DRAW ON NEW YORK, SAN FRANCISCO AND PORTLAND. vention then adjourned sine die. WISE COURT HOUSE, W. Va Sept. 2 Talton Hall slept but little last night,

and when the sun peeped into his cell He was not defiant or swaggering yesterday, but childish and petulant. tempting breakfast was placed before im by his sister, but he refused to est it. asked for a drink of whisky after taking a cup of coffee, but it had little The jail and vicinity was well guarded by determined men, who were esolved to see the law enforced, notwithe standing the threats of rescue made by Hail's friends. By 10 o'clock there were between 3000 and 4000 people assembled in the village. Father Luckie entered the cell at 8 o'clock, and active preparations for the banging began at 10 o'clock The drop fell at 12.30 His neck was broken He was pronounced dead at the end of 17 minutes. No attempt was made by his friends to rescue him He made a speech on the scaffold.

Hall was a noted desperado, and is credited with having killed 19 men. The BETTINGEN, JR., PROPRIETOR crime for which he was executed to-day was the murder in cold blood of E. B Hilton, special policeman of Orton, Wise county, W. Va., in July, 1891. Gunning & Hockman

OTTAWA, Sept. 2 -G K. Foster, min ister of finance, says that dispatches have BLACKSMITHS British Columbia Board of Trade protest ing against the indignities which the British Columbia sealers have suffered at the hands of the Russian authorities at Viadivostok, and urging that the matter be officially presented to the imperial authorities without delay in order to se-cure redress. Mr. Foster declares it will be impossible to include the claims for damages by British Columbia scalears against Russia in the Behring sea arbitra decide upon points between Great Brit-am and the United States But he points FASHIONABLE MILLINERY out that if the report of Russia's claim to her present jurisdiction of 1000 miles in Behring sea is correct, it would greatly wesken the cause of the United States, as the Americans claim that by the pur-chase of Alaska were acquired all Russia's rights in Behring sea.

Several Bodies Found. SAULT STE. MARIE, Mich., Sept. 2 .- A several day to identify the bodies. The only additional isct obtained from him down with her engines going. As the crew pulled away is the boat they could see her puffing and plunging in the waves until she sank out of sight. There is no way of identifying the place where the steamer went down. It was out of sight of land, and there is no way of lo cating the wreck. The yawl was cap-sized at the first shoal from the shore by

Oregon Pacific Sailroad. CORVALIS, Or., Sept. 2 .- The Oregon Pacific railros i matter came up to-day R. E. Saltmarshe as assignee of Zephin Job, the purchaser, filed a petition for an extension of time of 60 days in which to complete the purchase. The application was supported by affidavits of Colonel Hogg and Messrs, Bently, Coe, Hazard and others. The trust company, the plaintiff, and the cer-tificate holders, who were represented by Williams & Wood, asked for an exten HighestCash Price for an answer and counter affidavits. This was allowed by the court. It was also ordered that if the purchaser pay the balance of the money before the 14th inst. it should be accepted.

DEALER IN LIVE STOCK Гасома, Wash., Sept. 2. - Nels John L. P. OSTLUND on, an employe of the Cascade Oatmeal elevator falting on him. He had no right to use the elevator, which had been Contractor and Builder condemned. He put about 800 pounds of hay on it and it is supposed the ele-vator would not work. He went into letting the whole weight on his head and crushing it into a jeily. He died about half an hour after. No one witnessed

The schools were not From a description of the scene of fighting it would seem the place was densely GRAND FORKS, N. D. Sept. 2 .- The wooded. Nothing was seen of the na reciprocity convention to day adopted tives when the sailors and marines landed esolutions congratulating the Canadian from the warships, but the men had scarcely put their feet ashore ere they Northwest and the northwestern states were fired upon, and a brisk fire was kept up by an apparently invisible foe. The result was that the attackers were

glad to escape in boats. Died in the Harbor. NEW YORK, Sept. 4 - Three large steamships with immigrants on board arrived here to-day from Europe, but there is no evidence of cholera among the passengers They were the North German Lloyd steamship Fulda, from Genoa. with 508 passengers; the North German August 24th, with 380 immigrants, and French ship La Bourgogne, from Havre August 27th, with 840 immigrants The health officers boarded the three steamers at quarantine, where they were detained, and after making a careful examination, reported all on board well. When Dr Jenkins found the La Bourgogne absolutely free from disease of any kind, he decided to release the cabin pas sengers at the earliest possible moment which, according to Mr. West, agent of the line, will be to morrow.

