, May 6 .- Early this morning 2 o'clock today. The minister states he a fire started in the immense slaughter objects to the bill for the reason that it house of Schwartz, Child & Sulzberger, renews the Scott law; that it deprives corpus cases; that it requires the registralarge quantites of inflammable material there the flames spread to pier at the foot of Forty-fifth street, and thence along the wharf to Forty-seventh street. The ves. sels anchored near the docks hurried out into the stream. During the fire 500 head of cattle in an adjoining shed were turned loose, and went tearing through the streets in a panic. There were many narrow escapes from being trampled to death from the inturiated animals. The loss on the building, contents and wharf SALEM, Or., May 6 .- This was the last being thirty days before election. The state tickets are nearly all full, the only missions being the nomination by the Prohibitionists for attorney-general, and by the peoples' party for the same office. For judicial district officers, the Demo-

egistration entirely to do justice to the liscretion of the collector, and provides no way of compelling him to do justice to the Chinaman. He must register and produce his evidence in the district where he resides. His white witness may be 3000 miles away. The senators who carefully examined the bill announced in the senate that its practical effect would the United States within the time fixed for registration. Sherman, chairman of the loreign affairs committee, said this ons in force before the war, and to the ticket of leave of the Australian convict system. The minster said the features of the bill are in violation of the treaty of 1880, which guarantees! Chinese laborers ects of the most favored nations. He also said the treaty of 1880 was agreed to to by China at the express request of the United States, which sent three of its

John Day Sentinel: Four Indians were arrested over in the Long Creek country charged with killing elk. They were tried before Esquire Goff and fined \$10 or five days in jail. Having no money to meet their fine, they are now playing checkers with their noses through the grates in the Hotel de Cresap. C. Williams and Vince Kelly brought them over last Sunday.

The first locomotive of the single-track completion, and it is expected that a test will be made about June 15th. The capital stock has been increased to \$1,110,000, \$200,000 of which is preferred stock, drawing 8 per cent interest. As much of the latter as is necessary to fully complete and demonstrate the system, was ordered sold.

Mr. C. Koehler, of Nansene, is in town Mr. C. Koehler, of Nansene, is in town to-day, and from him we learn that abundant rains have fallen in that portion of Wasco county. Fall grain is in fine condition, but apring wheat is rather backward, and, in some instances, the wire-worm is doing injury to crops. The weather has been cool, and if it becomes warm it is expected grain will attain such growth that the worm can do little damage. Glacier: All day Tuesday a steady column

of smoke and steam ascended from Mt. Hood. Parties living only twelve miles from the mountain tell us the column was underpunning of the old vocano and stirred it up to the grumbling point. At any rate, dozens of people living in the valley noticed the steady all-day smoke, and as our informant was almost at the base of the mountain it is not probable he was mis-

Boys are usually obstreperous, and when they have an opportunity make "Rome howl" with a vengeance. Yesterday was a delightful spring day, and in the afternoon a dozen boys played a game of marbles in front of this office. The hallooing and loud language used was equal to a prohibition stump speech, or a miniature Dakota cyclone. We delight to see boys enjoy themselves, but if they value our peace of mind when "grinding" out copy for hungry compositors, they will seek some shady spot "neath the willows by the stream" for their outdoor sports.

We heard to-day of a sheep man in th ing to take 14 cents a pound for the clip. In March last his wool was shipped to San Francisco, and yesterday he received re-turns from the California house, stating that the wool had been sold for 12 cents. Counting freight and warehouse charges he considers the product netted him about 101/2 hereafter he will sell his wool at The Dalle

robbed him. He came into Arlangton quite for wagons and buggies, and the toughness

except hickory. The fertility of our sand even is proved by the pile in front of the new building of Prinz & Nitschke being covered with vegeorning, and the thoroughfares are in ex-

tation. The growth is, in some instances, six inches to a foot in length. Mr. M. Thorborn, of Kingsley, is in the city today. He feels gratified over crop prospects and his flocks have increased abundantly. Seven of his ewes have given birth to four lambs each, and about fifty

A case for the reform school was tried by Justice Schutz yesterday, and the boy com-mitted to the institution in Salem. He will be taken down to-morrow morning. The boy is about 13 years of age, and of a willful and incorrigible disposition

Mr. Leon Rondeau, of Kingsley, is at Moses' livery stable with a band of six horses, which he will take to the Portland market. These are fine animals, and are a good advertisement for the improved breeds in this county. Eugene Guard: A 14-year-old son of Mr. Brown, out in Cayote bottom, killed eigh-

teen huge rattlesnakes last Thursday. Fourteen of these were altogether in the den when surprised by the boy, but although they were old ones, the boy got away with them with a club without reeiving any demage himself. The Grants Pass Courier looks at it this way: Eugene is trying to raise \$100, 000 bonus for a rairoud to the coast. The task is a hard one, as people are tired of giving bonuses to ratiroads and in return

getting high rates, poor service and inplent treatment. The game is getting too old and threadbare. Messrs. Clark Fleck and Dell Cheesman have purchased the interest of Mr. W. S. Evans in the confectionary stand, adjoining the American market on Second street, and have opened out in bustness. These young mean are well known to our citizens, and we wish them abund-

ant success in their new enterprise. Union Pacific spotters have created sensation at Huntington, in this state, by unearthing a system of robbery carried on y employes and others at that place. A large amount of property belonging to or in its charge, has been systematically puroined for some time past and the detectives employed to ferret out the guilty parties have succeeded in causing the arrest of two parties and others implicated will also be apprehended. A similar condition of affairs said to exist at Baker City and officers are now there investigating the matter.

Dr. H. Logun left on the train this evening for old Point Comfort, Virginia, where he will attend the meeting of geons, which convenes on the 25th of May and continue in session four days En route the doctor will attend the Mis esst be will visit New York, Chicago and the principal cities in the United States, and be absent about a month.

The Union Pacific authorities in con viction of the would-be train robbers, five in at one time was a prosperous merchant. He imagines hunself to be very wealthy and the capture and conviction of each would-be robber, which, with the standing reward of \$300 offered by the state for such service. aggregates the sum of \$500 per \$2500 for the entire gang.
