A Worthy Entertainment. The first entertainment to be given To see a horse come on the track

A SPLENDID DAY'S RACING. Del Norte Breaks the World's Record-Other Good Events.

Yesterday there was witnessed on Almolene and Alta were together, but the track some of the finest trials of on making the second circuit Alta Dell speed ever seen on any track in the went to the front winning the race and Northwest, and one event that the world has never before seen, Del time than was ever done on a half mile track in the world, having gone around the circle in 1:021-5. It was ladie's day at the track, and it seemed

that every lady in town and many from the occasion for enjoying a holiday, outcome was occupied.

The day was an ideal one, just warm enough to be comfortable, the track was in splendid shape, and the horses as they came out looked to be in perfect form, so everybody anticipated that the sport would be perfect.

The first event was the special roadster race that was called at 1:30. and horses owned and driven by Harry Fowler, W. H. Hobson., C. F. Stephens, A. S. MacAllister and Mell Murchie were started. The first heat Mac-Allister's horse went lame and Murchie's failed to come up to expectations and did not start in the second. Fowler took both heats with Hobson

pretty race and called forth a rousing time considering the day. applause from the spectators. The second event was a free for all

The entries were Helen J., Altus, Ben Bolt aud Deceiver, The latter was the favorite in pool selling, and the "tal-Wasco county tax payers to meet their burned as any imported brick, which ent" proved to be judging aright.

The horses were given a pretty start. At 5 o'clock yesterday morning, an article can be produced at home as and went away from the poll like the wind, all but Helen J. keeping their

A few days since he sent ty applause, which appeared to be appreciated by the intelligent animal. When Del Norte had finished warmwere called out. They were New

Moon, Barnato, Alicia, Jim Bozeman Begonia and McPryor. Little time was required in getting them started, and less time was needed for them to go twice around the track. They came under the wire in 1:46 with Jim

Bozeman in the lead, Alicia second Then came the event of the day. Del Norte was brought on the track, looking like a picture and took a

stretch from the wire beside of another low, but for the one on high; talk to black ridden by Ed Mosier his trainer.

lead out, with Almolene second and Ida Me following some distance behind. When they passed under the wire at the end of the first half mile

Ida Mc. making a good second. The time was 2:321. Alta Dell took the Norte having paced a half mile ip less lead from the start in the second heat and held it to the finish, winning the race in 2:30, Ida Mc making a good second.

A trial was made to finish the match trot between Estebennet and the country had taken advantage of Comini, two heats of which were trotted Friday evening, but the judges discovered some had work on the part of Mr. Estebennet in driving the final heat, and the race was declared

In the 4# furlong dash the entries were Twister, Senator Wilson, Be gonia V., Stranger and Little T.G. At the start Twister took the lead, but was soon passed by the favorite. Little T. G., who won easily, with Senator Wilson second and Begonia

third; time, 59. The crowning feature of the day was the exhibit given by Del Norte. He made a fine appearance, but conditions were not favorable for record breaking. the atmosphere being cold and damp, hence he was not crowded to his full speed, though he paced the half mile second and Stephens third. It was a in 1:05, which was exceptionally good

The closing race was a 51 furlongs dash, in which Midas, None Such pace and trot mile heats, two in three. Nevoso, Jim Brownell and Joe Cotton were entered. None such was the winner, and Joe Cotton came out second

After this race was run the horse men and sports collected their be longings together and departed for other fields, all satisfied with the re-

> Look to Headquarters. ED. TIMES-MOUNTAINEER:

Noticing your article in last week's issue in regard to shipping goods at the Cascade Locks. I would like to say a few words in the matter.

Mr. Brown, the engineer in charge, Del Norte was brought on the track to is merely acting under instrucwas driven around by Mr. Barrows, the latter got his orders from I do not know, but this I do know, he never received them from Washington. It is simply a specimen of that spirit with a sort of wild feeling of revenge of militaryism that controls the outfit he becomes a changed being and ing up the six runners in the mile dash emerging yearly from that medieval rushes into battle, perfectly unconinstitution known as West Point.

scious of surrounding dangers and It always looked to me as if every move on the part of the so-called medievalist was made in favor of the railroad company. Everything acting as while in Cuba, Mr. Grunow has little a binderance to the steamboat com- to say. It was no picnic excursion, he pany of course favors the railroad. A long acquaictance with parties give meright to judge. I have no prejudice

Mr. Yocum Thinks it Will Prevent Disastrous Fires. GOVERNMENT CAMP, Oct. 10, 1898.

MR. H. H. DUFUR, Forest Supervisor. I have been acting as guide to the

summit of Mount Hood and making the ascent a number of times, each year during the months of July and August since 1883, and from observations so taken, I am of the opinion

there has been less fire in the Cascade Forest Reserve, during the present year than during any time since the above date. Having made twenty-one ascents since the 2d of July last, I find that only three times has the dle marks. smoke been too dense to obstruct a clear view of Mount Shasta, some 300 niles distant, and twice out of the

three times the obstruction was caused by smoke from fires not on the forest eserve. I therefore conclude, that

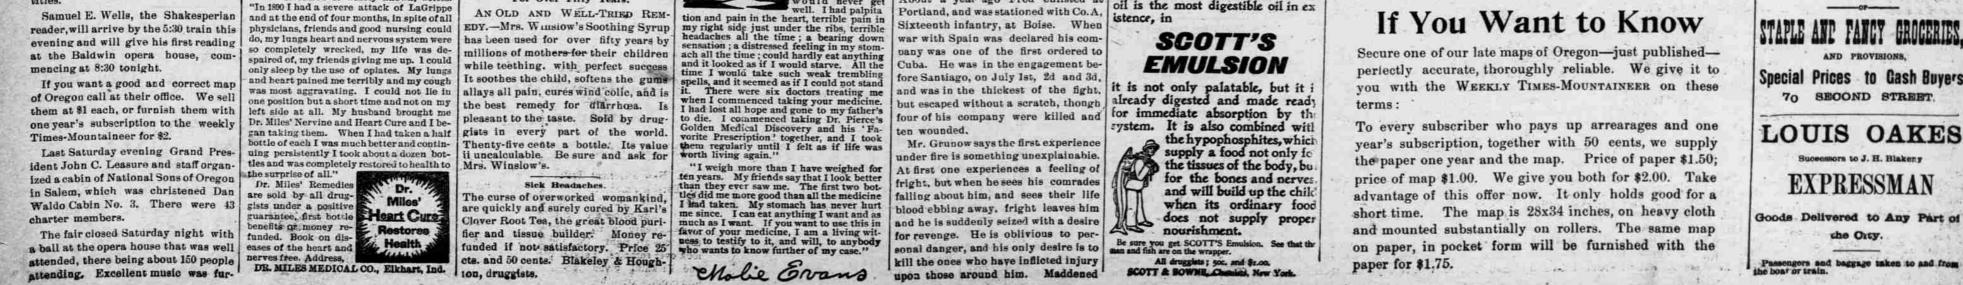

"I had lost all ope and gone to iny father's to die," the patroling of the reserve has been of great benefit and has been the means aid Mrs. Molis Evans, of Mound, of suppressing fires and preventing the destruction of valuable timber. 1 Coryell Co., Texas. "I gave birth to a am, however, of the opinion that the patrol should be earlier on the ground, as one fire occurred on July 2d, be-

fore the rangers were sent in. Yours very respectfully, O. C. YOCUM. Salem. Ore.
