Gailty as Charged.

MINNEAPOLIS. March 8-The jury's verdict in the Hayward case is "guilty as charged " The verdict was kept a secret while the prisoner was being conducted back to jail.

No one was a lowed to leave the court

house, and immense crowds gathered The judge's order that no one should be allowed to enter or leave the courtom until Hayward was safe behind the hars was effective in preventing trouble. When word was brought back that the prisoner was safe the verdict was read. A poll of the jury was demanded, and has been represented to be wholly in the without besitation cach man answered south and east. guilty." Up to the time the verdict was read counsel for the defense extressed the greatest confidence in his acquittal. Hall, assistant county attorney, moved for immediate sentence, but, owing to the absence of Erwin, the passing of sentence

was postponed until Monday morning at

Ewin floished his argument for the defense today. He pointed out that the loan Harra Hayward made Mis- Ging had not been attacked in the evidence except by the losp of Blixt. The validity of this loan was a citadel of defense. It was evident that had the police machine been properly set in motion the mysters surrounding Miss Ging's behav or would have been solved in a manner consisten with the poble character of the girl, and an innecent man would have been relieved from the charge under which he now rests. In c'o-ing, he said this was

the most monstrous persecution in It took Judge Sengrave Smith 4 minutes to read his charge to the jury He declar d the verdict must be guilty as charged or not guilty. If the delend ant was gui to it was premeditated. He explained the reasonable doubt theory at great length. He continued: "It is necessary for you to be satisfied that Birt killed Miss Ging; second, that Farward incited him If when you re tire you are sattefled that Bigt killed the girl, you may proceed, if got, do not conder the verdict further, but if Harry did incite as charged, your verdict will

The charge was perfectly salisfactors to both sides and no exceptions were noted. The ruling passion in Harry H-rward was arrong in death He p aced a het of \$10 h s morning that a also ordered. Counsel for the Indian verdict of arquirial would be reached in

ide of two hours.

River Biesmer Sunk. CINCINNATI. March 8- During a neavy tog this morning the steamer Long fellow, belonging to the Concinnati, Mem pas & New Orleans Packet Line Com pany, going to New Orleans, 'n some way not yet clearly explained, 'out her course,

crashed against a pier of the Chesapeake & Onio railway br dge and sank. Her 26 cabin passengers were all rescued by the company's hirhor boat. Hercules Carrell, except a lame man named Aldrich, of Cieveland, who is mis-ing. Those of the crew who are missing are: Captain I Lawrence Carter;

second mate, name unknown, and three roustahou's, also unknown, The steamer literally crumbled pleces immediately following the colhaion, and sank, how first

The Longfellow was valued at \$22,500 and insured for \$15 000 She was carrying 500 tons of freight, The real cause of the accident is said o be that the boat was unwieldy. The towhoat was sent slong with the steamhost to sid her in passing the bridges, and was attached to the stern of the steamhoat for the purpose of keeping the care and ran across the fle ds After

a running fight, in which several affots were fired, the officers succeeded in proved unable to do this.

Mony passengers were in their state he class of the whistle- of both bosts wak ped them and they burried on dick. The towhoat ran alongside of the stuking boat, and the passengers were

quickly transferred to it.
The Longie on was one of the hand sem at pickets on the Ohin. Second Cerk Colbert and Second Engineer Hart each had a foot crushed Divid Aldrich, of Rome, New York, who was lame; Cantain I L Carter, the clerk of the host, and James Miller, a colored porter. The others reported missing When he reached his cell after bearing the verdict, his first remark was, "By the steamer is one of these tragedies there

seems to be no means of presenting short of the removal of bridge piers.

Earthquake at Sen. SAN FRANCISCO, March 8-The earthporthern coast proves to have been a verinble terror at sea, according to stories to'd by the crews of the schooper. Polant and CT Hill, which have just arriv d theory arrived at by hydrograpic officers,

hat the shock was caused by some gi-The Volunt was holding un to a stiff preze about 52 miles off the Mendocluo coust, in the vicinity of Shelter Cove, when she encountered the shake-up. It took place a few minutes before 1 o'clock

on the morning of Murch 1 The sea had been ca'm ali night, but the breez kept came in the form of a deafening roar, which seemed to rise from the sea. In an ins ant the ocean was lashed into a mass of form and in spots it rose in great gever like co'umns The schooner stopped with a crash just as if she had timpers gr aned and creaked, and it was thought for a moment she was going down. Those on deck were knocked down as though they had been shot, and before the schooner had stopped trembling, Captain Erratt and those of the

Eight Men This Time.

