The Times-Mountaineer

SATURDAY DECEMBER 22, 1894

AGAINST WOMEN.

Mr. and Mrs. Frank Softranand arrived from Portland on Wednesday morning, says the Heppner Gazette. Mr. McFarland is rapidly recovering from the effects of his recent illness, caused by appendicites, which is quite gratifying to his many friends in this and other counties. His en-tire recovery is but a matter of time, In his address at Central Music Hall, Chicago, Wednesday evening

National Civil Service League, spoke unsparingly of Secretary Carlisle's Walla Walla Union: A large audience ists in the "Jolly Old Chums" Thursday in the opera house. Every member of the company proved entertaining and the many local hits were a feature of the performance. disregard of civil service rule, says an exchange. He arraigned him first for hould the troupe ever return to this city an act of gross nepotism, and then again they will be accorded an enthusiastic

charged him with carrying into effect The Port Orford Tribune has meager resome of the worst workings of the ports of a duel on a trail slong Pistol river, some of the worst workings of the spoils system. This included the mat-ter of removals, reductions and ap-pointments, all of which have been influenced by outrageous partisanism. Mr. Schurz neglected to point out one Starr, but so far without avail.

especially aggravated feature of Mr. Carlisle's administration, and that is his cowardly and unjust discrimina-tion against the women employed in the various departments within his jurisdiction. During the recent cam-paign in Illinois, in which women ex-paign in Illinois, in which women ex-

ercised a partial franchise, the Demo-cratic party, with an eye to votes, posed as the friend of women. At the same time, Mr. Logan Carlisle in Wushington, a special representative of the essential principles of Democ-racy, had declared war without quar-ter moor the momen in the sentence. ercised a partial franchise, the Demoter upon the women in the govern-

ment service. The salaries of those who had suc-cessfully passed the required examina-tion for appointment and subsequent promotion were greatly reduced, in promotion were greatly reduced, in some instances from \$1600 to \$1200, and the deficit has been parceled out and the deficit has been parceled out among Democratic male voters who could not earn their living in any call-ing that demanded the exercise of brains and energy. As a Washington special published a few weeks ago stated, one of these clerks, a Miss Holmes, is a woman of such ability Holmes, is a woman of such ability that, although she receives but \$1600. when she is absent on her vacation her work has to be done by a man receiving \$1800 who has an assistant to help him. Mr. Logan Carlisle, the dispatch also stated, had said specifithe end, and that by the end of the start the block 4, Cascade Locks; present administration not one woman would remain in office. This means that their places will be filled by Democratic men with Democratic votes and an inclination and desire to "work provisions to his sheep camps. for the party."

It is aside from the question that many of these women clerks who have vithout license-and three civil cases. been thus robbed by Mr. Cariisle and his subordinates are widows supporting families or daughters supporting Their wants, their estimony of Frank Klein. struggles, and their self-sacrifice are not taken into account, but it is true certificate of the 1891 series, abroad. As are efficient and conscientious in their work. No class of wotious in their work. No class of wo-men have been so shamelessly slan-bill for the next legislature, providing that dered as these clerks, whose ability and personal reputation has been ques-

difficulty in apprehending the belligereat Amszon, as she took leg bail and put conthe most earnest manner: "No, 1 do not use it any more. I became convinced that siderable distance between her and her pur-sners, and at 4 o'clock she had not been I must quit it or lose my scul's saluation and thought it best to choose the less of two evils.

Mr. and Mrs. Frank McFarland arrived The first gate in the canal at the locks will be placed in position this week, and work is being pushed forward as rapidly as

possible. Visitors to the locks now say they can realize the canal and locks are being completed. This is undoubtedly the best outlook for years, and our people are very

much encouraged at the prospects Two companies of five or six persons each itizens of this county, are being organized

tobacco any more." The man answered in

for the purpose of trying to extract gold from the sands of the Columbia river, says the Goldendale Republican. One of the companies will operate with a new gold saving machine recently invented by a arrived in this city on the morning passes ger train

This company will commence work on a bar near Coffield's place. Both parties expect to be at work as soon as the frost permits lourishing at Goldendale; but when he left this morning it was snowing. next spring.

From Tuesday's Daily,

Yesterday snow fell to the depth few inches in Sherman county.

