pany of Hood River valley, a corporation, plaintiff vs W. R. Winans, defendant, the follows: First, That the plaintiff is legally Mr. Carr in looking over the situation con cluded that he had not been dead ever twenty four hours and no u e of empaneling a jury at a large expense as all indication went to show he died from natural causes.

Green Arnold, who died at La Grande last Wednesday, is well known to pioneers for the purposes mentioned in its complaint; that plaintiff is entitled to take condemned to its use the flow of all of the waters of Dead Paint creek at the continuous and considered. The tour will be carefully examined and considered. The tour will be quite an extended one and will require this committee to travel over a great distance before priation. Third, that the defendant is

ington, D. C., in an interview concerning W. T. Williamson, J. A. Richardson and the country, the workmen have an object lesson they cannot torget. The present condition of affairs is sufficient for them, and they care nothing for theories. In my a new form of entertainment, the onion so-ciable. Six young ladies stand in a tow, and one bites a chunk out of an onion; then precipitated this stinging rebuke."

Condon Globe: Capt. H. N. Frezer, having been detailed by the commander-incomplied with the instructions of the head officer. Members of the Fossil company were ioth to daband, deeming that the commanding officer had not acted justly in the matter. Not being familiar with affairs relating to organizations of this kind, al-though acting as escort to Captain Frazer on his mission of disbandment, we are act in a position to explain the situation.

while freighting supplies into the Susan-ville country, met with an accident, which crippling another. He was returning from the Paulleton country, and at some point between the Middle and North Forks, he decided to pack his load on horses five miles to in preference to hauling it over a rough road the distance of fifteen miles. While following the trail along a steep mountain side, one of his pack animals lost its footing, and being tied to one or two others, took the entire pack train rolling down the mountain with result as before stated.

In regards to the disposal of the state building and exhibits Governor McGraw says the state university at Scattle, the agricultural college, at Puliman, the normal school at Ellensburg and the State Fair Association, at North Yakima are to select from the exhibit what they desire. The building and the remainder of the exhibit have been tendered to the Chicago Memorial Art Association, but the acceptance of the gift depends on whether authority is given the South Park commissioners by the people to accept buildings and keep them in Jackson Park as a fixture. If not

Marion County Democrat: The followling evtracts are from letters received by Captain S. B. Ormsby, of this county, from H. J. Ormsby, of Black River Falls. Wis., and Captain Thomas B Tuttle, of Carthage, Missouri. The first says: "I was greatly surprised at Oregon's exhibit at the fair. The fruit especially was simply grand." Captain Tuttle says: "I visply grand ing evtracts are from letters received by Hon. C. H. Finn, an attorney o' Union county, is in attendance on court to day.

The Sunday Welcome figures that Oregon paid over \$3000 each for its ei hteen gold medals captured at the world's fair,

Jail Break. The Eugene Guard says: When Mar

shal Eastland went to the city jail this morning to furnish Jessie Busch, the dissolute girl sentenced to ninety days in that institution, her breakfast, he found the door wide open and the bird g ne. Some party from the outside had taken a stick of wood and knocked the door io, breaking the inside easings of the lock. The girl ha not been locked up in the iron cares, but allowed the freedom of the corridor as it has been quite cool and the stove was so situated that a fire could not be kept burning by one in the cell. The front door was a weak flimsy affair and took little force to open it. It is thought the break was made about I o'clock this morning, as a noi-e was heard in that direction about that time, by several persons. It is but due to s ate that Policeman Matthews had gone for a doctor or a farmer, who was taken suddenly ill,

sence did not hear the racket. The city officials are not particularly an xious to recapture the Busch girl, as her escape is a good riddance to the city, but they will make every effort poss ble to detect the person who broke the door open, and thereby committed a penitentiary of

This girl was arrested yesterday at the Umatilla House, and a dispatch sent to the sheriff of Lane county. She gives another name, and says she is not the girl who escaped from the jail at Eugene. The marshal has her under surveil ance, and she will be given to the custody of the officer as

damage. | r. Brosius was c lled and at-Roseburg Review: News reached here several days ago that "Gen." Holmes had bee robbe again in tamas valley, but it is so difficult to obtain news from that place at this time of the year that only meager details were received by the Review until to-day. The report got out that he had only recently been paid \$5000 by George Smith, who had purchased his remaining real estate some time since, and that last M nday night an unk own arty broke in the door of his house and with a drawn pis ol terrorized him int giving up all the money he had, about \$6000, which was se-

and has since removed down to George Smith's, where he is being cared for. It is said though that he only had \$2000.

Rev. John Whisler, pastor of the first Methodist church in this city, is confined to Thomas Prior, indicted for ecks at the Cascade Locks, pleaded not miley this morning. Uncle Joe Woodford gave us a call this ternoon. He feels as happy as ever, and s still a strong protection Sheriff Ward left for Salem this morning, having in custody August Strom, who was sent-need to the penitentiary for ten years.
