boys in the village have been seized with desire to imitate the feats of daring they either saw or heard. Mack Waterous, 13 years old, was sent to drive a cow to pasture, and thought he would try his skill with the lasso. He tied one end of a rope around his body, made a noose at the other end, and succeeded in throwing the loop over the cow's horns. The cow the loop over the cow's horns. The cow took fright and ran away, dragging the helpless lad at her feet. When the cow was finally caught, and young Waterous was picked up, he was found to be shock in her dealer a short of the notorious Peter Geoghegan, now serving his time in Joliet. was finally caught, and young Waterons was picked up, he was found to be shock ingly mangled. He lived only a short

### Mrs. Harrison Weaker.

WASHINGTON, Oct. 10 .- Mrs. Harrison much weaker to night than she has been for some days past, owing to the more rapid progress of the disease. She slept the greater part of the day, but the sleep was not of a refreshing character. Dr. Gardiner, Mrs. Harrison's physician, was not at all communicative. All he would say was that Mrs. Harrison had had an unfortunate turn this evening. It was not unexpected, and there was noth ing particularly alarming. It was dis-couraging, he said, but it did not indicate any immediate serious results.

### The Episcepal Convention

BALTIMORE, Oct. 10-The Episcopal general convention resumed its sessions the big revetment opposite this city, from this morning. The following was inser the head of Shaw's island to the terminus ted in the marriage service between the words "which" and "is commanded: "Is an honorable estate, instituted of God

The Oregon Lumber Company of Hood

few days afterward she was taken to the insane asylum at Brattleboro, Vt., and two years ago she was removed to Wor-tenbury, from which place she was re-leased as sane. The husband professes to have believed that his wife was dead. The affair will be investigated. Union Journal: Information is wanted of J. E. Thompson, a pox-marked man, 27 years of age, dark complexion, medium size iately of Opolis, Kansas. He was in the Sister's hospital last spring. His sister us in Walla Walla, anxious to hear from him. Give the information to the Union-Journal or James Chadsey. Exchanges please copy. int there is a belt of timber in that vicinity that will take thirty years to exhaust.

Mrs. Sturgs left with us to day three samples of apples raised on the high lands near the Columbia in the neighborhood of Mosier. These are monstrous specimens of fruit, and the lady informs us that the

trees have only been in the ground from grafts for two years. They are of the Red Check Pippin and Northern Spy specie, and were raised without the least irrigation.

Salem has been treated to a little sense tion recently over the supposed finding of one of the Cronin marderers. The police of Chicago, however, have telegraphed that Geoghegan, alias Coleman, the supposed

The demand for mutton sheep is tending to overreach the supply, especially in this immediate neighborhood, says the Baker City Democrat, and buyers are compelled to

the city last evening that some unprincipal wretch or wretches touched a torch to the City Democrat, and buyers are compelled to go to neighboring counties to make pur-chases. Mr. Jos. Geddes, of the butcher firm of Geddes & Pholman, of this city, fre-turned from Summerville, Union county, this morning. He purchased 1000 head of fine mutton at a price of \$3.25 per head. The lot is to be shipped by rail to Portland. schoolhouse at Pleasant valley Friday night and reduced it to ashes. A number of the citizens of that section have been wrangling for some time past over the location of the building, some wanted it moved while others were satisfied with the present site. It is to be hoped that the guilty parties will be apprehended and given the full extent of the law. Teller: John Denny, who returned from Elk City last week, relates a currous phe-nomena that occurred at that camp. One A letter to a resident of Prineville says that while the writer was at Fish lake re-cently a number of Indians made a grand circle hunt and killed 800 deer. This sounds hight about two weeks ago, during a storm, lightning struck a pine tree and fired the foliage. Every needle on the tree was burned off and the fire made a light so bril-

like wholesale slaughter; but the recipie of the letter says the writer is reliable liant that the men in the camp could read-lily read a newspaper at 75 yards distance. The tree burned about twenty minutes and went out. An examination showed that all things he has ever tried him on and so he is tempted to believe this, even if it is a hunting story. If it be true, buckskin shoestrings should be cheap for a while, al-though it may not effect the price of buckthe remainder of the tree was but slightly

Arlington Record: S. J. Pressler, a printer of The Dalles, taking advantage of the low water sesson, has recently been prospecting along the banks of the Columbia above this point. A few days since he and his partner located a claim on the Washington side be-tween here and Castle Rock, and assert that akin be hey are now taking out from \$3.50 to \$4 per day to the man, by the primitive pro-cess of panoing. The Columbia river bars in this vicinity have long been known to be impregnated with fine gold, and were prof-itably worked many years ago.

counts he was resting easily, although in a very precarious condition Charges of Treason PITTSBURG, Oct. 10—The unusual spect tacle of a chief justice of the supreme court of the state sitting on the bench of oyer and terminer of a county was wit-nessed here this morning, when Justice Paxon delivered a charge to the grand jury as to what constitutes treason before setting if at work upon the cases against the members of the Homestead strikers A North Dakota editor writes: The poli-Martin Keogh, a young blacksmith, of Tygh valley, and Miss Hallworth, of Gilman, Wash, were married at Seattl Wednesday. Keogh was shot by his pros-pective father-in-law, John Hallworth, at Gilman, some washs and hallworth, at Gilman, some weeks ago, the night on which all the guest had assembled to see hin wedded. He has been stopping for the pas two weeks at the Windsor hotel in Seattle waiting for his wounds to heal, which the have done. Then they were married. Hallworth has been discharged from custody, it appearing that the shooting was accidental. Mr. Keogh and wife will leave for Tygh-

## Death of Mr. Bernard Vogt.

Intelligence was received Tuesday afterooon of the death of Mr. Bernard Vogt in the Sisters' hospital in Spokane, Wash. He had been sick only a few days with typhoid fever, and his death was very unexpected Mr. Vogt was a young man, sged about 24 years, and bore an excellent reputation both for business qualifications and honesty and integrity of character. His loss will be a heavy blow on his parents, brothers and sisters in this city, who will receive the heartfelt sympathy of the community in their sad and sudden bereavement.

collier Willamette in a dense-fog, of Whidby island, about 10 miles this side of Port Townsend, about 2 o'clock this one jury as to what constitutes treason before The setting it at work upon the cases against stcam tug Goliah arrived here at 12:30 the members of the Homestead strikers knowsth me not.
