PACIFIC DOCK,

ITEMS IN BRIE.

From Saturday's Daily. Mr. John Tranna, of the Locks, was in the city this morning.

Rev. J. N. T. Goss arrived from Walla Walla last night. Willie Crossen has again entered

the Portland University, having left for that place yesterday. Mrs. Hendershot left on the after-

noon train for Portland, where she will reside in the future. The total tax for 1896 in The Dalles will be 32 mills, 21 for county, state

and schools, 5 for city and 6 for school The land office today received a

homestead application from Francis M. Allison for the et swt, set net and swł neł sec 24, t 15 s, r 16 e. Workmen are engaged leveling the

recently on Fourth street, and are making of it an admirable building Mr. G. W. Hunt, one of the best known railroad men of the coast, spent

a few hours in our city today. He went to Portland on the afternoon train. Several candidates already have their announcements in the Long

Creek Eagle, evidently believing in the adage that "the early bird catches the worm." Mr. I. Sichel, manager of the mercantile house of M. Sichel & Co. at Prineville, arrived in the city at noon

today, and left on the afternoon train for Portland. The Macabe's smoker, which was to have been given this evening has been

postponed until their next regular meeting, which will be on Saturday night, February 15th. Heppner school district has levied a 15-mill school tax. A district that finds | lican clubs. such a tax as this necessary is cer-

tainly in a bad condition. The affairs of the district have evidently been poorly managed. Three cougar scalps were presented today to the county clerk by D. David- city tomorrow. son, claiming bounty on the same

The scalps are from an old cougar and two kittens which Mr. Davidson killed on Government flat a few days since. An incipient fire occurred at the resident of Dr. O. D. Doane about 10 and parallel bars. o'clock this morning, caused by a defective flue. Passersby were called in and extinguished the flames before any material damage was done. The loss

to the building was comparatively light. Mr. C. L. Ireland, of Moro Observer, is in the city today. Mr. Ireland says the winter has been most favorable urday night. The office being in for Sherman county farmers, and that Blakeley & Houghton's drugstore, that the younger members of the club can motion was made levying a tax of 6 the crop outlook is excellent. He firm has also arranged for keeping the ves in the morning to attend the store open all night meeting of the republican clubs in

Portland on the 4th. Nearly all old settlers are a unit in stating that this so far has been the mildest winter they have ever witnesses in The Dalles, but Mr. S. L. Brooks informs us that since he has resided here there have been a few winters when the average temperature has been higher than it has been this

The customary pleasant time was had by the Union Whist Club at their regular meeting last night. Mr. and Mrs. Briggs entertained the club. Senator Hilton proved himself the most expert whist player, receiving the first prize, and Mrs. Talmie again was the unfortunate winner of the

The receipts of The Dalles postoffice from postal funds for the month of January were \$995, against \$775 received during the same month last year. Postmaster Crossen states that if the receipts keep up for the next two months to what they were it January, this office will be entitled to be made a second-class office.

What-ever may be the reason, the registers of the hotels show a steady increase in the volume of travel lately. While many of the hotel guests who have come in lately are drummers, representing various lines of goods, yet some are men of wealth and leisure, who are quietly moving over the country with an eve to investment as well as

Mr. S. L. Brooks furnishes the following weather record at The Dalles age temperature, 35.8, mean maximum. 41.2, mean minimum 30.4. Total percipitation 2.90 inches, snow fall during the month 15 inches. The lowest temperature during the month was on the morning of the 19th, when the mercury registered 19 above.

From Monday's Dails.

Mr. W. H. Vanbibber returned from below yesterday forenoon.

Hon. W. H. Wilson came up from Portland on Sunday's local.

County court will meet on the 10th to finish the work of the January term. Fos-il is out of debt, has \$200 in the treasury and will get along without a city tax this year.

Mr. Albert Treichel, of Prineville is visiting in the city, having arrived here last Saturday.

The regular annual election of the officers of Jackson Engine Co. will be held tomorrow night.

Wm. McCarty, the popular represe tative of Levi. Straus & Co., of San Francisco, is in the city The Cycle billiard room has been enlarged so as to give visitors to this

popular resort more room. The water in the Columbia has faller considerably the past few days. It is on the O. R. & N., has been again now less than five feet above low water

The regular annual meeting of the East End Hose Co. No. 3 will be held at the Hose house Wednesday evening

Rev. Archbishop Gross. Messrs. Chas. Riley and Alex. Kirchheimer arrived here last night from Antelope. Mr. Riley is afflicted with inflammatory rheumatism, and is going to Portland for treatment. Although business was dull through-

out the city during January, collections were fairly good yesterday, it is the 1st of February. Mrs. L. R. Patton, Rockford, Ill., writes: From personal experience I

can recommenp De Witt's Sarsaparilla, a cure for impure blood and general debility." Snipes Kinersly Drug Co.

