The Times-Mountaineer

A SCANDINAVIAN SPEAKS.

SATURDAY SEPTEMBER 16, 1893

If the following had been published in a Republican paper, Democracy would have howled "knownothingism", counted for. The house cost \$2500. It is and Democratic editors would have supposed to have been insured for \$1800. written long editorials to prove that Republicans were enemies to foreigners; but this is taken from the co!viction that is daily taking stronger root in the minds of the people and is zens:

"In our large cities hundreds of farm labor is completely glutted. termittance.

"This condition of affairs is crimi- beast was tired out. It requires nerve nally absurd. It adds to the difficul- and the exercise of courage to ride one of ties of the present situation; it intensi. these wild horses, but Eastern Oregon fies the sufferings of American work- boys are equal to any and all emergeningmen; and recent events suggest that it is a menace to the peace of society.

"Fortunately the remedy is near at hand. Immigration should be suspended at once, and the gates should industries of the country shall have recovered their normal conditions The country owes this as a duty to its day checks. own breadless children and to intending immigrants as well.

"The watter demands immediate at tention. Congress may take action on this subject while the repeal discus- sinful place. "Zebedee" did not meet her, sion is going on."

The present administration must b held responsible for the lack of enforcement of our immigration laws, which are sufficiently stringent to keep must be held responsible for the recent increased influx of foreign laborers. During the last month of President

Harrison's administration the laws were so enforced as to exclude all but was keeping company with Miss Olive Howabout 12,000 immigrants. Lixing of and against the wishes of the parents of the administration increased the number girl. Last Tuesday evening the young to 300,000 during the first four Miss Howard had returned home, the young months of President Cleveland's term | man was hunted up by the mother and se--an average of 75,000 per month verely caned.
