From Wednesday's Daily. Circuit court convened at Baker City Monday. Up to 10 o'clock this morning a inch of rain had fallen. The Regulator took its regular cargo of wheat to Portland this morning. Mr. Hal French and family were passengers on the afternoon train for Portland. A patent from the United States to W. T. Wright was filed with the county clerk today. For want of bidders the sale of land for delinquent taxes has been postponed until next Monday. There is little stir in the East End today. No shipments of stock, and the rain has put a stop to what hauling for the present. Hon. W. H. Dufur, who came in from the town of Dufur this morning, reported no rain having fallen at that place last night. Two hobos were gathered in by the city officials last night, and this morning were given the customary punishment, to do time on the morning train. Prof. Bergelt and Guy Miller went to Cascade Locks this afternoon. Their mission is to furnish music for a dancing party to be given at the locks this evening. Last night and today the weather has been acceptable to Eastern Oregon. A fine rain fell last night, and occasional showers have prevailed during the day. The rats war between the O. R. & N. and the S. P. has caused an immense passenger traffic between Portland and San Francisco. Trains and steamers are loaded each way. The mother of Daniel McKecher, who was murdered by Lloyd Montgomery, is said to be almost insane with grief because of the death of her son, the prop and mainstay of her old age. The Walla Walla Union says the prospects are flattering for the fruit growers' convention which meets in that city on December 10. Hon. T. R. Coon will be a delegate from Hood River. The Chinese and Japanese of Walla Walla are fighting over the leases in which their respective countries indulged last year, but in Walla Walla the result is reversed, the Japs have got the worst of the engagement. The trial of Denton has occupied the court the entire day. At the time of going to press the evidence had all been submitted, and the case will probably be given to the jury this evening. Sheriff Driver and Charles Durbin left this afternoon for Salem. They had Lee Moorehouse in charge, and will deliver him to the officials at the penitentiary where he will serve time the next three years. The Eugene Guard learns that nearly every man on the Siuslaw river engaged in fishing after the first of the month, and that the run of silverides was immense, a number of days 3000 being caught. The fish, however, are said to be poor and soft. Business has been good at the land office today. There was a state selection of 600 acres, two homestead proofs, Frank P. and Charles Craig, of the Dalles, one timber culture proof, Michael L. Smith, of Wasco, and two homestead filings, Merritt Campbell, of Wamie, and Diederich Patjens, of Kent. Miss Daisy Matlock farewells from The Dalles next Friday night, Nov. 20, and would be pleased to have her friends call at the Salvation Army on that evening so that she may bid them good bye. She leaves on the boat Saturday morning for Portland to be trained for a Salvation Army officer. Our people have every reason to be delighted with the splendid attractions which the Orchestra Union are endeavoring to secure for their theater. The next attraction offered by them will be the well-known Smith-Lee Company, who will commence an engagement at the Baldwin opera house on Monday, December 2. Governor and Mrs. Z. F. Moody contemplate having a family reunion at their home in Salem tomorrow. Messrs. M. A. and W. H. Moody and family left on the afternoon train to be present at the reunion, and Mr. Z. A. Moody and family, of Ashland, are expected to arrive at Salem tonight. Jack Brady, the train robber, was convicted of murder in the first degree at Marysville, Calif., last week, for killing Sheriff Bogard of Tehama county. The jury fixed the penalty at imprisonment for life. Brady owes his escape from hanging to Sam Tracy, a real estate agent and lawyer, who held out to the last against hanging him. From Friday's Daily. Rain and snow may be expected tomorrow. One drunk and disorderly was taken before Recorder Phelps and fined five dollars today. Look out for the announcement of the Chase Stock Co's performance in tomorrow's issue. The regular monthly social of Geasing Velvin Harmonie will be held at the opera house next Sunday. A deed was filed today for Mattie E. Otter to the O. R. & N. Co. to a parcel of land in sec. 25, tp 3 n, r 10 e. The proprietors of the Unita House are having a "storm door" erected at the front entrance of their office. Two noble red med were a little too pronounced in their observance of Thanksgiving yesterday, and as a result were lodged in the city jail. A special venire for six jurors was given to the sheriff this morning, and the sheriff is at present rustling through the country for them. Geasing Velvin Harmonie contemplates giving a grand ball on the evening of Dec. 21. Messrs. Wm. Birgfeld, Carl Gottfried and Hans Hansen have been appointed a committee of general arrangements. In their place the Chase Stock Co. will appear at the Baldwin next Monday evening. The Thanksgiving ball given by Mt. Hood Hose Co. No. 4, at the Baldwin last night was an enjoyable party. Parrish and John Trent, of Waldron, and the heirs of Daniel Coffey, of Monroe. The case will probably be tried over this term. Today Charles E. Herman, a youth 13 years of age, was committed to the State reform school on the application of his father W. H. Herman. There were 250 