Dr. Jenkius, accompanied by Quaranine Commissioner Allen and Professor Biggs, went to the lower quarantine this norning, and on his return it was learned that the cholers had claimed a number of victims during the day. The startling fact was made pub ic that three deaths had occurred on board the Normania, two on the Moravia and one on the Ru gia. All the dead have been taken to Swinburne island and cremated. It has also been ascertained that six cases of the isease were sent to Swinburne island to day. The cabin passengers of the steamer Normania have been transferred to Hoffman island. The panic among them tonow all fully recognize the fact that the she has been thoroughly fumigated."

The Pivotal State. way to the Cheyenne Indian agency, to witness the Indian Episcopal convocation there to day, and to inspect the agency. Referring to political matters, Mr. Roose

veit expressed perfect confidence in the success of the Republican party in New the state so long that he was not as fully informed as he desired. He regarded it as the pivotal state, and appreciates the necessity of continuous and earnest work to throw it to the Republicans. He believes the national committee will give it proper attention, and while he under stands the situation quite fully, he is not New York that would give better results elsewhere. As to the northwestern states, Mr. Roosevelt said they seem to be in good fighting trim, their chief enemy being the People's party.

A Novel Proposition NEW HAVEN, Conn., Sept. 3 .- In an interview to-day relative to the approach of the pestilence, Professor Totten remarked that the chief danger lay in the direction of Canada, owing to the inti-mate commercial relations existing bebut one way to effect a strict quarantine That was to establish a military quarantine, pure and simple. He sald: "My proposition is that at least 50,000 colunteers should be called for by the

president and duly appointed throughout the northern states, and that a like number be mustered into the regular service whole border The term of enlistment should be at least four months, so as to extend into the season of permanent cold

MONTEREY. Mexico, Sept. 8 .- Lieutenant Manuel Perez, of the Fourth Mexican cavalry, was to day sentenced to be shot by a military court martial. Lieutenant Perez is one of the best known officers of the Mexican army, and is a warm per-sonal friend of President Diaz. He is charged with shooting and killing Cap-tain Alferez Cuellar, of the same regi-ment. The two officers had a quarrel over a prominent young society lady of this city about two months ago. Captain Cuellar attempted to leave the presence of Lieutenant Perez, when Perez ordered the soldiers to shoot him down. Cuellar started to run, the soldiers following and shooting at him, till he fell slightly wounded. The soldiers then took the wounded man to where Lieutenant Perez was standing, and the latter then shot and instantly killed him.

Gold Cure Keeley's Opinion. CHICAGO, Sept. 3 .- Dr. Leslie E. Keeey said to-day: "It is my opinion that country. The cholera germ is easily transmitted, and it is exceedingly diffican prevent its coming to this country.
The quarantine at New York is not even approximately perfect, and no system can ever be found that will make this country dreaded disease. The germ can be car-ried in clothing, and even if a person has the strength to resist its attack, it may bust. This country is not in as good condition for fighting cholers as are the old countries. The cities here are not as clean as the cities in Europe. New York is unclean and Chicago is comparatively

HAMBURG, Sept. 5 .- Exaggerated rumore fill the air and keep the excitement at fever pitch. Theaters and circuses are headlong, and a lead pencil which she carried in her hand was driven into her brain, through her left eye, a distance of four inches. She was dead before her of its whether they can get fresh supplies four inches. She was dead before her SYDNEY, N. S. W., Sept. 3.—Information has reached Sydney by the German steamer Flink that a desperate fight had taken place at Ponapi, in the Caroline Islanda, between Spaniards and the natives. The accounts state that four Spaniar guident place the police have looked down with the market place the police have looked on unmoved as children feasted them selves on refuse vegetables and unippe fruit, which they washed down with water. On the whole, however, the police have done their duty nobly. Several have died from the effects of overwork. It is the authorities who have muddled of the occupants, which may be cholera.

