ANOTHER BATTLE WAS WON
The Filipinos routed by
the Americans at Coloso.

WASHINGTON, Feb. 14—The American
forces in 1914 also achieved
a brilliant victory over the Filipinos in
their conquest of the island of Mindanao.
The column of General Warren
W. Harding, consisting of 5,000
men, including two regiments of the 3rd
and 13th Wisconsin, and two regiments of the
8th and 10th Ohio, were deployed
in the fortress of Coloso, where
they had been besieged for
three days. During the
siege, the Filipinos
had fired over 1,000
rounds, but the
Americans
were able to
repel their
attacks
without
.loss of a
man.

MAKING HASTE VERY SLOWLY
The Legislature has done but a
little work.

WASHINGTON, Feb. 14—Although the
members of the legislature are
making haste to finish their
sessions, the work of
the legislature is
progressing slowly.
