It is added that suspensions of newspapers continue and that the Japanese ministers and foreign legis-or the entire tribe of Montagnais Inapanese ministers and foreign legis-tions are strictly guarded. BERLIN, May 13.—A dispatch re-eived from Tokic says an imperial scree, dated May 10, announces that a conformity with the friendly advice in conformity with the friendly advice of Russia, Germany and France, and in order to secure a lasting peace, the mikada has recommended that the Japanese government conclude a special agreement with China provid-ing for the restoration of the Liau Tong

special agreement with China provid-ing for the restoration of the Liau Tong peninsula. The decree also calls upon the Japanese subjects to discuss na-tional affairs calmly. to clothe the survivors, who were a destitute of clothes as of food. The destitute of clothes as of food. The Canadian government has now taken action, which, it is thought, will pre-

vent another such catastrophe, by placing a sum of money at the disposal of the Hudson Bay Company for the relief of the Indians and the Eskimo indemnity of Japan for her relinguish-ment of the Liau Tong peninsula will oon be signed at Tokio. in the event of another severe winter The cause of the destitution this win ter was the scarcity of reindeer and other game.

THE CUBAN SITUATION. JAPAN AND THE CANAL. Nicaragua NEW YORK, May 13.—A special to the World from Santiago de Cuba, says: The situation in Cuba has changed. There is a continued exodus of white Cubans from Santiago now, TOKIO, May 12.—The recent achieve-ments of Japan have led her to turn her attention to securing a treaty with Nicaragua, in which she would secure marked privileges in the Nicaraguan canal. The subject has been under con-sideration at Washington between Dr.

Guzman, representing Nicaragua, and the representatives of Japan. At one time the basis of a treaty seemed to have been reached. Dr. Guzman feared, owever, that the United States might have cause to object in privileges be-ing accorded to Japan. This objection was met by the representatives of Japan by a proposition that Japan should receive the same privileges as the countries with which Nicaragus as treaties, except the United State it being expressly recognized that the United States is entitled to superior

United States is entitled to superior advantages because of proximity to Nicaragua. The negotiations stopped at this point, and the treaty has not as yet been concluded, nor is it being further urged for the present, although no doubt exists among officials that a satisfactory treaty will be made, giving Japan privileges in the canal com mensurate with her growing power as a military and commercial nation. MIDLAND, Mich., May 13.—Mr. and Mrs. Frank Hale were burned to death yesterday morning. The couple mov-ed into their new house Saturday night. They awoke to find the house in flames, and were so hemmed in that escape was impossible, and they died in great agony. Their children were was incendiary.

Yesterday was all that could be sired for a picnic, and at 8 o'clock the Regulator left her wharf in this city mileage and \$15 per diem as a member of the board, while the records, it is alleged, shows she did not attend a single meeting of the board during the month, and was not, therefore, entitled Regulator left her wharf in this city for Cascade Locks with about 300 pas-sengers on board. There were several who would have gone; but the carry-ing capacity of the boat was complete, and no more could be taken. The run was made in about two hours and a half, and the visitors found the grounds

A Second Port Arthur

NEW YORK, May 12.—The World has the following special advices from Tokio, via San Francisco: "The last battle of the war between" a brass band from the Locks, which, "The last battle of the war between Japan and China, at Tien-Chwang, March 10, resulted in a butchery rival-ing the atrocities at Port Arthur. It demonstrated that the soldiers of both Oriental races are as bloodthirsty as American Indians. The wounded were dispatched on the field in the Amer-ican Indian style. The town was sacked and burned. Letters from eye-witnesses describe the butchery as witnesses describe the butchery horrible." as discoursed music going and coming and added greatly to the enjoyment of the excursion. Too much prai

A Kentucky Tragedy. COVINGTON, Ky., May 13.—James T. Estes, a rich farmer, was killed yes-terday afternoon by William Green, 23 years old, near Newbery. Green was running away with the daughter of Estes, and had reached Rev. Mr. Hardwell's residence, intending to get Hardwell to perform the ceremony. Just as he stepped out of the buggy Estes and his son came up. Green shot Estes, killing him, and also fired twice at the son, but without result. Green then proceeded to Brownsville, where he and Miss Estes were married. Hardwell's residence, intending to get twice at the son, but without result. Green then proceeded to Brownsville, where he and Miss Estes were married.

According to the Rural Northwest Clackamas county has about 500 acres of prune orchards of bearing age; Douglas, 1100; Marion, 3500; Yamhill, 3000; Lane about 400; Benton, 350; Multnomah, 350; Umatilla, 350; Polk,
