Glant Asparagus. Considerable has been said in Portland papers recently about the big asparagus raised in the Willamette valinches long and 41 inches in circumference. This splendid sample - Mar of asparagus was raised by C. D. Moore, at White Salmon, and while it is somewhat larger than what he puts on the market regularly it is of the variety of which he is raising tons, and which is kept regularly at

many years past, and a general move oward getting wages raised is in progress. Carpenters, hardwood inishers, mill men, cooks and waiters have revived their old organizations, and are arranging to demand better pay for their work. The carpenters recently made a demand on contractors for an increase to take effect May 1st.

Hamilton a few days ago, according to George H. Bacon, who has just returned from Skagit county, says the was comprised of three men, natives of South Carolina, and the tendency

to make illicit whisky was in their blood. They owned a small ranch on the hillside about three miles south of Hamilton. It was a wild-looking place

concealed. On the hillside above

County, Washington.

the bottom of the keg and found its The Alliance Mortgage & Trust way under the ground to the ranchers' character. A small pine box careless-

found to conceal the chimney that ment. Inside was the moonshiners' usual paraphenalia of stove, copper kettle, jugs, etc., and at night the box was removed from the chimney and

operations began. It is said the quality was not extra, but the Indiana thought it was fine, The moonshiners sold most of their products to the Indians, and were making money when the revenue officers interfered. The arrests were made several days ago. and it was then said their crime was selling whisky to Indians. The fact that they were also moonshiners has

## since become generally known. A Restaurant on Wheels.

the treasury, hence there is no avail- and Mrs. Waud, celebrated his tenth been suffering from nervous prostra birthday Saturday afternoon at his tion and complained that he could not home, corner of Fourth and Liberty sleep. This morning he arose in ap-

> covered by the gardener who tried to enter the house, and was found dead with a very large hole in his forehead. In his room he left a letter to the coroner, stating his reason for killing himself was that he felt literally unfit for anything and did not feel competent to fill any position. He had plenty of money in his pockets.
