COAL FAMINE AT HAVANA

Government Seized All the Coal in the City. HAVANA, June 18.—There is not a particle of coal to be had by citizens in Havana. The government has seized all there was in the bunkers, leaving citizens and railroads without fuel.

IT IS NOT LIKELY TO OCCUR. Spanish Papers Assert Camara Will Attack New England. MADRID, June 18.—This morning's papers publish an account that the Cadiz fleet, under command of Admiral Camara, has put to sea, and will cross the Atlantic, where they will bombard the southeast cities of the New England States.

QUEEN REGENT MAY RESIGN. A Crisis in Spain is Almost Certain to Follow. PARIS, June 18.—It is generally reported here that the queen regent of Spain has determined to abdicate in favor of Infanta Isabella. The report seems to be well founded.

RAN THE BLOCKADE. A Spanish Ship Lands Supplies at Manzanillo. KINGSTON, June 18.—The Spanish ship, Concepcion, outwitted the Americans at Manzanillo last night and made its way through the blockade line, successfully landing supplies for the Spaniards.

HAVE REACHED MANILA. First American Expedition Arrived There Safely. LONDON, June 18.—Newspapers here this morning published an account of the arrival at Manila yesterday of the first American expedition.

PROMPT ACTION ASSURED. Hawaii Will Probably be Under the American Flag Within Two Weeks. NEW YORK, June 17.—A special to the Herald from Washington says: Vigorous efforts are to be made to get the Hawaiian annexation resolution through the senate by the first of next week.

Yellowjack at Mobile. MOBILE, June 18.—A number of cases of yellow fever have developed here and an epidemic is feared. Every possible precaution is taken to prevent the spread of the disease.

Spain Refuses to Exchange Prisoners or Recognize a Flag of Truce. WASHINGTON, June 20.—The department has been informed that General Blanco states that the Spanish government has refused to exchange Hobson and his men. It is also stated that heretofore Blanco will refuse to recognize a flag of truce, and will hold no communication with the American commanders.

SAFE IN MORRO CASTLE. Lieutenant Hobson and His Comrades Are Well. WASHINGTON, June 21.—Dispatches from Admiral Sampson state that a representative of Captain General Blanco called on him yesterday under the protection of flag of truce, and brought word from Lieutenant Hobson that he and his comrades are safely housed in Morro Castle, Santiago, and are accorded every care possible to be shown prisoners of war.

SPANIARDS ARE HOLDING OUT. The Insurgents Are Unable to Take Manila Unaided. HONG KONG, June 20.—Late advices from Manila are that the insurgents have made a number of savage attacks upon the city, but were repulsed by the Spaniards. The insurgents have little or no artillery, being armed principally with light rifles, hence are unable to dislodge the Spaniards except in hand-to-hand encounters.

THE STARVING PROCESS IS CONTINUED. Insurgents Prevent Supplies From Reaching Havana from the Interior. NEW YORK, June 20.—A dispatch from Havana says: the situation here steadily grows more critical. The American vessels maintain a strict blockade from the water side, and the insurgent army has been unable to prevent any supplies from reaching here from the interior for several days.

INDIGNANT AT SPAIN. Its Refusal to Exchange Hobson Causes His Feeling. WASHINGTON, June 20.—The refusal of the Spanish officers to exchange Hobson causes a disagreeable feeling here. While there is no positive obligation upon a belligerent to exchange prisoners, yet it is the universal practice in civilized warfare.

GENERAL SHAFER AT SANTIAGO. His Troops Reached There in Good Condition. WASHINGTON, June 21.—Advices have just been received announcing the safe arrival of the troops shipped with General Shaffer's command at Santiago yesterday. Arrangements have not yet been perfected for the landing of the troops, but they will probably be put ashore at Guantanamo.

SCROFULA. One of America's most famous physicians says: "Scrofula is external consumption." Scrofulous children are often beautiful children, but they lack nerve force, strong bones, stout muscles and power to resist disease.