The for particulars inquire at residence.

SARNIA, Ont., Sept. 2.—A car containing 30 emigrants is detained at Tunnel station. The American authorities refuse to allow the car to enter American territory on account of the illness of several of the occupants, which may be cholera.

The Missouri horse buyers, who have been in this section of country for the past three

Nachrichten, the cholers was in the city "To understand what this plague may mean, you should visit the Spitalerstrass and Steinstrasse. Walk into any house and you will be horror stricken by the unspeakable misery and incredible poverty of the lodgings. Thirty thousand people live in the Short Steinstrass alone, and there are many other streets of the same kind in the city.'

Two Children Who Have Been Ar

MINNEAPOLIS, Sept. 5 .- G:rl burglars were abroad last night. Katie Hannon and Mamie Cressap broke into the residence of Samuel Hill, while the family were away, and proceeded to collect and carry off such furniture and bric a brac as they could handle. The neighbors perceived that something was wrong, and watched the premises. The girls came out at the rear of the house, loaded down with rugs, silverware and other things. They hastened down the alley with their plunder, but were pursued by a coachman, who overtook them a block away. The culprits were taken to the police station, where they were formally arrested. They were quite young, but old imers in crookedness. Katie Hannon is 16 years old and Mamie Cressay 15, and small for her age. They ran away to Chicago some time ago, and were sen back by the police. One of their schemes or raising money is to go about begging for some church society. In the early part of last week they went through the lumber exchange on this mission and col lected a large sum of money.

Three Means of Entrance SAN FRANCISCO, Sept. 5 .- The steam lity of Panama was released from quarantine this morning and docked. Quarantine Officer Dr. Lawler said to-day "There are three directions from which the cholera can enter California. It can cross the Canadian border and thus gain footbold in Washington. We can get day is described by eye witnesses as it from Alaska, as many Russians comsomething frightful They cried out from Vladivostock and Petropaulovsky against being confined to the pest ship, and it may come from Sitks and Juneau and the ladies on board the vessel were | From these latter points the disease could in the greatest terror. Their fears were reach San Francisco direct. Then we can relieved to a certain extent, however, by get it via Panama. There is a German their removal to Hoffman Island. The line of steamers direct from Hamburg to ommissioners describe the terror pre | Aspinwall, and the Pacific Mail Comya'ling among the passengers as of a pany's steamers touching there would be heart-rending character. No steamer day have brought terror to the bravest from Alaska, British Columbia or Pan hearts on board the infected vessel, and ama direct, will be allowed to dock until

JACKSON, Miss., Sept. 4 .- Since the an HURON, S. D., Sept. 4 .- Theodore nonncement by Hon. Charles B. Howey, Democratic executive committee, that a letter in his possession containing information that Republicans were colonizing negroes in Illinois to vote for Harrison and that several hundred pegroes have left northeast Mississippi for Europe, the on the negroes and are kepping the chair-man of the state Democratic committee of Illinois advised, that he may detect and prevent registration and take steps to prosecute those engaged in the coloni-Killed While Blasting Stumps.

SEATTLE, Wash, Sept. 5 .- Andrew Noland died at Providence hospital this afternoon from injuries received while blasting stumps at a railroad camp near Maple Valley Saturday. Noland stood behind a tree 45 feet from the stump. The blast blew the stump to pieces, and head, tearing the scalp from the back of the head and fracturing the skull. No-land was brought to this city and operated upon, but died without recovering required two men to keep him from doing violence to himself. He came from San Francisco and is unmarried. He has no

SPOKANE, Wash., Sept. 5 .- Preparatious for the execution of Charles Brooksthe colored man who killed his white wife in this city July 5, 1891, have been coming Sheriff Pugh wil carry out the sen tence of the court. Brooks is perfective resigned to his fate and is willing to die. He says he expects to meet his wife in heaven, and looks forward to eternal happiness with her. He is visited often by members of the Salvation Army, who have converted him recently.

