Crete. WASHINGTON, Aug. 10 .- Major Dun woody, the weather forecaster, scanned the map tonight in vain for a prospec of relief from the terrible heat under which the country has been sweltering ickson went to the senate after he for the past week. It was slightly cooler in the Ohio valley, and the lower lake region was given a slight breathing spell by thunderstorms. The temperature has also fallen slightly in the Mississippi valley, the mercury today registered but 92, as against 98 at St. Louis and Chicago vesterday But on the prairies of Nebraska and

Kansas, and to the southward along the Gulf, humanity struggled to exist The Atlantic coast as far as Boston showed very high temperatures. At

wait for results, they are ins antaneous the latter place it was 96, which was also the maximum at Atlantic City The same temperature existed at Albany. There was no prospect for relief in this locality tomorrow. Away up in extreme Northwest, in the Rockies, however, Major Dunwoody saw a ray of hope. The barom eter had risen there today and had fallen in the lower central valleys and the lake region. If these high and low areas develop, the hot spell will be broken. "But even that is two days away,'

said the weather sharp, as he shook his head.

The temperature her today was not as high as yesterday, the maximum being 93, as against 98. The hot wave reaches west to the
