Mention was made a few days since of a number of sheep belonging to Phil Brogan jr. having been poisoned in Dry Hollow near The Dalles, and then it was thought that only about 150 had been killed, but after counting up the band Mr. Brogan finds he is out about 500 head. Evidently the sheep were poisoned, but how Mr. Erogan is unable to discover.

Miss Cannon while picking strawberries yesterday afternoon for Mrs. Victor Mesplie, on Mill creek about seven miles from town, was bitten by a rattle snake. Remedies at hand were applied and Dr. Hollister was summoned to attend the sufferer. The docter received word this morning that Miss Cannon was out of danger and doing as well as could be expected.

The real event of the season will be the Elk's excersion Saturday night. Every detail has been arranged for the comfort of the members and their families and sweethearts. 'An orchestra has been secured; an elegant lunch will be served, and the members of the herd will surely convince their lady friends that they are in fact the best people on earth.

In the rapid progress of the age. ladies are competing with men in almost all industrial pursuits, but it is not often they have gone on the road as drivers of freight wagons, still this work can be performed by a woman as well as by a man, as was proven by Mrs. W.