New Cases in Germany BERLIN, Sept. 2 .- Statistics of the im-26 new cases and 3 deaths. On the reland of Wilhelmsburg, in the River Elbe, opposite Hamburg, 16 cases, 3 deaths; 18 cases, 7 deaths, in Schleswig; 8 cases, 4 deaths, in Tuenemburg; 5 cases, 2 deaths, in Magdeburg; 5 cases, 2 deaths, in Mecklenburg-Schwerin; 1 case, 1 death, in Berlin,

SPRAGUE, Wash., Sept. 2 .- A 4-year old sen of Henry Hays was drowned in the spring at his ranch at Minnie Falls. All were out in the harvest field except the mother, who was busily engaged in household duties and did not hear the cries for help of the little fellow. The spring was boxed in, and the water was about four feet deep.

The Visalia Train Bobbers VISALIA, Cal., Sept. 5 .- News was rereived here to-day that Sontag and Evans of Supervisor Ellis, 21 miles northeast of Visalia. They made Ellis furnish them with meals and threatened to kill him for with E'lis' horse and cart.

St. Petersburg, Sept. 2 .- Official re turns of the empire August 30: New cases, 5578; deaths, 2722. This is an incresse of 414 new cases and 193 deaths over the previous day. It is known that these, figures are incomplete, many smaller villages not being heard from.

QUARANTINE, N. Y., Sept. 2-The situ ation remains unchanged. The steamer Island, of the Thingvalla line, has been passed by the doctor and will be allowed boiled and whether their tood is sound. As for the working people, they have seen their children picking oats out of dung clean.

to go up this morning. Her 557 emigrants are all Scandinavians and very their children picking oats out of dung clean.

Commencing September 5th Miss Alma Schmidt will give instructions on the piano. For particulars inquire at residence.

ITEMS IN BRIEF From Saturday's Daily. Mr. A. E. Lake, of Warnic, 18 in the city

The shadows gather early these evenings Mrs. Chas. Dehm and son Bertie left this orning on a short visit to Portland. There are several more water right notices to be filed with the county clerk.

Freighting is becoming quite lively, and several trains leave the city for the east and The item-gatherer meets little reward for daily visits to the clerk's and sheriff's offices

Judge Bradshaw left for Heppner on the Morrow county next Monday. Miss Aque, of New Bedford, is in city, and will spend the winter months with

her friend, Miss Bessie Holcomb. Mr. Cushing brought to town to-day several tine clusters of grapes, which grew wild near his vineyard on Fve Mile creek. Deputy U. S. Marshal Jamison is on the qui vive, and undoubtedly the U. S. com

pany last night twenty-three members sig-nified their intention of attending the meet ing of the Veteran Volunteer firemen in

There are a few members of Jackson En me Co. No. 1 who helped institute the organization in 1863. Some of these will visit Portland to be present at the Volunteer Veteran's meeting next Monday. Prof. M. W. Smith, wife and family r turned last evening from Salem. He will main a few days, and then remove to Salem, where he has accepted the superintendency of the Reform school.

Col. Geo. T. Tnompson, accompanied by Lieut. F. M. Bushke, Ben. Bushke and Chas. Harter returned yesterday from a camping tour in the vicinity of Mt Hood. They had an agreeable time; but made no

Mrs. Phillips having concluded to retire from the millinery business intends to offer her entire stock at auction, commencing next Tuesday. Mrs. Phillips has been in cusiness over eight years, and kept one of the best stocks in this upper country. street, is quite attractive to all lovers of flowers. Very many make morning calls to

Mr, Chas. Cartright, who lately returned from Missouri with 16 head of bucks and ewes, Spanish merino, for the Baldwin Sheep and Land Company, left this morn-ing for the company's farm on Hay creek. These are fine thoroughbred sheep, and will be used to improve the breed of the com-pany's flocks.

