From Wednesday's Daily Mr. W. S. Cram, of Portland,

The run of salmon still continues very light, and no improvement is expected until the weather becomes warmer, and the water decreases in volume. Col. Pat. Donan, whose address before

the editorial association in session in this city last October was so highly appre-ciated, passed through The Dalles on the ciated, passed through The Dalles on afternoon train to-day en route east. The members of the Medical associacity during the past two days, exp:ess themselves well satisfied with the meet-

Prineville, returned to-day from a three weeks visit at Yakima. He says the

country is in splendid condition as regards crops, and since irrigation has been intro-duced the land has proved wonderfully pro Twenty horses were drowned yesterday in attempting to cross the river at Wal-lula. They were on the ferry boat in the center of the stream when the craft can-

The men fortunately extricated them-One lone, solitary sheepherder became too hilarious last night, and found his way in the city jail. He was content with his lodgings, and this morning made no com-plaint about the fine, but left contented It is only occasionally that he visits the haunts of civilization, and when he does he is determined to have a good time.

Hon. J. C. Luckey, agent at the Warm Springs agency, arrived in town to-day. He says the crops are in good condition on the reservation, but crickets are eating them as rapidly as possible, and, it is feared, they will destroy them entirely. This is yery discouraging to the Indians, who expected this year to have good re-

From a letter received to-day we learn that Dr. Hollister was at the entrance door of the old Ford theatre, with a guide, escaped injury by being a minute too late. As it was, the doctor was covered with dirt and plaster from the falling walls but appreciates the fortunate circumstance

causing a complicated tracture of the right leg. The limb was broken in two

The following advertisement appears in an eastern journal: Oregon is the para-dise of farmers. Mild and equable cliclones, blizzards or severe storms of any kind. Certain and abundant crops of grains, grasses, fruits and vegetables. No failure of crops has ever been known. Full information furnished free by the Oregon State Board of Immigration, Portland, Oregon.

The baccalaureate sermon last evening at the Baptist church attracted a fair audience of members of the Alumni of Wasco Independent academy and friends of the graduating class. Mr. Whisler ed a very able discourse, which the schools in the county. He has been was replete with good advice to those who were about to enter upon the active duties marked attention by all present, and no

A few days ago a man by the name of Leslie Wise, of Davidson county, South Dakota, arrived here, says the Baker Democrat, and his strange actions caused his arrest by the sheriff on a charge of insanity. The man talks incoherently; imagines he is a deputy sheriff on the trail of an embezzler; has several traudulent checks in his possession which he claims were forged by the fellow he is after. Yesterday morning Judge Campbell caused an examination of the man to be made by Drs. Biggers and Snow, who ounced him insane and he was sent

The nominations by the president of Daniel J. Murphy, Thomas J. Black and Henry C. Grady to the positions of U. S. district attorney, collector of customs and U. S. marshal created considerable sur-prise among Democrats in this city, but were generally approved. Murphy was never considered on top, and the orinion expressed by the correspondent of the Oregouian a few days ago of his downfall was considered about right by many local politicians. Black and Grady were always considered prominent candidates, but Blackman, of Heppner, was thought to be the favorite from Eastern Oregon. But the plums have fallen in unexpected direct ons, and the inevitable will be

A 1 o'clock this afternoon a lunch wasr spread in Keller's confectionery for the visiting physicians and invited guests. There were about fifty chairs around the table, and each was occupied. After the tefection was partisken of several of the newly elected officers of the association were called upon and responded. They all appreciated the manner in which they had been entertained, and would kindly remember The Dalles and its citizens. As the time was limited there was no toast master, but each appeared to enjoy the occasion. At the hour of 2 o'clock Dr. Ruehart announced that the train would be in waiting at the Umatilla House, and there would be accommodations for all who desired to go. Quite a number of those present availed them-selves of the privilege and paid a visit to Celilo and the fish-wheels in that vicinity. They returned in a little over an hour, and took the afternoon train for Portland.

From Thursday's Daily. Hon. W. R. Ellis, wife and child, Heppner, are in the city.

Messrs. Wm. Shelly and Thos. Walsh, Celilo, were in the city to-day. Mr. and Mrs. M. McKenzie, of Grant, Mr. Frank Gabel, the sheep king of Wapinitia, has been in the city for two or three days.

