> Five Albany boys attacked a Chinaman with stones the other evening. They pelted him until his horses ran away. The Chinaman was thrown out and stunned. He lay on the ground all night The boys had a grudge against the Chinaman for cutting off the legs of a horse last winter.

The article that appears elsewhere concerning two young men who "worked" the ladies for tickets to the minstrel entertainment is not intended to cast reflection upon the Chronicle or the press generally, for those men have no connection with the Chronicle management, nor does it endorse their action.

The annual encampment of the G A. R. will be held at La Grande next said, men are something women need. | year, that place having been selected at the encampment held at McMinnville this week. The officers elected for the ensuing year are H. V. Gates, commander; Wyatt Harris, senior vice commander; Julius Priester, junior vice-commander; C. E. Cline, chaplain, Dr. B. H. Bradshaw, medical director

Mrs. Runcie leaves this evening for Walla Walla where she goes to drill another minstrel company. During her stay in this city, while instructing the lady minstrels, she made a number of warm friends, who recog nize in her a lady of marked ability in her line, and one worthy of the co operation of the best class wherever she may desire to drill a class in minstrelsy. _

The Davidson Fruit company's car nery began operation Monday, and is now busy canning strawberries visit to the cannery shows it to be quite an industry. About 45 or 50 women and girls are, employed in hulling the fruit, which is placed in cans and heated in b.g hot water vats. The cannery is now filling an order for a San Francisco firm for 240 cases of strawberries. None but choice fruit is used and a first class quality of canned goods is turned out. Hood River has the reputation for her fruit and the cannery ought to prove a success, and will furnish home employment to a good many people.—Hood River

The following story is told of James Mallon, the engineer of the Astoria excursion train that collided with the Northern Pacific freight train near Lington last Sunday evening. After reversing his engine and applying the emergency brakes, he manfully stood at his post until after the crash. Notwithstanding the baggage car was lying on top of the tender of his engine and his fireman was half buried in the debris of coal and splinters, Mallon made a dive for his overalls which he had taken off and fished in the pockets for his "orders" which he found, and reading them over by the dim cab light amid a cloud of escaping steam he exclaimed: "Thank God, we are
