AUGUSTINO DE IS THE BOSS

He has Declared Bataan is in the Philippines.

Lorito, July 24 - A signal from the Philippine Islands indicates that the war with Spain may have been avoided by the recent action of the Philippine Islands.

The signal was sent to the Philippine Islands by the United States.

The signal says the war may have been avoided if the United States had not declared war.

This morning the signal was received by the President, who said it was "at once obvious."
