WASHINGTON, April 14 .- The war department will reply to the telegram of Governor Lee of South Dakota, to President McKinley, asking for the immediate muster out of the South Dakots troops in the Philippines, that all the troops will be brought home as soon as it is deemed expedient by the United States and as soon as possible with the transports at hand.

It is said at the war department that the law requiring the muster out of the troops contemplates that the executive department shall have time to issue the necessary orders and make preparations to properly discharge the soldiers and bring them home.
