ITEMS IN BRIEF.

From Saturday's Daily. C. L. Ireland, of the Moro Observer,

is in the city. R. E. Harkinson, a prominent attorney of Moro, is in the city.

Mr. and Mrs. Wm. Ward, of Gol dendale, are visiting in the city. Weinhard's beer on draught at only

one house in the city, the Columbia hotel. D. B. Kelley came up yesderday

from Portland and will leave Monday for his farm in Crook county.

J. W. Healy is out on the street again after having been confined to his room for a week with la grippe.

Next Saturday a teachers' meeting will be held at Dufur. Arrangements have been made for all the teachers upper. in The Dalles schools to attend. F. N. Jones is in from his sheep

ranch near Bakeoven. He reports a fearful storm there the first of the week, but says the snow is about all off

J. M. Filloon returned last evening from Portland where he has been buying stock for the new hardware and implement store he will open at Moro about the first of next month.

Mr. and Mrs. H. F. Hill, of Princville have returned from Hot Springs, Arkansas, where they spent the winter, and are both much improved in health. They leave in a few days for their home at Prineville.

Parties who have just come in from Princyille report a fearful storm in that section. It began snowing on Sunday and continued until Tuesday, though it has about all gone off and has caused but little loss of stock.

In H. C. Neilsen's show window are displayed two fine samples of Japanese work that Christian Lowe brought home with him from Manila. One is the American and the other the Danish coat of arms. They are worked in silk, and are very artistic.

At this time last year potatoes were a drug on the market, but they are valuable now. In Portland they are quoted at \$1.25 and \$1.50 per sack. Farmers in this section who have not yet sold find ready sale for their spuds as Portland buyers will take all they can get.

An effort has been made to secure permission from the interior department to establish a salmon hatchery on some stream in the Cascade timber reserve, and Commissioner Herman has telegraphed Governor Geer that . he has recommended to the secretary ing Mr. Fouts said all The Dalles of the interior that such permission be granted.

Strte School Superintendent Ackerman is making a tour of the state visiting schools and attending teachers' gs. Next week he will attend the interstate teachers' institute at Walla Walla, and will be here to attend the meeting of teachers at Dufur next Saturday. Jesse M. Shepherd, an Oregon pioneer and veteran newspaperman, died at his home in Baker City last Thursthe city day, aged 78 years. He came to this coast in 1850, and after having worked for some time in Sacramento as a compositor, he came to Oregon and was foreman on the State Rights Democratat Albany. He went from there to Idaho City where he published the Oak Grove, was shipped to Troutdale. World until 1872. He then went to Baker City, and established the Bedrock Democrat which he published until 1887 when he sold the paper to their spring work. Boxwen & Small. Yesterday afternoon the sheriff' office was notified that there was a man on the beach above town determined on self destruction. Deputy Sexton went out to look after the fellow and found him in a camp of tourists. The fellow had lost one leg, and had a wooden peg which he burned before asserting his intention of Last night Recorder Gates impose