Again the police court was enlivened by the pies, "Yes, your honor, I was somewhat intoxicated last night when arrested." The recorder "smole a smile" like a ray of morning sunlight, booked the usual fine, and turned the impecunious and unfortunate denizen of the mundane sphere over to the Tee Eugene Guard reports the killing of

Frank Russell, a soncol teacher, a few days ago. He was riding a young horse when the animal reared and fell backwards upon The band of forty-one head of Spanish Merino bucks, which were brought to the stockyards yesterday by Hon. Chas. Hilton from California, left for their destination this morning, a moiety going to Mr. Allen Grant's sheep farm at Anteiope, and the remainder to Mr. Hilton's tarm near Fossil

house inspector, and Mr. Montgomery, of Portland, one of the contractors for the When about eight miles east of the Head they came across a drove of 17 elk. Mr. Montgomery killed a bull and Mr. Withers three cows. The head and antiers of the bull was brought out by the Wisman stage last evening and sent to Portland on the local train to be preserved by a tayldermist. It was one of the finest heads and

Condon Globe: Sheriff Wilcox arrived home Saturday with the elopers—Scott Alderson and May Newman. Monday he took Mr. Alderson over to Fossil, where his preliminary examination has been in progress since Tuesday. The prosecution is conducted by H. H. Hendricks and the defence by Geo. W. Goode, From our brief acquaintance with Mr. Alderson we judge him to be a gentleman of education and refinement, who doubtless would provide a good home and make a comfortable hving for the lady. If they want to marry, and there seems to be no doubt of this, by all means let them marry. We fail to see the benefit or advantage to be gained from prohibiting their marriage. The case is a needless expense to the county. Thousands Condon Globe: Sheriff Wilcox arrived edless expense to the county. Thousand

burned, together with a large quantity of feed. It seems to be a mystery how the fire originated. Mr. Searcy and son were returning from where they had been build-ing fence and discovered the fire bursting from the windows in the barn. Mrs. was pretty badly singed while saving the gang plow. Part of several sets of harness was saved but considerable grain was destroyed. The loss will fall heavily upon Mr. Searcy, as his crop was light anyway, and he was just preparing for the threshers.

From Monday's Daily. County court is in session. Smoke makes the air very dense. The public schools and academies heir fall sessions this morning.

Mr. J. H. Rinehart, of Union, spent Sun-day with his son, Dr. W. E. Rinehart, in this city.

weeks, are taking lots of horses from Ore gon. Eleven car loads were shipped from La Grande, seven from Ontario and several from Heppner, besides the large shipment of nine hundred head from this locality. Judge and Mrs. J. B. Condon are enter-

taining the judge's sister, Mrs. W. R. Higgins, and her son, A. M. Higgins, of Terre Mrs. J. L. Story and daughter Aubie were passengers on the midnight train. They have been visiting friends in the Wil-

Canyon, had 1000 sacks of wheat this season, and we learn that wheat in that sec-

levelop our resources if local do not. Phillips says because they are going close out the millinery store to-morrow by anction, that is no sign he is going to leave until after the cholera goes by; any way as he couldn't find another so healtly a place. The entertainment at the Armory Satur day evening by the Jubilee Singers attracted a fair audience, and the renditions of negro

neiodies were very good. In many numbers the members were encored. The peaceful bovine still roam at large A large number of fat hogs are at the stockyards, from the vicinity of Rockland. Wash., and will be shipped to Portland this:

One carload of hogs left Saltmarshe & Co's stockyards Saturday night for Trout-dale and one carload of sheep for Portland. These stockyards handle nearly all the live-stock that leave this vicinity for points east

divorces were ordered in Multnomah county, which was at the rate of two for every same period 916 marriage licenses were is-The following are the teachers in the pub-

lie schools: Prot. John Gavin, principal; Miss Minnie Michell, assistant; Misses Tina Rintoui, Nan. Cooper, Louise Rintoul, Mary E. Frazier, Maggie Fino, Emma Vogt, — Welch, Matilda Hollister and Salina on shore by the D. P. & A. N. Co., sunk in

have been spending the summer months at Pine Rest cottage an the ocean beach, returned on the noon train to-day.

thoroughly, and then selling it back to the same merchant as home-cured meat. That was considered a worse crime than the familiar campaign charge of the candidate having murdered his grandmother.