WHITE OAKS, N. M., Merch 10 -- At 8 o'clock this moraling fire broke out in the who have just arrived from Cuba by change room at the hoisthouse of the Old steamer report that the insurgents have Abe mine, and in a few minutes the structure, a large and well bujit one, was a mass of flames. It was completely deof Havana. Hundreds of rebels, it is stroyed, together with the wood and said, attacked the garrison, killing 40 smith shops. The mill, 60 feet away, es-Spanish soldiers, and capturing a lot of caped without damage. The woodwork of the shaft was burned out and the hoisting machine destroyed. The damage rebels robbed the city treasury. This runs high up into the thousands, but the report is accepted here by asmusthisers | most distressing feature is the fact that eight men are impresoned in the depths whose fate is unknown There is little ground for hope that they have escaped -beilion. Heretofore the maurrection suffocation. It will not be possible to enter the mine to search till tomorrow.

ALBANY, N. Y., March 11-In a letter written to a state official by General George S Batcheller, termerly minister to Portugal, are details of a Loteworthy interview with the pupe. The pope expressed regret that certain new-papers and public men of America objected to his sending a delegate to Washington or sending out an encyclical, as tending to meddle with the affairs of a foreign gov-

"This is an error," said the pope. of the land in which they dwell. I sent s legate to America in order that I might be informed as to the character of American institutions and the peculiarities of he national and state governments, and, hove all, to reconcile any conflict, if there should be any, between the govern

ment of my church and the government of the land General Batchellor writes, "His ho'iness had no criticism to make on our school system. He said: 'I am informed that the liberal party controlling the state of New York chose one of our priests as a regent of the university, and am told two senstors of that great state epresent two creeds, one Protestant and one Catholic. How, then, can I complain t the institutions of America? The more I study them the more they please me. I have admonished all my people in America to refrain from strikes, and never resort to violence to redress

A Riot in New Orleans, NEW ORLEANS, March 11-At 10:30 a large number of white men appeared on street, and by threats and violence drove shots. No one was burt. Thirty or 40 shots were fired by the whites, and two pegroes, John Parker and Philip Fischer. were fatally wounded.

and St. Mary's streets, were being loaded by a crew of white men, but they quit away down the lever, walking up. When the two crowds met I heard several shots and no iced a panic among the blacks. Mounted Officer Miller, the only policeman on the upper portion of the whart at the time, heard the fusilade

negroes rusning to every direction, chased by blue and red-shirted white men, firing as they ran. The crowd of

It is known as the Parrott Ærial Navigation Co., and the principal piace of business will be Goldendale, Wash ing districts, feering a Japanese invasion | Mr. Parrott has a draft of the air ship, The steamers arriving at Shanghat are with two views-front and side. On the upper part are what are termed arrow planes, supported by aluminum bars, which spread out like the wings of a bird when the ship is in motion, and fold up when drogen chamber, 60 feet in length, which

capacity of 325 pounds. Two men could

sary. The lowest apartment consists of the oom to carry thirty persons. This car is In Ohio a divorce was recent'y granted fixed on a swinging pistform which works b-cause "the defendant pulled this au omatically, and adjusts itself to any position. There are three propellers, one will be used for velocity and for steering A decree was granted in Ma-suchusetts purposes, and will be worked by an engine, plaintiff awake most of the night quar- generating forty horse power, only weight 60 pounds. It is calculated the air ship Wisconsin man got a divorce will attain a ve ocity of about 60 mil s au because his wife kepi a servant girl who spit on the frying pan to see if it was ho: A Tennessee court liberated a wife hydrogen chamber and arrow planes, and it ecau-e "the defendant does not wash as expected the trial trip will be made about himself, thereby causing the plaintiff the middle of May. If successful, and there is no doubt on this point on the part In Pennsylvania a husband was re- of the projectors, several ships will be conlieved of the yoke of matrimony because structed. For fre ghting purposes the ship with defendant struck this plaintiff a now being built will carry two tone, and In Minnesota a decree was given to the larger ones will be put in the trade as soon

Salvation Army Colony. It is reported on good authority, says the bed and she likewise ron a knitting Yakıma Herald, that representatives of the

Sunnyside canal stockholders are in correspondence with General Wm. Booth, the "commander" of the Salvation army, in London, with regard to a proposal recently America. The plan in question is that the Salvation army found-instead of another of its famous "homes"-a golony noder the Sunny-ide canal, composed of a number of that organization's poor but worthy charges so the large cities of the east. It is removed hat 1000 acres have been set saide for the army for this purpose. These will be divided

Game Birds for Oregon.

Captain George Pope has just been adbound for the Columbia river, in the British ship Glenalvia, will bring for bim a number of pairs of Japanese quail, and that they build a road over the Taku Pass to the Port Angeles, in good shape. It is the inention to have these birds turned out in some favorable location in the valley, and it is hoped that sportsmen will show the little trangers some fittle forbearance in order hat they may multiply. A full description f the birds will be given when they arrive, which may be any day now, as the vessel is harbors will be her territory. All the If this effort to stock Oregon with game now en route to this port from the sound. birds proves as successful as the introduc-

good game will soon have a variety of Wood! Wood! Wood! A man from Texas writer for a personal letter and a photograph of the governor of nearest telephone.
