ST. LOUIS, July 24.-Last night's session of the populist convention was carried far into the night. The Bryan supporters are jubilant, as they demonstrated, after a division of the convention, that they had a majority of 194. They perfected their permanent organization, installed their candidate, Senator Allen of Nebraska, as permanent chairman, and took charge of the machinery of the convention.

The announcement of Allen's election was a signal for an uproarious Bryan demonstration, which lasted 18 minutes. Senator Allen's speech as permanent chair nan occupied over an hour. In many respects it was bitter enough to suit the most radical. When he had finished the convention adjourned. The populist convention was called