Hogs are accumulasing at R. E. Salt-marshe & Co's stockwards in this city, and as soon as a carload is received shipments will be made to Troutdale, Portland and other points. The secretary of the interior has appor

tioned the surveying appropriations. Oregon gets \$35,000 an increase of \$15,000 over last year. Of this amount \$15,000 is to be used on public lands within the railroad land grants. The interstate com decided that the Northern Pacific rathroad

cannot carry Washington's state exhibit to the world's fair free of charge, and the coat of transportation of the proposed exhibit will be \$45,000. Prof. John Gavin, the new principal of the public schools, is from Illinois, and comes highly recommended as an educator. We have no doubt he will be suc-

cessful in keeping our schools up to the present high grade. on the midnight train and others on the 1 o'clock train this atternoon. They state they were royally entertained by the Port-land firemen, and occupied the post of honor in the procession, being in the lead.

At the regular meeting of Friendship lodge, K. of P., last evening, Mr. John Michell was elected delegate to the grand lodge, and Mr. W. S. Cram, alternate. This grand body meets the first Tuesday in

no regular employment celebrate it by par-ading the streets with banners, while those who work for a living exercise their brains and muscles and employ the hours at their pairing the injury, the water was shut off usual vocations.

were taken across the ferry at this point, loaded in about 40 cars and shipped east. We could not learn to whom they were Three drunker Indians made night hide

secured jailed. This morning they were in-terviewed by the recorder, and the usual fines imposed. Two liquidated and replen-ished the city treasury; but the other native American stood upon his rights and has way up the doors. We presume the hull taken the matter under advisement, and a decision will be reached on the streets-improving our highways. The firemen who arrived on the midnight

train made Rome howl for awhile. They were feeling jolly; had been treated like princes, and secured the object of their visit to Portland, and their souls were full of glory and found vent in lond vociferations.
The freedom of the metropolis was granted them, they were well fed and the street-cars were free and the doors of all places of Our firemen, at the head of the procession is Portland, pulled the old 1863 hand engine through the streets of that city for posts like Trojans, and never showed the least sign of fatigue until the march was through and the engine properly roused. They worked hard to secure the meeting of

in the celebrated will contest of Green vs.
Ferwilliger, died peacefully at his home in this city Thursday, at the extreme age of \$4 years. He came here in 1845 on the ship Toulon, and built a log cabin down on the bank of the Willamette. Others followed his example, and the deceased soon became the village blacksmith.

Herald: The citizens here have concluded to hold a hin jubilee at Antelope sometime about the middle of October. We have a splendid quarter mile track here, and horse races, foot races, hurdle races, jumping,

children were bruised considerably but nothing serious. The team ran back to Mr. Luckey's barn but left the hack badly wrecked.

From Tuesday's Daily.

Mr. T. J. Driver, of Tygh valley, is in town.

The Dalles public schools opened yesterday with an enrollment of 370 pupils.

The Regulator took its first load of wheat for the season this morning.

Mr. T. H. Johnston, one of the leading merchante of Dufur, was in the city vesterday.

Wool is still being hauled to the boat to be shipped by water to the Boston market.

Wheat continues to arrive in small quantities, and buyers display little eagerness to purchase.

\*\*At noon yesterday in a hoppard five miles down the river from Salem Ross McCormick, a 15 year-old boy, stabbed Joe Webber in the right side with a pocket knife. The blade ran through his breastbone and broke off. Webber's wound is not considered dangerous. McCormick came to town after the stabbing to give himself up, but went home instead. He was arrested last night and gave bonds for his appearance. Different stories of the quarrel are given, and it is impossible to locate the blame. The preliminary hearing will be had to-day. The knifeblade was extracted last evening, having gone through the breastbone. The

"Scottie" Alderson and May Newman were married at Fossil a few days ago, immediately after Alderson was bound over to the grand jury by the examining magistrate.

Several water notices are being filed with the county clerk; and, if many more of these are filed, the Portland corporation will own all the water rights in Eastern Oregon.

Exchange: Campaign charges are numerous and peculiar. In North Carolina one candidate is accused of huying from a mer-
