Today the homestead application of C. Gow was received at the land office covering the wi sel sec 21 and ni nei sec 32, t 1 s, r 16 e. The streets of The Dalles are drying

up rapidly, the wind which has prevailed the last 24 hours having got in its work on the mud. The sheriff's office is being refurnished and whitewashed. New desks have been put in and furniture rear-

ranged so that it is much more convenient for the officials. The prizes to be awarded at the coming St. Valentine's mask ball may be seen at the stores of Prinz & Nitschke,

not be repeated. Monday evening Mr. Rinehart Ros den and bride, who recently returned from California, were treated to a genuine and very happy surprise at their residence in this city. Shortly after dark some thirty of their lady and gentlemen friends surrounded their residence, and for a time discoursed some heavenly music which caused Mr. and Mrs. Rorden to invite the screnaders inside where they spent a most enjoyable evening.

Mrs. Sarah Hagan, died at Spokane, Wash., Feb. 4th, of paralysis. Mrs Hagan was the eldest daughter of Mr and Mrs. John Brookhouse, and a sister of Mrs. F. W. L. Skibbe, of this city. She was born in Hampton, England, in 1855, and with her parents immigrated to Pennsylvania in 1857. In 1863 she came to The Dalles, where she resided until five years ago, when she removed to Spokane. She leaves a husband, three sons and a daughter,

Simple but Effective Menu.

In arranging a meun it will be well to take for a motto the remark of Socrates when looking on at an auction: "How many things there are which I do not need." A good soup, one dainty relish, such as celery, radishes, caviare sandwiches, or olives: a fish or meat, one or two vegetables and a pass of any good manager, and one which would satisfy any Benedict.

Card of Thanks. The kindness extended to me by the citizens of The Dalles and the assistance rendered by them at the funeral of my late husband, Clarence V. Lane, calls for an expression of heartfelt gratetude from me, and I take this means of expressing my appreciation of the many kind favors rendered dur ing my hour of affliction.

THE STUDY of the action of medicines, or vegeta-

medicines, or vegetable compounds, upon the stomach, and tests in many hundreds of cases, long ago convinced Doctor R. V. Pierce, Chief Consulting Physician to the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., that all cases of Indigestion Dyspepaia and Liver Complaint could be cured permanently if the right treatment were given. In support of his belief that he had discovered an alterative extract which he called "Golden Medical Discovery," that would cure these discases, he collected from all parts of the country the evidence of those who had used his medicine, and he has asked the public to investigate for themselves, as he would be glad to furnish the names and addresses of thousands of people who have used Dr. Pierce's Golden Medical Discovery. All interested should send for a little medical treatise on Dyspepsia, Chronic Diarrhea, "Liver Complaint," Billiousness, Constination and Piles, published by the World's Dispensary Medical Association, Buffalo, N. Y., and mailed on receipt of six cents in one-cent stamps. This book also contains the photographs and testimony of many persons who have suffered from discents in one-cent stamps. This book also contains the photographs and testimony of many persons who have suffered from dis-eases of the digestive organs.

INDIGESTION; SEVERE PAIN IN STOMACH.

"I suffered the terrible tortures for ten years with what your Dr. Pierce's Common Sense Medical Adviser describes as 'Gastralgia' (pain in stomach). I employed our home-doctor-took 'g dozen bottles of saran-parilla with no bene half dozen bottles of selery compound without any benefit; then I took one half dozen bottles of a celery compound without any benefit; then eight bottles of iron eight bottles of iron tonic, yet I was no better; this was in 1899.

THOS. FLETCHER, ESQ. I then took six bottles of Dr. Pierce's Golden which made a new man of me. I am now fifty two years old and for the past five years I have worked very hard on my farm. It is impossible for me to say too much for the 'Golden Medical Discovery.'
