preparing to harvest the largest crop ever raised in the country. Atl classes of grain, he says, prospect better than ever before known.

The affairs of the Pendleton Tribune are about to be settled satisfactorily to all.parties concerned. It is proposed to pay the mortgage held by Furnish and allow John P. McManus and his board of directors to continue the publication of the paper.

H. A. Hogue, of Portland, was in the city this morning. Mr. Hogue is an old resident of The Dalles, and with Col. Sinnott, forty years ago, used to go out before breakfast every morning and shoot Indians to keep the red skins from capturing the town.

"We would rather sell our stock of ladies cape's and jackets at cost than timber reserve this season, which is an carry them over." Pease & Mays make this statement and have suited the action to the word, having marked their entire line at cost to close. They are displayed in the center window.

The river rose about four inches toladies took advantage of the oppor day, and registered 27.9 feet at three tunity to indulge in the healthful exo'clock this afternoon. From all inercise of bowling. Mr. Crossen exdications it will reach 30 feet by topects to have the alley open for ladies morrow night. The warm weather of every forenoon hereafter. the past few days has caused a rapid

thaw in the mountains, and will cause a fast rise in the river here. W. J. Johnson, who has been on a

sheep-buying trip to Beaver creek and the south fors of the John Day for O. W. Porter, of Huntington, returned to Burns, Harney county, last week. He says the yearlings are all bought up, this spring. and 2 and 3-year-olds are held at \$2 to \$2.25. He found streams everywhere

very high. Somebody invents a new blcycle

suit for women almost every day but no one has yet invented a suit that will enable a woman to look as graceful reclining in the middle of the road as when dressed for an evening entertainment. There is not only fame but fortune for the man who arises to this emergency.

At the last rifle practice of the militis company a number of creditable scores were made, the militiamen showing themselves to be quite expert marksmen. The practise will be continued at the range regularly hereafter, Fossil Journal. the staff officers practicing on Thursdays and the members of G Co. either on Saturdays or Sundays.

The quarterly examination of applicants for teachers' certificates will be held in Crook county, May 11, at 3000 tickets have already been sold in Prineville. The Prineville Review says: "It is to be hoped that the commay be expected as guests of 'The ing examination will be so conducted Dalles that day.

that applicants will not be allowed to receive and give assistance, as was the case during the last examination."

Last night G. W. Darch received a telegram from W. B. Presby, of Goldendale, announcing that his son, William Darch, had been shot accidentally at Goldendale yesterday. The dispatch stated that the wound was not a fine songster, is a quarrelsome fellow. fatal. Mr. Darch left on the 1 o'clock train for Grants, where he was met by a team to take him to Goldendale.

The Dalles is soor to have a firstclass steam laundry. Wm. Smilley, who has been conducting a laundry at Mt. Vernon, Wash., for a number of years, has moved his plant here and are intended for public works in Japan has also bought the plant of the Star Laundry on Third street, where in about ten days he will open an establishment that will rival the Portland laundries for fine work.

It is not rheumatism nor gout that among business men in the city that affects Tom Kelly. It is nothing but the Dalles National is perfectly solvbowling. He rolled one game at the new alley yesterday, and has been

hors de combat ever since. He will not have to go to the hospital however. Horses are rapidly rising in price, from one end of the country to the other. Owners of horses, who had almost lost hope, are taking fresh courage, for they begin to see a bright outcome that is ever growing brighter.

Of course, this does not apply to cay-The outlook for sheepraisers in brightening somewhat. Even if there 'I could not get cartridges for this, so I is no material advance in the price of