birds sprung from the trap, and the entire afternoon was devoted to the sport of "downing" them. A. Y. Marsh is credited with having made the best score during the day. This morning Myron Taft, who was convicted on Tuesday of burglary, was sentenced to two years in the penitentiary. Taft, like his partner in crime, Lee Moorehouse, is just budding into the penitentiary in which to reflect over his misdeeds will no doubt have the effect of causing him to mend his ways. For some time past L. N. Burlan has been contemplating a visit to Iowa, but came near having his plans frustrated yesterday. He was putting a horse into a stall at Ward, Kern & Co.'s stable when the animal became unruly, and kicked him on the leg. Fortunately no bones were broken, and Mr. Burlan, though quite lame will be able to start on his journey Sunday. C. Curtis, pastor of the Congregational church, christened William and Edna, children of Edward and Eliza Pease, also Dorothy and Prudence, children of Frederick and Prudence Bayley. I have a proposition to make to policy holders of the State Insurance company of Salem, which will reimburse them for money they have paid out, and afford them absolute protection against loss in any office. What use is there in eating when food does you no good in fact, when it does you more harm than good, for such is the case if it is not digested. If you have a loathing for food there is no use of forcing it down, for it will not be digested. You must restore the digestive organs to their natural strength and cause the food to be digested when an appetite will come, and with it a relish for food. The tired, languid feeling will give place to vigor and energy, then you will put flesh on your bones and become strong. The Shaker Digestive Cordial as made by the Mount Lebanon Shakers contains food already digested and is a digester of food as well. Its action is prompt and its effects permanent. D. W. Fuller, of Canajoharie, N. Y., says that he always keeps Dr. King's New Discovery in the house and his family has always found the very best results follow its use; that he would not be without it, if procurable. G. A. Dryman, Druggist, Catskill, N. Y., says that Dr. King's New Discovery is undoubtedly the best Cough remedy; that he has used it in his family for eight years, and it has never failed to do all that is claimed for it. Why not try a remedy so long tried and tested. Trial bottle free at Blakeley & Houghton's Drug Store. Regular size 50c, and \$1.00. REPORTED VOLCANO. Grant County Claims to Have One in Action. Eastern Oregon is not to be outdone in any line. We have our fine climate, productive soil, big wheat farms, unexcelled orchards, mammoth stock ranches and beautiful scenery all to boast of, and now Grant County proposes to bring on another attraction—a real active volcano, which however is liable to result in a failure. Yesterday's Baker City Democrat has the following to say of new Vesuvius: "The report was freely circulated in Baker City on Sunday last, based on a letter received from the residents of Grant county, that Strawberry Butte, south of the town of Prairie City and whose base is close to Logan valley, was in a state of eruption and that ashes were being shot heavenward from its summit fully 150 feet high and over into Logan valley. The first up-heaval is said to have occurred on Friday and was accompanied by a rumbling sound and vibrations were keenly felt. It is also said that the lake on the side of the mountain had been completely dried up."

LOCAL NEWS. One homestead application and four homestead proofs were received at the land office today. The application was filed by Phebe A. Welton, of Hay Creek, and the proofs were those of Benj. Fakera, of Gooseberry, Wm. Ralston, Olek, H. Frank Downes, Condon, and A. C. Fitzpatrick, stock inspector for Wasco county, who is in the city today. Mr. Fitzpatrick recently completed his fall tour of inspecting sheep, and says he found them generally in a healthy condition, there being very few fleas infected with disease. Although sheep are not in very good condition throughout the county, flockmasters are well supplied with hay, and with an ordinary winter, he thinks little loss may be expected. Ah Tye, proprietor of the Chinese and Japanese Bazaar at Prineville, who was married in Portland last night, accompanied by his bride, they leave tomorrow for Prineville, where Mrs. Ah Tye will no doubt be quite a curiosity, as she will be the first Chinese woman to visit that city. Wilson, and discussed English Women Authors. A delightful two hours passed and closed with music. Mrs. Taylor, in her own charming way, sang several beautiful songs, accompanied by Miss Rich. The class will meet next Monday evening with Mrs. A. R. Thompson. Mrs. Morton, charged with having burned a barn belonging to The Dalles Lumber Co., was placed on trial in the circuit court today. A. A. Jayne and B. S. Huntington are conducting the prosecution and Storey & Gates the defense. The jurymen in this case are Peter Mohr, Peter Rich, Van Woodruff, John Ed. L. Stranahan, Henry Priggs, Jasper Enstley, Alex. Anderson, D. Creighton, J. E. McCormack, W. H. Herman, and J. A. Gulliver. For the first offense he was sentenced to one year's confinement in the penitentiary and for the second two years. Moorehouse is scarcely more than 20 years old, and having started on the road of crime so early in life, it is to be hoped his punishment may prove a valuable lesson, and that when he emerges from the prison he may pursue a different course.
