It is a ne ylomity of Ki math Fall-, as reported opastry that is filled with all kin is of will some food, offering to pay therefor, but country that is filled with all kin is of will the lady of the house, imagining that he game, inclu ling, as reported by him, e k, intended to assault her, alarmed the are willing to piece \$1000 in any bank in Origin that 100 tons of tish can be thrown and other animals, including lyozes. There different kinds of pear, mountain lions, deer neighbors and they set upon him, without making any inquiry into the facts, and are also the various kinds of fowl, Tre gave him a terrible beating. He still streams all have an abandance of trout and bears the marks of the whipping, and other kinds of fish. He penetrated into may never fully recover. As the case the wilds a doz in miles, and saw things that will be tried by a jury the facts brought filled him with wonder at the vastness of out in ev dence may be far different from the forest, and that any one should attempt those reported.

> A Fad Accident. Confess s His Crims. The Eugene Gward of Monday has the Sometimes an housest conversion causes a ollowing: A very sad and what will adividual to couless his crimes, and the probably prove to be a fatal accident following case is reported in a Seattle disoccurred about four miles southwest o

patch of March 13: Eugene on the farm of A. Kosterman. "The first case of an accusing conscience It seems that a brush fire had been off senced by relig on, that ever came to the kindled in the near vicinity of the house, notice of the federal authorities in this city and one of the children, a little girl was brought to light last Monday alternoon, some four or five years old, while playwh a Thomas Gorman, a big troom alder

ing, in some manner came in contract by trade, walked into Commissioner Emwith the flery element, and the little in ery's offices and asked Unite | States District Attorney Brinker to have a warrant noc nt was almost instantly wrapped in issued for bis arrest for counterfeiting and fames. Before help arrived the child's passing counterfeit coin. Gorman said that clothes were almost entirely burned auccess. It soothes the child, softens the

A Nebraska Sufferer. Mr. Harry Mapes, one of the contributors to the Nebraska aid donation, has received a letter of acknowledgement from Floyd A Thayer, of Burwell, Nebrasks. Mr. Thayer says: "Sir-I saw your address on a sack of four that I received as aid, that was sent here from Oregon. I will say that I was glad to receive it, and thought I-"I live in Loup county. It is a very poor part of the state; but land is very bigh in other parts of Nebraska, consequently people come here to buy cheap

homes; but fortune has been against all would be killed. Rigers made an effort them the last two years on account of at last to pull his boot off, but not until both sticks of powder had been entirely consumed and his leg badly burned, from several families in this vicinity that are the effects of wh ch he is now laid . p for suffering for f od and clothes. When repairs, but he is not seriously injured. have to stand back. while the wealthy

rush in like a lot of hungry wolves. The -the bad habits and early vices of young men and their dis-"Hoping it may never be your lot to men she then the astrous consequen-ces. Young men and old men, those who suffer from nervous debility and arbanation the suffer as we have-myself and family-I will now bring this letter to a close Yours truly, FLOYD A. THAYER." exhaustion,

More Circuit Court. Circuit court has been in session dur ing the week at Moro in Sherman county. The docket is not very large, and the cases will be cleared up in a few days. There have been in attendance Hon A. A. Jayne, distri it altorney ; Hon. F. P. Mays, of Portland; Hons. A. S. Bennett, E. B Dufur, and Messrs. P. S. Huntington and H. H. RidJell, of this city. The most important suit, we are informed, is one for damages, in which the plaintiff, an elderly man, claims that he was cruelly