Mr. F. M. Bixby, formerly of the Wasc News and Moro Observer, gave us a call this

Capt. H. E. Mitchell, inspector general third regiment, O N. G., is registered at the Umatilla House.

The ticket nominated last night seems to The city jail did not have a single occu-pant last night. In these times of financial depression money is too scarce for sprees to be of frequent occurrence.

The county jail had its first occupant last night for many days in the shape of a United States prisoner, and he was arrested for selling liquor to Indians. Mr. T. J. Driver, of Wamic, came in

to report in his neighborhood, but that the outlook for crops continues good. The people of Goldendale are making ex-

tensive preparations for a grand ce ebration of the coming 4th of July. Committees have been appointed, and a large amount of money has been subscribed for this purpose. Miss Annie O'Brien, of Centerville, Wash., is stopping with the family of Mr. Phil Brogan in this city, and will remain during the summer and attend St. Mary's

done anywhere.

The annual excursion and picnic of the cial mention, and each m mber of the of the school acquitted herself with great railway conductors will take place at Bon-neville on Sunday, June 25th. Every prep aration has been made for the enjoyment of aration has been made for the enjoyme sons participating, and the grounds will be prepared with swings, etc., for the Cascades.

Mr. Henry Liebe, who has just returned from the Kootenai country, gave us a call this morning. He speaks very encouragingly of the mining prospects in that coun try, and says times were very good until the recent failures of the banks; but since money has not been so free as before.

Ah Wing, a Chinaman in Beaver Head county, Montana, killed three other China-men. He was sentenced to the state prison for life and has served three years. Being

onfined in the pententiary, Ah Wing was prevented from registering, eyen if he desired to do so. He has instructed his lawnot paramount to any act of a state, and whether under the Geary law he should not be deported to China.

Thomas Kay, president of the Salem Woolen Mills Co., started for Alaska on Tuesday last for the purpose of introducing Salem's manufactures to the Aleut, and to the few thousand white men and officeseekers who occupy that corner of the United States. The principal demand from Alaska is for blankets and robes.

This week has been a busy one at tockyards of R. E. Saltmarshe & Co., and the employes have been constantly employed. On Monday there were sixteen carloads of sheep shipped to Chicago to furnish mutton to visitors at the world's fair. There were two carloads of horses sent to the Willamette valley Tuesday, and yesterday there was a carload of cattle sent to Olympia, Wash.

Heppner Gazette: Last Saturday morning Henry Ham, who had been working some time for Dan Osmers, left without warning or notification to anyone, leaving the salo closed, and since that time no trace of him has been found. Before leaving he went to J. H. Kolman's and gotta revolver that he had left there. He took nothing with him not his own, and fears are entertained that he has wandered off while suffering from temporary aberration. He is a ca penter by trade and was a sober, industrious

ur reporter found it crowded to the rafters with wool, and wagons being unloaded con-stantly; but notwithstanding the large receipts no sales are reported, and quotation are not given There is a lack of confidence in the present administration of national af-tairs, and a feeling of fear is manifested that free trade will be a opted and the financial policy changed. This has unsetraw material to be a drug in the market.

North Yakıma was gaily decorated yes fifth annual encampment of the Sons of amp fire attracted a great crowd. Active canvassing is going on for positi n of commanders of the department which will be decided to-day. The most prominent candidates are J. N. Scott, of Port Townsend, J. F. Sinclair, of Ballard, and I. J. Litchenberg and J. W. Langley, of Scattle.

There was great excitement at the Eas End this forenoon, caused by a young man riding a bucking horse. The animal was a mild, meek appearing cavuse; but when fully aroused to action could twist herself into on a building near the electric power house, fell from a scaffolding this afternoon a distance of about this afternoon a distance of about the several feet in the arrange that action could twist herself into more contortions than any circus tumbler we ever saw. At times she would jump noon a distance of about the several feet in the arrange that the several feet in the several feet in the several feet in the several feet in the arrange that the several feet in the several feet in the arrange that the several feet in the several feet in the arrange that the sev double somersault act without a vaulting board. All this time the young man appeared as though he was glued to the sadplaces between the knee and ankle, and it dle, and it was impossible for the cayuse to will take some time to mend. Dr. Rine-hart was called and attended to the inju-for a team standing near, and the rider only missed being jammed against the tongue of a wagon by an inch. After it was all over the young man said the horse would be gen-tle to ride after a little while; but any aniseemingly without any prov cation is not to
