and almost successful attepmt was made

Frick, chairman of the Carnegie Steel Company, Limited. His assailant was Alexander Berkman, a Russian Jew, who came here from New York with the evi dent intention of killing Frick. It was [ a few minutes before 2 o'clock this aftersoon when the young man entered the elevator in the Chronicle building, and asked to be let off at Frick's office. The young man has been a frequent visitor the past few days and the elevator boy bought nothing of the request. Two minutes later the occupants of the building and passers-by on Fifth avenue were startled by three pistol shots, fired in of this city, and in a short while the rapid succession. The man had tried to whole structure was a mass of flames. assassinate the great steelmaster, but the | The fire spread rapidly to the adjoining latter, notwithstanding two bullet wounds | building, a small dwelling owned by Mr. and four ugly gashes from a dagger, is Olds, the senior member of the firm still alive and will probably recover. Here the course of destruction was stayed, Before the man came in Mr. Leishman, the business partner of Frick, had entered hope of saving the general merchandise the office and was holding a private constore of Douglas & Co. Had this gone, erence. The office boy noticed a man the greater part of the business portion of come in burriedly from the outside and the town was doomed. The fire originacoss through the railing, but before he ted from the overturning of a kerosene could stop him the stranger had entered | lamp. The loss is about \$4000, partly the private office. He sprang to within insured. The young wife of Ed Olds, the five feet of Frick, and quickly drawing a junior partner of the firm, is reported to revolver pulled the trigger. The first be in a critical condition, she being the carrridge did not explode, but the second | mother of a child only two days old, and shot entered the back of Frick's neck, having been rescued with some difficulty glanced down and passed out below the from the burning buildings. Genera arm pit. Frick jumped to a window Manager Baxter, of the Union Pacific, opening on Fifth avenue and tried to responded to the request of the citizens open it but couldn't. Berkman rushed to have a train and fire engine in readiup to him again and fired, the ball enter-

around lodged under the right ear. A STRUGGLE WITH THE ASSASSIN. At this moment, Mr. Leishman threw nimself on the assassin and struggled to get the revolver. He clutched the barrel and turned the muzzle up as the man pulled the trigger again, the ball entering the ceiling. The desperate man then drew a dagger and attempted to stab Leishman. Frick saw the gleam of steel, jumped between the men and seized Berkman's arm. 'The latter freed him self from Leishman's grasp and plunged the dagger into Frick's right side just above the hip, making an ugly, wound three inches long. He made another lunge, and this time the knife struck agher up, but the point struck a rib and lanced off without inflicting much injury. Twice again was the knife thrus: at Frick, but he was merely scratched. By this time the office clerks and Deputy Sheriff May entered the room. May had drawn his revolver and was about to man broke away and tried to escape, but he was secured and taken to the station. In five minutes half a dozen surgeons were on hand, and Frick's wounds were attended to. He was calm, had perfect command of his faculties and apparently was less excited than any other person in

the room. From time to time he made suggestions, and half an hour after the A Double Drowning at Matsqui. oting he dictated a message to An SEATTLE, July 22 .- Alex Purver, a drew Carnegie about the assault young farmer of Matsqui, and Miss A THOUGHT FOR HIS FAMILY. Bertha Jay, of Victoria, were drowned at At his request all communication with Matsqui while bathing in a small stream his residence was shut off, and his brother-in-law was sent to inform his on the Purver farm last evening about 8 o'clock. Purver and his sister were wife and to reassure her. She gave birth teaching Miss Jay to swim, They got to a child 10 days ago, and is still coninto deep water suddenly and both sank.

Miss Purver managed to drag her brother
out, but he immediately plunged down
again to rescue Miss Jay, and was seen fined to her room. Though greatly dis-tressed by the news, she bore herself bravely. After some difficulty the bullet dged in his neck was removed, and Frick was soon resting easier. The news created intense excitement, and telegrams poured in on Frick from persons bigh Ernest Scullen, the 2 year old child of and low, from various parts of the coun-Patrick Scullen, proprietor of the Laurel shade resort on Lake Washington, was try. At no time did he express a fear as to his condition, and after the removal of drowned this evening at 8 o'clock in Lake stenographer, and received reports about years, saw the little fellow floating in the the condition of affairs at Homestead, water about 14 minutes lates, and sprang He refused all medicine until 5 o'clock, into the lake and pulled him out, but when he was given a sedative, and has

been sleeping soundly. He was removed to his home soon after 7 o'clock. Dr. Litchfield is confident Frick will recover although he is seriously injured. At midnight he was resting easy. News of apidly. In five minutes after the shooting, Fifth avenue, from Market to Woods streets, was packed with people, and the greatest indignation was expressed at the

Conflagration in Walla Walla, WALLA WALLA, Wash., July 23 - Fire tarted at 9:30 this evening in a frame building on Main street, occupied by the French restaurant. The department re sponded promptly, but the engines failed of them is supposed to have been with to raise steam and it was fully 10 minutes communicated to the third story of the the entire building was a mass of flames. The hotel was occupied by a large numjury. A chambermaid, suffocated by smoke, was carried out and soon revived. Charles Parris, proprietor of the French restaurant, has hands and face badly burned. Mrs. Adler, who was conducting a knitting factory a few doors below the restaurant, became hysterical, and is now in a precarious condition. The fire is still burning at 12 o'clock, but the fire-men pave it under control. The Hotel Stine is a three-story brick, owned by Fred Stine and conducted by J. C. Lewis. Stine places his loss at \$30,000; insurance, tures, \$700; insurance, \$300; Marshal Martin loses \$1000 on the frame building; clothing will be about \$600 more. The fire started in a range in the restaurant paper. Hard work of the firemen prevented the fire from crossing the street.

A light mjury to the steam ferry boat Saturday necessitated some repairs, and the boat was laid up for some time yesterday, Mr. George P. Morgan, editor of the Sun, returned Saturday evening from his visit to Moscow, Idaho. He speaks in glowing

Harvesting is general throughout the county, and in a few days grain will be marketed in this city. So far as we can learn the crops are much better than they were expected to be a few weeks ago. On the U. P. excursion yesterday, some were from this city, but the larger number of picnicers at Bonneyille came from Port-land. A very enjoyable time was had, and the grounds and other accessories to a good time were in splendid condition.
