## ITEMS IN BRIEF.

From Wednesday's Daily. Mr. A. G. McKamey, of Hood River, gave us an agreeable call today. Prof. Asron Frazier, of the Dufur pub

he schoo's, is in the city to day. Mr. Donald McRae was made a full citizen to-day, by torever renouncing all allegiance to Victoria, queen of England. Justice courts are very quiet these days. A reporter may diligently examine the records, but nothing of interest can be

teachers he'd in the court house to-day. and those who teach the "young idea how to shoot" were fully represented. Baker Democrat: Within the past few days nearly two feet of snow has failen in the Eighorn mountain mining district and interferes considerably with mill building going on at the Baisley-Eighorn mine.

A large Chinook salmon, weighing 35 ounds hung in front of the American pounds hung in front of the American market this morning. This was a noble specimen of the salmon species, and is an illustration of the wealth of our streams. river named and upon whose bosom that grain should go to sea. That 1,000,000 tons of grain now costs \$6,000,000 to ship Friendship Lodge, Knights of Pythias, of this city, at an early date, intend giving an excursion to some convenient point down the river. The matter may be dis-

cussed at the meeting next Monday night, and a full attendance of members is reand a full attendance of members is requested.

The following patents from the United States were recorded to-day: Donald McRae; e½ of the ne¼, and e½ of the se¼, sec 31, tp 6 s. range 19 east. Dun can McRae; s½ of the se¼, sec 20, and s½ of the sw¼, sec 21, tp 7 s, range 18 east.

favorable condition, and no other one has developed. It is to be hoped that the disease will not spread, and as heretofore the single case will be the only one. The public schools have been fumigated, and families have been careful in the use of

Mr. Jud Fish was elected chief engi neer of the fire department last evening by acclamation, Mr. Geo. Munger having resigned. This is an excellent selection as Mr. Fish is an enthusiastic fireman and will carefully superintend all matters in connection with this branch of municipal government.

There are now four fire companies The Dalles, and it would be an enteprising movement to give a tournament on the 4th of July, and give a prize to the successful company. This would be a good advertisement for the city, and would attract here very many people from other corriess of the state. strawberries, grown in this vicinity, on sale at the American market, Second street.

Astoria Talk: The marine chest and mirror of the Yankee skipper, Capt. Robert Gray, has arrived from his grand daughter in the east. It is now in the hands of J. W. Case, and will be kept in give a much more attractive appearance to the bank till removed to other quarters for the inspection of visitors. The chest is 5 feet long, and about 11/2 x11/2 feet days has kept a great deal of wool at home,

La Grande Chronicle: An expert prospector who has been searching the mountains of Baker county in the interests of California capitalists, reports having found a ledge carrying chromide of iron, which is said to be worth \$60 per ton. He also found a mine carrying kaoin, the first ever discovered in America, and used in the manufacture of chinaware,

Baker Inquirer: J. C. Young, just in from his mines in the Greenhorn district, says that the snow up there is marvelous. "Two feet on the level and still snowing," is what he says, and he also said that ing the summer months.

when he reached the cabin in the vicinity | Dr. Eliza A. Ingalls, wife of Major Infeet to reach the top of his stovepipe. It will be several weeks before much prospecting can be done on account of the She intends to locate in The Difference of Major Ingalis, a graduate of the medical department of the Michigan university, and a practicing physician of eighteen years, is in the city, and

There was one drunk and disorderly person and two hoboes in the city jail last night, and the record of vacancy was broken. The inebriate had found his way into the office of one of our professional men and fallen asleep; but his slum bers were ruthlessly disturbed, and his dreams of marble hails were changed to the reality of dark and murky prison cells.

Astorian: The steamer City of Frank fort is making dally trips from here to the Lewis and Clarke with men and ma-terial for the Astoria & Portland railway. pleted. From 500 to 700 men are at work. Two hundred men are employed making roads and clearing land. The ors will double the force as soon

The serenade last evening in front of the Umatilla House was in honor of Mr. and Mrs. W. S. Cram, by the Citizens' played, the bride and groom appeared on the balcony, and very becomingly ac-knowledged the compliment. Mr. and Mrs. Cram are well and favorably known

Lewiston Teller: D. D. Jones, stewar of the steamer Spokene, was drowned at Bonners Ferry one day last week. He was returning to the steamer drunk, and fell overboard. His body has not yet been recovered. He formerly lived at Sioux City, Iowa, and moving to Montana he was employed for a time as news agent on the Northern Pacific, running out of Helens. He was a man of about 30 years. Helens. He was a man of about 30 years of age and well liked and respected.

