A Fatal Accident. from Eugene, Thursday, March 15, about 1 Picking oranges gave them easy if not prof-Picking oranges gave them easy if not prof-itable employment for some time, and they feet of logs for the Harrisburg mill. The water in Mill creek was very high and the current strong. The loggers were employed breaking a jam at an old drift. The logs started, and a long log shot out on the bank Wagonblast, returned, and he is a veritable just above a tree. The moving logs caught the end remaining in the creek and awang the other end rapidly up the bank, the tree adventures in the wonderful southland, and forming a fulcrum. Crawford was standing considers himself competent to battle with on the bank and was caught by the log and the ills to which flesh is heir. His next journey will be towards the sound, and his destination at present is the great and crushing his skull and killing him almost growing city of Scattle. He laft the other instantly. A companion standing near caught his legs and saved the body from being swept into the stream. Crawford was 30 years of age, and leaves a wife and four children. He was an industrious man and highly respected by his neighbors.

Last week several of our citizens began many of our residents the grass is green and tation, and only inconvenienced pedestrians in yards should be in full bloom if the usual frequently after the 19th of February, and white with the mantle of winter. Winter spring, and apparently still holds sway on the neighboring hills.
