Packers to Consolidate. WILL NOT MEDDLE

After Being Heavily Fined the Johannesburg Reformers Promise to Let Politics Alone.

Faint-Hearted Bundits-An Effort Being Made to Refund the Hawailan Debt.

PORTLAND, Or., June 12 -A gigantic salmon combine, to take all interest poration, and backed by unlimited lookedfor result of the present strike of the 3000 fishermen who want more for fishing than the

packers claim to be able to pay. The prospects are that the Columbia River Packers' Association, which was formed in Portland last spring, is to be followed by a stronger concern-a single corporation which shall be so firmly entrenched as to command a vast influence in the salmon industry, and which will dictate and not be dictated to. It will be modeled after the Alaska Packing Company, and it will absorb all the big and little fishing interests, consolidating them into one enormous plant and do business on an unpre-

The salmon-packing combine is not an undreamed-of possibility by any means. The fact is, the scheme is ripening for consummation. One of bia declares that the strike has hastened this end. The cannerymen are being driven into consolidation for protection of their interests not only er im the fishermen, but from the mischievous state legislature, and by next The number of militiamen called into the Eastern idea expressed in the curmatter what becomes of this year's fishing-that the combine will be organized and the consolidation effected. ganized and the consolidation effected. | Constipation causes more than half The plan has been on foot for some the ills of women. THOUGHTLESS CRUELTY. Normandy and Brittany are full of scenes heartrending to the true lover of animals. The author of "France of To-Day" describes one form of thought-less cruelty which is regularly prac-ticed in the Pays de Caux, even by peo-

ing. She says:
To my thinking, the Pays de Caux is very depressing. Each homestead stands amid lines of beach and oak, formal as toy trees of a child's mimic and cut at intervals, form a parallelo-gram affording shelter to farmhouse buildings and apple orchards. You enter this somber inclosure to light upon an unwonted and heartrending In the open space between house and

trees is a pen, perhaps two yards square. This is the lifelong prison of the trusty watchdog. Incredible as it may appear, no one sees any cruelty in thus keeping a dog cooped within iron pulings from January to Decem-ber. In fact, from its youth to old age, never for a single moment is it al-lowed to escape. My kind host agreed with me on the unnaturalness of such
