If a woman is troubled in a distinctly feminine way the most delicate nerves of her body are in a state of chronic irritation. She has headache and back ache. She is listless and spiritless. VOLUNTEER MONUMENT FUND. Hold of the Proposition

The movement to create a fund to erect a monument to the memory of Oregon's soldiers who have fallen in the Philippines is one that appeals to all patriotic citizens, and the interest the Woodmen of this state are taking in the matter is indeed commendable.