Piles of people have piles, but De Witt's Witch Hazel Salve will cure them. When promptly applied it cures scalds and burns without the slightes pain. Snipes & Kinersly Drug Co. A few days ago the Columbia Pack-

ing Co. received twelve head of cattle which had been fed during the winter by M. M. Waterman at Eight Mile, They were said to be the finest cattle ever brought to this market. . It is a fixed and immutable law that to have good, sound health one must

have pure, rich and abundant blood. There is no shorter nor surer route than by a course of De Witt's Sarsaparilla. Snipes & Kinersly Drug Co. Leslie and Ruth, the children of Mr. and Mrs. McInnis, who were so ill with typhoid fever, are reported somewhat

easier this morning, and hopes for the

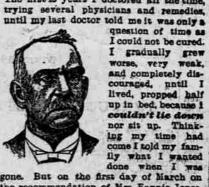

boy's recovery are now fairly good, and the girl seems to be out of danger. Wife-Here's an account of a ma who shot himself rather than suffer the pangs of indigestion. Husband-The fool! Why didn't he take De Witt's Little Early Risers? I used to suffer as bad as he did before I commenced taking these little pills. Snipes

& Kinersly Drug Co. Pendleton, says the Tribune, is beginning to put on metropolitan airs. It has a \$40,000 insurance case on treal, doctor charged with manslaughter, a new woolen mill, an electric power plant, and two of its married women

mysteriously disappeared Saturday. One Minute Cough Cure is rightly named. It affords instant relief from suffering when afflicted with a severe cough or cold. It acts on the throat, bronchial tubes and lungs, and never fails to give immediate relief. Snipes & Kinersly Drug Co.

Ullrich Bros. perhaps have the finest collection of Indian arrow-heads on the coast, or perhaps anywhere in America, and have them very tastefully displayed in the cigar factory in this city. One frame represents an American flag, the arrow points being arranged both upon the blue ground for stars and upon the red and white stripes. Their other displays are attractive and if exhibited in some eastern city. where such things are uncommo

JEART DISEASE, 11ke many other aliments when they have taken hold of the system. never gets better of its own accord, but Constantly grows worse. There are thousands who know they have a defective heart, but will not admit the fact. They don't want their friends to werry, and Don't know what to take for it, as they have been told time and again that ease was incurable. Such was the case of Mr. Silas Farley of Dyesville, Obio who writes June 19, 1894, as follows: "I had heart disease for 28 years. my heart hursing me almost continually. The first 15 years I doctored all the time,

the recommendation of Mrs. Fannie Jones, working at light work and on March 19 commenced framing a barn, which is heavy work, and I hav nt lost a day since. I am 55 years old, 6 ft. 4% inches and weigh 250bs. I believe I am fully cured, and I am now only anxious that everyone shall know of your wonderful remedies."

Dyesville, Ohio. SILAS FARLEY. Dr. Miles Heart Cure is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at it. 6 bottles for it will be sent, prepaid on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind. ppropriation Asked the General Gov-

ernment at Washington. United States Senator Mitchell has introduced the following boat-railway and afterwards represented Linn

"That there be, and hereby is appropriated, out of any money in the J. M. Filloon, of this city, is a grand treasury, not otherwise appropriated, the amount heretofore appropriated, for the construction and equipment of a boat-raizway from the foot of The Dalles rapids to the head of Celilo Falls, in Oregon; the same to be constructed under the direction of the secretary of war, in accordance with the plans and specifications of the engineer department of the United States provided, that contracts may be entered into by the secretary of war for such materials and work as may be necessary to complete the present project of improvement of the Columbia river at that point by the construction of a boat-railway, as aforesaid, to be paid for as appropriations may from time to time be made by law, not exceeding in the aggregate \$1,764,467, exclusive of the amount herein and heretofore appropriated."

If this measure goes through it i claimed by a Washington correspond ent it will be a part of the river and harbor bill, as must all other measures looking to the improvement of waterways. Hermann in the house, and Mitchell in the senate, have introduced bills, for proposed amendments to the river and harbor bill, covering all the improvements for Oregon. It and adults. Snipes & Kinersly Drug probably gives some prominence to the improvements to have them presented in this way, and calls the attention of congress more directly to the big projects on the Pacific coast. Mitchell's bill, however, will first go to the committee on transportation routes

School District A special meeting of the taxpayers of school district No. 12 was held in

the school building on Court street on Friday, Jan. 31. Chairman Adams being unable to attend, the meeting was called to order by Director O. D. Doan, the other officers present being Director O. Kinersley and Clerk E. Jacobsen. Clerk Jacobsen read a financial

debtedness of the district amounted to with his mother, brother and sister said, better than they usually are on \$6484.28, and also that the taxable came to The Dalles six years ago, and property in the district, as certified to was engaged as a fireman on the O. R. by the county clerk, amounted to & N. line until he was stricken down \$1,186,151. On this valuation of with consumption. He was a most exproperty the directors made a showing emplary young man, and was an that to raise the necessary funds for conducting the schools of the district lodge of this city. The new apparatus for the club for the ensuing year a tax of 6 mills room was put in position today, and would be required, whereupon a now have abundant opportunity to indulge in healthful and innocent exof six mills, but the amendment was roted down and the original motion

The question of reducing the exenses of the district by cut ing down the salaries of teachers was generally discussed, and it was shown that salaries paid in this district are as low or lower than those paid in schools of similar grade throughout the state, and that competent teachers could not be secured for less salaries, bence the consensus of opinion among those resent was that no reduction could be made and maintain the present high tandard of the schools.

