At the time of his death he was living in an outbuilding upon the place of D Paine. He was killed by shots evidently fired from a rifle. In front of the door was a large rail, which has evidently been used to break into the cabin.

Miraculous Escape From Death. CHEHALIS, Wash., April 15-John Long his afternoon attempted to board a rapidly moving engine at the depot. He slipped and fell between the platform and the cars and was dragged about 50 feet bank's funds, was in the police court this before the ttain could be stopped. When picked up his clothes were torn to shreds is attorney, W. W. Foote, his case was and his face and head gashed in a half continued until next Thursday. Flood | dozen places. One ear was torn off and hanging by the skin. The body was covered with cuts and bruises. Strange to say, not a bone was broken nor was he endered insensible. He was taken home after the wounds were sewed up and was able to walk about without assistance The young man is about 23 years old and a nephew of Senator J. H. Long.

An Inquiry is Aksed.

WASHINGTON, April 15-The recent reports about a gigantic smuggling scheme on the Pacific coast has stirred up the officers who were alleged to be implicated. Attorney Mays has telegraphed Senator Dotph that it there are any charges pending against him, either in the treasury department or the department of jus tice, that he wanted a speedy investiga tion. Senstor Dolph visited both departments today and found that they had on knowledge whatever of the recent reports. The fact that different Democrats want a change in the federal offices in Oregon might have started up these re-

Dragged Eight Miles.

ELSINORE, Cal., April 15-J S. Craword, a well known livery man of Elsinore, met with a shocking death last night while returning from South Riverside, whither he had driven yesterday morn ing. The team came to the stable dur ing the night with Crawlora's body fast between the front wheel and the pole, having been dragged in that position eight miles. Nothing definite is known as to how it happened, although a jugged blood stained stone which was found in the buggy would naturally give rise to the suspicion that he had been waylaid and knocked from the vehicle.

A Young Man's Suicide

SEATTLE, April 15 -William H. Sanoru, the 18 year-old son of a wealthy merchant, shot himself through the heart younger brother. The cause is not apparent, but is believed to be over a love father's eyes as he entered the room was his son stretched at full length, with a revolver in his left hand, gasping his last, Killed by the Train.

It is reported that Geo. Moses, Kip Kapelicau, Rev. Wheeler and Neha Mier, are now en proof of the productiveness of Oregon cli-mate. While rambling through the brush in search of his sheep, Mr. Jos. Hums, who lives near town, found an old ewe who had mothered four lambs. He gathered the lambs up in his arms and took them to the route to Washington to lodge complaints.

They will, however, find the department unsympathetic. The policy of the governiouse, where they were warmed and given ome milk, and at this writing they are fat

and growing nicely. Another "healthy" item is in regard to the killing of a hog recently by a sentleman near Rock Hill. The huge swine measured six feet and eight inches around the body at the heart, and yet some people maintain the idea that you can't raise hogs in Oregom. The longest span of the great cantiever bridge of the Great Northern Railroad over the Columbia river at Rock Island is at last completed and the whole eering skill in the history of railroad

Aledo Record: Some newspaper men are terrible prevaricators. One of them writes about a cyclone, stating that it turned wrong side up in the state of Mississippi, turned a cellar upside down in Wisconsin, moved a township line in Nebraska, blew all the staves out of a whisky barrel in Iowa and left nothing but the bung hole, changed the day of the week in Ohio, killed an the day of the week in Oho, killed an honest Indian agent in the west, blew the hair off a baid-headed man in Texas, killed a truthful lawyer in Itlinois, blew the mortgage off a farm in Kansas, scared a red headed woman in Michigan, blew all the cracks out of a fence in Dakota, and took all the wind out a politician in Missouri.

lying between the eastern line of the right-oi-way of the Columbia Railway and Navigation Company and the make love to men, were voted down. and Navigation Company and the Columbia river, that is to say the eastern line of the said right of way and the water mark of the Columbia river on its

The recent cold weather has dec volume of water in the Columbia river. There has been frost every morning or the creek bottoms during the past week. Mr. Henry Hadson, of Dafar, is the only epresentative of that town we have seen on our streets to-day.

being clothed in their garments of gree The Dalles still retains its reputatation being the most beautiful spot in Easter
