These are the days when the festive candidate assumes his pleasant expression, grasps you by the hand and enquires about the condition of your business, the health of your family and that of all your wife's relations, and the weather is most favorable for this purpose. Mr. Robert Mays came in Saturday evening from the stock ranges in the vicinity of Bikovona. He reports sheep shearing having been retarded by the recent cold spell, and quite a number of sheep that had just been shorn having frozen to death. The loss of young lambs, Mr. Mays says, was quite heavy during a few cold nights, however the increase of sheep will be quite large in that section, notwithstanding the cold weather.

In summing up the losses by the recent fire we inadvertently omitted to mention the amount of loss sustained by the Knights of Pythias and A. O. U. W. lodges, both of which lost their entire sets of furniture, regalia, badges, records, etc. The K. of P. loss is estimated at \$1000 and the A. O. U. W. at \$150. Dr. Miles' Nervine

Restores Health

Weak, Irritable, Tired

"Was No Good on Earth."

Dr. Miles' Nervine strengthens the weak, builds up the broken down constitution, and permanently cures every kind of nervous disease.

"About one year ago I was afflicted with nervousness, sleeplessness, creeping sensation in my legs, slight palpitation of my heart, distracting confusion of the mind, serious loss of lapse of memory, weighted down with care and anxiety. I completely lost appetite and felt my vitality wearing out. I felt as good as any man on earth. My weight was reduced to 100 lbs. In fact I was no good on earth."

A friend brought me Dr. Miles' book, "New and Starting Facts," and I finally decided to try a bottle of Dr. Miles' Restorative Nervine. Before I had taken one bottle I could sleep as peacefully as a child. My appetite returned and my nervousness completely disappeared. My memory was fully restored. My brain seemed clearer than ever. I felt as good as any man on earth. Dr. Miles' Restorative Nervine is a great medicine. I assure you."
