

SATURDAY SEPTEMBER 24, 189 the senior year in John Hopkins' university. His mother accompanies him as far as Chi-cago. Fred is a close student, and an ex-cellent report may be expected from him. ITEMS IN BRIEF From Wednesday's Daily

There are six prisoners in the county jan Hon. F. A. McDonald, of Seattle, Wash. Mr. J. M. Patterson returned this more

ing from Portland. The wheat crop is beginging to arrive daily, and freight trains leave the depot with heavy cargoes.

The Times-Mountaineer

The wheat wagons at the East End giv that portion of the city a very lively ap

The city's house of refuge had not a single occupant last night, and the cells ap-peared lonely this morning. From the clearness of the atmosphere it is very evident ram has fallen in the mount-ains and the fires have been subdued.

The boat took down to La Camas, Wash. yesterday eighteen head of horses. These were from Saltmarshe & Co's stockyards.

A prisoner from Sherman county is in the county jail for safe keeping. He was arrested for selling liquor without license.

Yesterday morning five carload of cattle were shipped to Port Townsend, Wash., from R. E. Saltmarshe & Co's stockyards in The old Washington market has been ele

gantly refitted throughout, and will be oc-oupled on Oct. 1st by Messrs, Stubling & Williams soon be issued.

During the present season a great many new buildings have been erected on the bluff, and this portion of the city presents a very populous appearance.

Cattle no longer roam at large, and out can now gently drop into the arms of Mor-phens without being awakened at early pheus without being light by the tintiunal

A letter from the secretary of the Editorial Association c ntains the intelligence that the first day's proceedings will be held on the boad en route from the Cascade Locks.

Not a day passes but visitors from the ast are astonished at our fruit products. east are aston and unhesitatingly declare that our peacher pears and prunes are the most luscious they

Wheat is beginning to arrive from Klickitat county, and yesterday we noticed sev-eral wagons from the Washington side of the river wending their way to the ware-houses in this city.

To give persons an idea of the fruit prod-nct of this vicinity it may be well to state that Mr. C. F. Lauer shipped last Sunday 5000 pounds, and has averaged shipments of about a ton a day.

The rain yesterday in this vicinity was anfficient to be discernible on the sidewalks; but it was undoubtedly heavier near r the Cascades, as the atmosphere to-day is as clear as could be desired.

Mr. Thos. King is visiting Mr. J. M. Patterson in this city. He is the father of the boy mentioned in these columns as having been heard from after being con-sidered dead five years.

We have received the first number of the Tribune, the new daily published at Pendleton. It is neatly printed, well filled with general and local news, and displays good editorial ability. We welcome it to the field of journalism, and extend to it our best wishes for success.

Wheat, in large quantities, has been re-ceived at Moody's warehouse; but the crop has only begua to be moved, and, although, not an average yield, more grain will be marketed this year than for many years previously. It is of fair quality, and com-mands 60 cents per bushel. The train backed up, and he was put on board and carried to Portland. He was found to have escaped with a mashed shoul-) cents per bushel.

The following are the officers of the sov-

Pitblado, a pominent young lawyer of Winnipeg, Manitoba, and Miss Myra Calef, a leading young society lady of this city, took place last night at the Taylor-street Methodist Episcopal church at S O'clock, the Rev. Alfred Kummer officiating. Over 200 invitations had been issued for the occasion, but a larger number attended, and the seating capacity of the church was severely taxed. The church was performed entertainment will be incorporated into the one to be published.

severely taxed. The church was beautifully decorated and the ceremony was performed under a magnificent floral bell. The maid of honor was Miss Kate Gibbs and the best man, Blaine R. Smith The bridesmaids were Misses Maie Williams, Linda Holla-day, Ethel Grubbs and Edna Johnson, and the groomamen were Messrs. J. R. Green-field, R. E. Beall, W. C. Bull and E. P. Northway Astoria Examiner: Mail carrier Wooday whose route is from Seaside to Tillamook lost his horse while crossing Carney moun-tain on Tuesday last. While crossing over on the narrow trail, and about 300 feet

on the narrow train, and about 300 feet high, the animal missed its footing and fell into the abyss, descending at a rapid rate. When some distance from the ground it struck a stump, which tore it in a fearful manner and disembow-led it. After reach-ing the bottom the animal tried to get up, but failed. When Mr. Woodard got to its side to get the mail sacks it was dead and fear. Mike Ryan, who shot Wilse Coyle in the neck, about a year ago, is again in the toils, says the Walla Walla Union-Journal. Last Friday morning he came to town with several head of cattle, including five calves, which he sold to Martin Brennan, the failed. When all, woodard got to its side to get the mail sacks it was dead, and fear-fully mangled. Although the trail over Carney mountain is very dangerous, many have crossed on horseback, but this is the first accident that ever occurred on it. butcher. Brennan gave him a check on a bank which Ryan cashed. Immediately afterward he went to Brennan's corral and

took one of the calves away. A German employed by Brennan endeavored to pre-vent Byan from taking the calf when the latter drew a pistol and drove the German The colored glass windows of the new Congregational church have arrived, and are now being placed in position. These were purchased from the same firm as those in the building that was destroyed by fire Sept 2, 1891. The glass in the old edifice was imported ware and cost \$1.50 a foot; but the article now used is of home manulatter drew a pistol and drove the German away. Monday afternoon Ryan came to town and after drinking considerable, went to Brennan's shop and a dispute arose be-tween Ryan and Brennan, which led to blows, when Ryan pulled a pistol from his pocket and run Brennan into the back room. The police were notified and Ryan was ar-rested and locked up in the city jail. facture, much cheaper and of better quality. It is not generally known, but it is vouched or as a fact that American glass is superior to the foreign article, and received the first premium at the Paris exposition in compe-tition with French plate or Belgium colored.