The matter of renting or building additional school rooms was discussed, but no action was taken, it being considered advisable to have the question determined at the regular annual school meeting to be held on the first Monday in March.

Lye Will Kill Them

C. W. Hollis gives the Athena press man some valuable information in regard to exterminating squirrels. A gentleman who was bothered more or his place of them by the use of concentrated lye. He disolved the lye until it was like paste. He then spread a Blakeley & Houghton. thin coating on a chip, small flat stone, or anything at hand, which could be conveniently placed in the squirrels hole. When the squirrels come out they step in the lie. In probable the animal saw his shadow a short time their feet begin to burn, and returned to his burrowing in the when up sets Mr. squirrel, and into ground. The porcine infringment on the mouth goes the injured foot, and the weather bureau is going to be there is one squirrel less on the ranch. badly fooled this trip, if he loafs very Mr. Hollis', informant vouches for the long before coming o stagain, for if he destructive power of lye as a squirrel does he will like Noah's dove find the estroyer, and as there is considerable | surface of the earth dry. lifference in the price of lye and strych nine and other poisons, it will cost scarcely anything to experiment. Lye costs but 10c a can, while the price of stryshnine is about \$1.50 per ounce. Try lye and see how it works.

While the excavators on the ap

roaches to the new railroad bridge ross Hood River were at work Tuesday, says the Glacier, some of the workmen placed five or six sticks of dynamite and some caps near a fire to dry. An explosiom soon followed which lifted an immense quantity of rocks and gravel and hurled them into the river, making a hole about ten feet deep. Luckily no one was near enough to the fire at the time to get hurt. Mr. O. C. Bartmess, who was there as a spectator, had started to go to the fire to warm, but seeing the dynamite sticks setting up against a board, thought it best to make himself scarce, and got away in time to save his life. Later in the day a blast was set off that wrecked the east end of the railroad bridge and made it unsafe for trains to cross. The bridge carpenters immediately went to work and repaired the damages,

"As You Like It."

Admirers of Shakespere were given a treat at the Baldwin Friday night the attraction being the pastoral play, "As You Like It," rendered by Miss Ellsler and her talented company. Miss Ellsler's dramatic work in this play, as well as in "Camille" was of that character that impressed all fav-orably, and should she ever again visit The Dalles, she will receive an audience worthy of her best efforts. Her MANHOOD and her rich, clear voice added to the attractiveness of her elecution. She won fresh laurels by singing a cuckoo song to her lover Orlando, and gained a hearty encore. The entire company is made up of first-class actors, such only as can give support to such a star.

nother Pioneer Gone. Hen. J. T. Crooks, died at Jefferson, es' Heart Cure Linn county, Friday, Jan 31, aged 89 years. Mr. Crooks was one of the pioneers of Oregon, having came here

ceilation of said entry, contestant alleging that
said Albert N. Cooper never plowed or broke
five acres of land the first year after entry, and
never has planted any trees thereon, and has
not broken up the land or cultivated it, as re
quired by law, and has never put any fencing
thereon at all, and has never broken up more
than seven acres in all, and that the said Albert
N. Cooper has abandoned said land, and has
been for the past three and one half years in the
state of Montana. The said parties are berely
summoned to appear at this office on the 20st
day of March, 1896, at 2 o'clock P. M. to respon
and furnish testimony concerning said alleger
failure.

LAS, F. MOORE, Resister. JAS. F. MOORE, Register

NOTICE FOR PUBLICATION. LAND OFFICE AT THE DALLES, ORE., Notice is hereby given that the following named settler has filed notice of his intention to make final proof in support of his claim, and that said proof will be made before Register and Roceiver at The Dalles, Oregon, on February 25, 1896, viz: JAMES A. NOBLE.

He names the following witnesses to prov his continuous residence upon and cultivation of said land, viz: ESTRAY NOTICE. Notice is hereby given that the undersigned has taken up and posted as an estray, the following described property: One red cow, four years old, with white face, and white on neel and belly, blotch brand on left hip, marked with under half crop in left car and swallow fork in right, and will offer the same for sale a Mill creek, seven miles from The Dalles, or July 2, 1896.

Dated Jan. 2, 1896. STOCKHOLDER'S MEETING.
