

tions to dismiss appeals, and has rea-dered judgement thereon.

ed from Chicago, where he went with s train load of mutton. Abner Pratt & Co., the leading mutton dealers of Chicago, attended to the sale of the sheep and conducted the deal most sat isfactory to Mr. Fargher.

the court to appraise the estate of Rudolph Gorkow, the dead Spokane brewer, have filed their report with the clerk, from which it appears that in their judgement Nr. Gorkow left \$100,433,09, which will in all probability be contested for.

in the financial question is the daily average of abont 1200 letters asking all sorts of financial information, which are received at the United States treasury department. The people are studying this question harder than they did before.

Ottis Patterson, one of the pro prietors of the Heppner Gazette, was in the city last evening and left this morning for Portland. Mr. Patterson reports times yery dull at Heppner. Owing to there having been no wool sales and the wheat crop being short,

John Brookhouse, Miss Brookhous and F. W. L. Skibbe and wife left this morning for Astoria, where they will remain until after the firemens' tournament. Mr. Skibbe goes as delegate from Jackson Engine Co., and declares he will use all his endeavors to get the

W. R. Mascoll is in the city today, having brought his wool from Dayville to this market, but having met with little encouragement as to the sale of his clip, he stored it at Moody's warehouse, awaiting future developements, and having bought his supplies for the year of Dalles merchants, will start

Reports from the Sherman county harvest are rather encouraging. Carl Peets has just finished threshing on his ranch in Gear's valley, and reports good results. His wheat averaged 22 bushels to the acre, and off of 15 acres of barley he threshed 300 sacks, or about 40 bushels to the acre

The cement walk on the north side of Second street, leading from the First National bank to Pease & Mays' corner, put down by Kocher & Freeman, is now completed and is a most substantial improvement. Messrs. Kocher & Freeman are now engaged laying a cement walk in front of Johnston's

Capt. Chas. Spinner, formerly master of the tug No Wonder, which was been employed to take command of the Sadie B. for the Day Bros. Capt. Spinner was in the city last night, and stated it was the intention of the contractors at the locks to begin dredging at the upper end of the canal within a few days. The water is down to a stage where it can be successfully prosecuted and there is nothing to pre-
