ABSURD AND UNTRUE.

The Democratic party is in a dilemma to account for the present financial depression without acknowledging that it is due to the mistaken notions inculcated by its leaders on the economic policy to be pursued by national administrations, and as a last resort say the business stagnation is due to the protective policy followed for the past thirty years. 15. Phebe L. Ha "C. I. Hood & Co., Lowell, Mass.; "Dear Sirs: Twenty-five years ago I had a billous fever, and later it turned into typhoid fever, and for five weeks I lay like one dead, but at last I pulled through and got up around. I soon discovered on my left leg just above the knee a small brown spot about as big as a three cent piece, which puffed up but did not hurt me or feel sore. I did not pay any attention to it until two years after, when it commenced to spread and have the appearance of a ring worm. It itched and burned and I commenced doctoring, but to no avail. I
