To Render a Decision.
COUNCIL BLUFFS, Ia., Sept. 27.—J. R. Reed, of the court of private land claims, leaves for Santa Fe tomorrow to open the hearing on a case which he will render a decision involving an enormous tract of land in New Mexico and Arizona, estimated to be worth in the neighborhood of \$100,000,000. The claims grow out of an old Spanish land grant. It is claimed the documents by which the present owners received their title were forged.

DO YOU WANT TO STOP TOBACCO?
You Can Be Cured While Using it
The habit of using tobacco grows on man until grave diseased conditions are produced. Tobacco causes cancer of the mouth and stomach; dyspepsia; loss of memory; nervous excitations; congestion of the retina, and wasting of the optic nerve, resulting in impairment of vision, even to the extent of blindness; dizziness, or vertigo; tobacco asthma; nightly suffocation; dull pain in region of the heart; followed later by atery pains, palpitation and weakened pulse, resulting in fatal heart disease. It is also cause loss of vitality.
QUIT, BEFORE IT IS TOO LATE.
To quit suddenly is to sever a shock to the system, as tobacco—to an inveterate user, becomes a stimulant that his system continually craves. "Baco-Curo" is a scientific and reliable vegetable remedy guaranteed to be perfectly harmless and which has been in use for the last 23 years, having cured thousands of tobacco users—smokers, chowers and snuff-dippers.
You can be cured while using it. You will not have to stop. We give a written guarantee to permanently cure any case with three boxes, or refund the money with 10 per cent interest. Washington, Sept. 28.—The promoters of the Corbett-Fitsimmons fight entertain an opinion that in case the fight is not allowed to come off in Texas that they can fight in Indian Territory which will certainly be disappointed. Attorney-General Harmon said that there will be no fighting in Indian territory or in any other territory over which the United States government has jurisdiction. He did not remember whether there was any territory in which the law forbidding it did not apply, but he believed that it did not apply to any territory in the United States.

THE BRITISH DEMANDS:
Supported by the Presence of a Fleet in the Yang-tze-Kiang.
SHANGHAI, Sept. 29.—Falling entire compliance with the British demands, it is understood that a fleet of 15 warships will make a demonstration before Nanking Tuesday or Wednesday next. The British demand is that within 14 days and on or before the date of the demonstration the Chinese should withdraw their forces from the Yang-tze-Kiang river. The Caroline, undaunted, Edgar, Archer and Alacrity are at Wung Tung. The Daphne and Firebrand are at Shanghai. The British admiral is on board the Edgar.
Durrant Says They Lied.
SAN FRANCISCO, Sept. 28.—An evening paper publishes an interview with Theodore Durrant in which the prisoner expressed his disgust at the witnesses who had testified for the prosecution.
"I wonder that the fate of Ananias and Sapphira has not overtaken some of them," he is quoted as saying. "It is strange to me that they have not been struck dead for what they have said against me on the stand."
Durrant expressed confidence in his ultimate acquittal. The defense does not seem to rely so much on an alibi as it did a few days ago and their efforts are now being devoted to an attempt to find flaws in the prosecution. Not one of Durrant's seventy-five classmates will step to the front and say the accused attended Dr. Cheney's lecture of April 3d.
