THE PATRIOT OF GERMANY

An appeal to the German people.

This appeal is made not in my own name, but in the name of all who have ever lived and will ever live. It is made not for my own advancement, but for the advancement of mankind. It is made not for the benefit of any particular nation or people, but for the benefit of all nations and all peoples.

There should be no delay in answering this appeal. The time is ripe for action. The hour is come. The moment isopportune. The opportunity is now.

AN INSTITUTION NECESSARY

In the great work of making the world safe for civil and religious freedom, there is no institution more necessary than the Union of German-speaking peoples. This union will be an instrument for the promotion of peace and understanding among all nations. It will be a bulwark against war and aggression. It will be a source of comfort and hope for all who seek liberty and justice.

In the words of one of its founders, the Union is "a bond of brotherhood among the German-speaking peoples of the world, a bond which will bind them together in a common cause, a bond which will endure through the ages."

There should be no delay in forming this union. The time is ripe for action. The hour is come. The moment is opportune. The opportunity is now.

THE PRESIDENT OF GERMANY

It is my duty to appeal to the German people to unite in this great cause. It is my duty to appeal to them to see that the Union of German-speaking peoples is established. It is my duty to appeal to them to see that the Union is strong and effective.

There should be no delay in forming this union. The time is ripe for action. The hour is come. The moment is opportune. The opportunity is now.

Eternal Vigilance
Is the Price of Liberty.

When you give up your money you give up what it costs you to get it. To spend your money you must have some reason for doing so. If you spend your money foolishly, you will be sorry. If you spend your money wisely, you will be glad.

A GLAD DAY FOR HIS HOMES

On Aug. 5, 1865, a Stowaway was taken from the steamer "San Jacinto," which was sailing from New York to Portland, Oregon. The Stowaway was a nameless youth, and his fate was unknown. But now, on this glad day, his name is known, and his fate is known.
