## SATURDAY ...... FEBRUARY 4, 1893

ITEMS IN BRIEF

From Wednesday's Daily. Mr. C. J. Vanduyn, of Tygh Valley,

Mr. B. C. McAtee, of Tygh Valley, is in town to-day

This morning there was a snow storm with the thermometer 3 deg. below zero. The Goldendale stage crossed the river on the free bridge of ice and snow this

Last night was the coldest of the seathermometer marking 6 degrees

did not arrive to-day until 4:10. There was considerable snow in the gorge of the Columbia, and this caused the delay. The cold weather last night was quite general over this portion of the country, and at Hood River the mercury registered 6 degrees below zero.

There were eighteen inches of snow in Rortland this morning, and the track was blockaded between that city and Cascade Locus. No trains can be expected here

Five hundred cords of first-class cord wood, consisting of oak, fir and slabs, will be sold at lowest current rates at Jos. T. Peters & Co., office Second and

Coasting was excellent last vight, the only disagreeable feature being the cool-ness of the atmosphere. On Union street sleds ran down the hill from the new school house to the railroad track on Front street.

The water last evening was not sufficient force to turn the power press of the Times Mountaineer, and the edition, was worked off by hand power. This is no improvement on the old system of water works

In portions of Eastern Oregon where cattle were in poor flesh before the storm they are undoubtedly suffering. The stockmen of Wasco are well prepared for severe weather with an abundance of hay, and no appreciable loss is anticipated. The first of February is introduced to the people of this lantude in a very rough, uncouth manner. In former year, wild flowers bloomed on the hillsides but we can't expect larks to sing or roses

The January number of the Northwest Guardaman is lery replete with matters of interest to members of the O. N. G. Capt A. A. Keller, of the city, is the resident agent, and is empowered to receive and receipt for subscriptions. This publicaion should be in the hands of every mil-

itia man in the state. Seattle has adopted a scheme, whereby men out of work can chop wood for the use, and has proved a complete suc-Ninesy men are already at work and it is reported that there are five idle men to each tree who are anxious to be gin chopping wood. So many applica-tions have been made that another station

Dr. Snedaker, in consideration of money being so scarce among the people at present, and real zing that a great many ple badly need their teetb attended to, decided on a reduction in prices for

N. S. Biddle, of Eugene, has received a patent on a wagon road for which he claims many things. Among them, that | bers of this city have sent to Senator Wood- about it is possible to make an easy grade up our worst hill; to prevent wagon ruts and chuck holes; that it requires no ditching or turnpiking, and can be built at little cost. He also claims that a team of horses can draw twice as much on his

Farmers in town from the country ap-pear to be pleased at the fail of snow experienced this winter. In conversation with one this morning, when the flakes were descending in such quantities as al-most to darken the atmosphere, he re-marked that he wished it would continue for the next month. The farmers of East-ern Oregon, second only to an open river, desire a bountiful fall of snow during the

menting upon the defeat of Raley's bill says: "The people of Oregon—that is, the Missourians of the Williamette valley, don't want the Columbia river opened. They are content to live quietly and grow wheat, doing no business with East-

The funeral of Mrs. Mary Powell, who died Friday night at her home in marion station, marion county, took place yesterday. She was 81 years of age and crossed the plains in the fail of 1850. She has been a resident of the Williamette valley since 1851, the principal part of the time in Marion county. She leaves a son, W. H. Powell, the contractor and builder,

Antelope Herald: A private letter re-Since the Roslyn bank robbery and the Maywood train robbery, the Northern Pacific Coal Company has taken extra precau tions to pritect the money that is sent over monthly to pay off their employes at the coal miss. When the Reign branch gives us the sad news that another of Mr. Butterfield's little children died last week of diphtherin, and that its mother is also very near to death's door with the same malady.

Since the Roslyn bank robbery and the Maywood train robbery, the Northern Pacific Coal Company has taken extra precau tions to pritect the money that is sent over monthly to pay off their employes at the coal miss. When the Reign branch the thermometer is ranging around zero. This is not the weather to induce any waster of force in any direction, whether me it all or physical, and the most intricate problem is vou would le interested in a cancellation of your morigage or reduction of interest. To ceived from Eogene Looney last Monday informs us that they have about three inches of snow up at Bridge (reek and

The criminal courts of Portland have been grinding out convicts at a rapid rate during the last few days. W w. Smith was sentenced to three years in the penilentiary for shooting Sam W codworth on the morning of December 15th in a sale weight of the continent. We weather bring the "oldest inhabitant" into prominence, and he unwinds a monstrous long yarn regarding winters in early days and severe Februaries. After insteaming attentively to his long and sate that solid, substantial and reliable loan company—the New England, will be of value to you. The company may be addressed at the Oregonian Build-

A man boarded Monday night's west-bound passenger train at Baker City and hortly afterward the conductor went tround to take up tickets. The man had none. He was told to get off at Haines, and when the train neared that station he went out on the platform. A sudden gnst blew his hat into space, and although the train was running forty miles an hour he promptly jumped after it. He landed on his head and was badly hurt. The train picked him up and

contractors are being negotiated with; adventure a few days ago which came near

The state reform school near Salem, though it is an admirably conducted institution, does not seem to have special charms for some of the bad little boys days ago, says an Oregon City paper, two broke away from the school and started down the railroad track for their home in Portland. The first night they slept in a pile of ties near Salem, and Monday night they tried the same kind of feathers near Hubbard, but Superintendent Smith was after them and by noon of Tuesday they were found and captured at Canby. To keep their muscles in practice, they were marched back to Hubbard, where they took the evento Hubbard, where they took the even-ing train back to the reform school.

From Thursday's Daily. Rev. J. W. Adams, of the United Breth-ren church of Dufar, is in the city. The late severe weather has been

Several have crossed the river on the ice to-day, and horses and cutters have also made the trip to Rockland. The Day Bros. are making preparations to begin work at the Locks as soon as the Inland Empire, and the thirsty earth will

hard on cattle, especially if they are not well fed and in good flesh.

present prevent any wo k being done on the canal, but when the winter breaks the Locks will be the liveliest point in the

The weather is still a conumdrum, and it is a matter of great difficulty to solve the problem whether there will be a chinook or The snow had drifted to a great depth in

the roads leading to the interior before the torm of last night, and to-day they have een impassable in places. "Snowball" Patton, who has been serving

with a razor, was released last evening and left town on the afternoon train. The protracted meetings at the Methodist hurch will close this evening. There has been a good attendance, and a better religous feeling pervades the community.

Man shot this morning at Herrin's photo gallery. He said it was the best photo he ever had taken. Both the patient and the camera were resting easy at last accounts. John Winter was brought from the Locks to-day by constable John F. Trana He was sentenced to thirty days in the county