Sufficient snow tell on the surroundin hills last night to give them a wintry Eastern Oregon will sow a large acreage covering. Friendship Lodge, No. 9, K. of P., of this city, conferred the rank of Esquired

on four Pages last night. A person who has just returned from a tour of Sherman county informs us that there is fully one-third of the grain that

has not been marketed. Marriage licenses were granted by the Fannk Klein, who was taken to the peni

county clerk today to Mr. A. C. Carlisle, of St. Louis, Mo., and Miss Emma E. Lay, of this city; also to Jacob Lenz and Clara B. Knox. In the matter of the postoffice robbery i his city no warrants were ever served on Frank Klein or Otis Savage. The state had them in custody, both having been convic-

ted of a crime in the circuit court. The mud in the streets has been Mr. Jos Knebel, on his farm about three churned by passing vehicles until it is miles south of this city, caught a very large

the consistency of mud. Street-crossings are in a terrible plight, and could be improved by being swept clean. The town of Grant is rebuilt in a more

ubstantial condition than ever before The railroad depot is a more commodious building than it was, and is situated near the distillery buildings. The cagle is the king of birds, and he does not like to be deprived of his freedom. here was one arrest male last night of

a drunk and disorderly individual. Very many of our farmers on Mill creek spent the nocturnal hours in the city jail, and this morning the recorder fined him

sistent, for if they did not believe Klien's test mony squarst Sayage and Gibons they should not against himself.

Col. Freeman and Major Jones In-spected G Co. and the officers of the Third From Mon ays Daily Rain, rain! A gloomy, depressing webloot rain preyailed all day, and our citizens are not joyful or happy. regiment last evening at the armory. The boys stood the inspection in good style, and acquitted themselves with credit.

The examination of Dr. Dietrich this afternoon before Justice Davis attracted quite a number of citizens from Dufur. The same can be said of the officers. Notwithstanding the low price of grain the farmers in the great wheat belt of Sherman county are not discouraged. They are hopeful that wheat will appreciate in price, and they will acquire wealth from The following deed was filed with the

the products of their prolific soil. In Australia horses and cattle are now being branded by electricity from storage batteries. The temperature is uniform and the brand safe and artistic. The masquerade ball to be given by Wasco tribe, No. 16, I. O. R. M., on Dec 31st of this year promises to be the great vent of the season Neveral very handsome suits will be worn on that occasion Yesterday Mr. Thos. Fargher, the sheep king of Tygh ridge, took out to his farm two new sleds, which he will use in hauling and the characters assumed will be very

The United States found a true bill against Jack Hawthorn, yesterday, for mur-der in the first degree for killing Carpolia, in Indian policeman on the Warm Springs reservation. This is the man he killed while ty of bat 24.33 per cent.

"Diphtheria is not a self-limited disease, bing Mays and Crowe's store, It is always dangerous. If treatment is There are three boats engaged in the bery case in this city, in which Otis Savage and Ratph Gibons were implicated by the Snake river trade, which are making daily commenced early to guard against its extentrips removing the vest crop of grain in that region. These will continue running until Jan. 1, 1895, unless navigation is stopped by Editors will please take notice that there and saye life. An Honored Veteran. The Postmaster of

Kokomo, Cured of Heart Disease.

G. W. McKINSEY, Kokomo, Ind.

Grateful

Men and Women of prominence, and those serving their country equally well by being simply good citizens, good husbands and good wives, show their unselfishness by the anxiety manifested, when, having been cured of Heart Disease by Dr. Miles' New Heart Cure, their first wish is to reach some other sufferer with the good news.

G. W. McKinsey, an honored veteran of the war, and until re-cently, postmaster at Kokomo, Ind., writes under date July 26, 94: 'I am constantly getting letters from all parts of the United States, asking for information of how I was cured of Heart Disease. As I had been severely troubled with Heart Disease ever since leaving the army at the close of the late war, I concluded, some two years ago, to give Dr. Miles' New Heart Cure a The first bottle made a great improvement in my condition, trial. and five bottles completely cured me, and I have not had a symptom of the disease since. I am rejoiced to know that my testimonial has induced others to use your remedies, and am glad to answer all inquiries for the sake of suffering humanity." And J. R. Bigelow of Webster, Mass., writes on June 15, '94:

One year ago I was so feeble from heart disease I was obliged to retire from business, and my physician said there was no chance for recovery. * * * * As a last chance I tried Dr. Miles' Heart Cure. t gave me instant relief. I am now well and in active business."

tioned by men who oppose them because they are holding places which could be filled by voters who could make some political and partisan re the armory this evening. turn for the influence that effected by their appointment.

Here is a prolific field for the work of the National Civil Service League in its present session, for it is to be borne in mind that the women employed in the public service in Washington, while without direct political influence, represent all shades of political belief. They are from the political belief. They are from the east, west, north and south, and there are scores of Democrats who were ap-pointed under President Cleveland ten pointed under President Cleveland ten years ago, whom no one thought of charged. disturbing when the Republican party again came into power. No such con-and are now prepared to attend to the wants certed movement against women has ever been known as the present administration has set on foot and tac-

itly sanctioned. If the league shall administer such a rebuke ss is not likely to be forgotten it will not only serve the ends of right and justice but it will commend itself to all reputable people in the country and will make an immense stride forward in their confidence and respect.

ITEMS IN BRIEF

From Saturday's Daily.
