This was sufficient to indicate the election of Cleveland, and Republicans gave the matter up. An Indiana Man is Saved by a Dis

An Indiana Man is Saved by a Discovery.

A remarkable case has occurred in our territory. J. N. Berry, a man about thirty years of age, was going down rapidly. He tried physician after physician, patent medicines, home receipts—in fact, everything. He went to a noted sanitarium and returned no better. We all thought he was dying with consumption, and that only a few weeks of life were left for him.

He commenced taking Dr. Pierce's Golden Medical Discovery, and at the same time commenced to mend. He has used about two dozen bottles, and is still using it. He has gained in weight, color and strength, and is able to do light work. It is just such a case as we should have listened to rather suspiciously, but when we see it, we must believe it.

It has trebled our sales of "Golden Medical Discovery." John Hackett & Son, Druggists, Roanoke, Ind.

"Discovery" strengthens Weak Lungs, and cures Spitting of blood, Shortness of Breath, Bronchitis, Severe Coughs, and kindred affections. Don't be fooled into taking something else, said to be "just as good," that the dealer may make a larger profit. Boys' and Girls' Aid Society of Oregon