East Oregonian: Two men have been ar-rested at North Powder for steating sad-dles from several farmers in that city Another culprit, Dick Bartley, escaped, white the officers were engaged in securing the place where they were stopping. The three are believed to be member

Review: Last Thursday Mrs. D. F. Stewart was cleaning the windows in her house, and put one of the upper sashes in place when it started to fall. She reached out to catch it, and her hand went through one pane of glass, which severed two arteries in her wrist, and also a severe cut in the temple. Dr. Belknap was immediately summoned, but Mrs. Stewart came near dying from loss of blood before the doctor succeeded in stopping the flow.

to the "pen" for a year and one-half each by Judge Fee, who is holding the present term of circuit court in Grant county. It will be remembered that not long since dians killed a small band of sheep for W. H. Johnson near Dayville, for which four squaws and three bucks were committed to the county jail to await the action of the grand jury. When the matter came before that body the aquaws were released and the bucks indicted and tried with result as before stated.

Klamath County Star: The bucks and business methods are peculiar. Some-times they find dead sheep and skin them. At other times they find live sheep and run them into a corner. When they get this peculiar corner on wool and hides they break the necks and skulls of the with rocks and make the sheep

growth of the past eighteen months. A thorough system of water works, with pipe and mains, for both irrigation and domestic purposes, has been erected at a cost of \$80,000. A fine stone bank building costing \$10,000, will soon be completed. One electric light plant is up and another will be put in by July 1st. The streets are being graveled and a system of sewerage surveyed. A large saw mill plant will be in operation by midsammer, and a sash and door feelows. Lewiston Teller: There is a tract of country in central Idaho, in the Cape Horn region embracing large acres of desirable agricultural and timber land and containing rich mineral districts, in all bout 900 square miles, which it is said loes not contain a single human habita tion. Those whose work as surveyors has taken them through this virgin secby midsummer, and a sash and door factory
is in contemplation. The growth of a
prosperous city here is inevitable. Drawbacks may retard its development but the parts of the state. The circumstances il prosperous city here is inevitable. Draw-backs may retard its development but the frailroad would do for the state, for all such territory would fill up with a busy population if it were within reach of rail will grow up the great commercial city of sectors I dahe.

Communication.

Satem Statesman: After a lapse of forty-four years, the remains of a daughter of Rev. J. H. Wilbur have been exhumed from the premises at the corner of 2d and Taylor streets, where they have been buried since 1848. The excaptation for the foundation of the new A. O. U. W. hall is being made and it became necessary to remove whatever remained mortal of decemed. The body remained mortal of decements of a daughter that the residence of Mr. A very pleasant and agreeable time was spent last evening at the residence of Mr. A very pleasant and agreeable time was spent last evening at the residence of Mr. A very pleasant and agreeable time was spent last evening at the residence of Mr. A very pleasant and agreeable time was spent last evening at the residence of Mr. It is pleasing to the eye and to the taste, gentle, yet effectual in acting on the kid of the right, and all of the newly. It is pleasing to the eye and to the taste, gentle, yet effectual in acting on the kid of the court house. City, has arrived at Spokane on his way to the scene of trouble with warrants for the leaders and injunctions against the miners from the United States district court. The miners have received severa hundred rifles and a quantity of ammuni tion. A gentleman who arrived from Cœur d'Alene City tonight, saw the rifles being transferred to the steamer on the lake. They were addressed to the presi-dent of the miners' union. This leaves little room for doubt that there will eventually be a conflict between the union niners and the non-union men, who are soon to be shipped there, or their guard

ROYAL BAKING POWDER

Strongest, Purest, Most Economical.

Certain baking powder makers are publishing falsified extracts from the

Government reports, with pretended analyses and certificates, wherein an

attempt is made to compare their baking powders with the "Royal," or

making bogus tests from house to house, their obvious purpose being to

counteract the recent exposures of the inferiority of their own goods arising

from their impurity, low strength, and lack of keeping qualities as shown

by the Government chemists and others.

SPOKANE, Wash., May 10-The trouble etween the miners' union and the mine wners' association in Cœur d'Alene is suming a decidedly serious aspect, Inited States Marshal Pinkham, of Boise

near Hartlepool, to-day, to prevent the threatened destruction of the works by rioters, who are greatly incensed by the rioters, who are greatly incensed by the employment of non-union help. On Saturday a non-unionst named Stockdale was attacked when leaving work, and saved with great difficulty by the police. The rioters showered stones upon the policement, none of whom were badly injured. The mob turned to the colliery and broke up the engine-house. They then made an attack on Stockdale's house of the interior; Lecave, public and the rioters knocked the house almost to pieces. On Sunday the rioting most to pieces. On Sunday the rioting was renewed. This morning the mob gathered again, but the police had been reinforced and prevented any serious
