Reports from the grain fields are somewhat conflicting, and it is generally believed the damage to crops has not been so great as some anticipated. Occasionally there is a field entirely ruined, while there are others that appear to be badly burned though the grain is not yet injured, and if cooler weather should prevail for a week or two will make fair crops.

It was a fine large fellow, big enough to stop the flow of water in a two-

Some days ago it was reported here that a number of horses had been stolen in the vicinity of Antelope, and Sheriff Kelly wrote to his deputy at that place to inquire into the truth of the statement. The deputy answered under date of the 13th that he could not learn of any horse stealing in that section, and that none of the horse raisers had reported any loss. Hence it is quite evident that the "sagebrush angels" have not been operating in the southern part of the county.

Dr. Pierce is a specialist in the diseases of women. He has treated over half-a-million women by diseases of the woman's corresponding has treated over half-a-million women her diseases of the womanly organs and ninety-eight out of every hundred women he has treated have been absolutely and perfectly cured. Every letter received by Dr. Pierce, is treated as a purely per-sonal and private communication and its contents guarded as a sacred confidence. All answers to these letters are sent in sealed envelopes bearing upon them no printing or advertising whatever.

Write to the doctor. It is no use for

sick women to write to a man unless he is a doctor. It is no use to "write to a woman" unless the woman is a doctor. Write to a woman about cookery or any branch of housekeeping, because she is a woman and knows. But it is of no use to write to a woman about disease unless she has a doctor's training and diploma. A woman who isn't a doctor is just as dangerous as a man who isn't a doctor, when she undertakes to treat disease.

There is no qualified woman physician so far as is known connected with any

proprietary medicine put up for women. Even the "bearded woman," the man grand master workman showed that at the begining of the year there were 103 subordinate lodges in the state with a total membership of 6.860.

sons whose usefulness seems to have just begun. This indeed seems to have been true with regard to the young man whose name prefaces this article. Deceased was a young man of much promise, one who had just entered the field of usefulness under the most favored auspices. Had he

lived until pext October he would have been only 23 years of age, yet he had accomplished more than many other men of 30. In 1897 he graduated from The Dalles high school well up in his class, and last spring graduated from Holmes business college. After fin ishing a business course he at once entered the service of the O. R. & N. Co. as stenographer in the Portland office, and held the position until the 4th of the present month, when he was taken seriously ill with appendicitis. He was taken to St. Vincent's hospital where an operation was performed on the 6th and another on Thursday of last week. Neither operation proved successful, and he died at 12:30 Monday

Edward F. Jenkins was born in the Ochoco country, now Crook county, in October, 1876. When 12 years of age both his parents died, and he went to live with his uncle and aunt, Mr. and Mrs. Simeon Bolton, with whom he made his home until a few years ago He leaves two brothers, Carey and Coke, and one sister, Josephine, besides a large circle of warm friends to mourn his death.

For Uniform Assessment.

Recognize the lack of uniformily in assessing property for taxation pur poses in this state, Judge J. H. D Gray, of Clatsop county, issued an invitation to the county judges, commissioners and assessors to meet with him in Portland, last Thursday for the purpose of devising some plan by which like property could have similar values placed on it in each of the several counties. As a result eight county judges, thirteen assessors and six commissioners attended the meet-

At the meeting the question of asessment and taxation was quite freely discussed, though no definite action was taken, but the matter will be more fully considered at a meeting to be held in Portland the second Tuesday in February next, when it is to be hoped all the counties will be represented, and all assessors are ex pected to bring to this meeting a summary of the taxable property in their respective counties. At the meeting ast week a committee consisting of one assessor from each of the judicial districts in the state was appointed to draft a bill to be presented to the next legislature to provide for a more uni-

form system of taxation. Following is the list of letters remaining unclaimed in The Dalles p office Friday, July 14, 1899. It stimulates liver, kidneys and bowels, expels poisons, helps digestion, builds up the strength. Only 50 cents. Sold by Blakeley & Houghton drug-

gists. Guaranteed. County Teachers' Institute Wasco county teachers' annual

nstitute will be held at The Dalles Oregon, September 7th. 8th, and 9th. State Superintendent J. H. Ackerman will be present and explain the graded corse of study as adopted by the state the year, and the average beneficary poard of educated. The new school laws for Oregon

ave been recevived at the office of the county superintendent, and each school district clerk is entitled to one copy, which must be turned over to his successor in office. Under the new law, apportion-

nents of the school funds will be made o the first Monday in July. October, January, and April. The apportionment for July has been made. There was 85 cent per capitia. Drowned in Hood River

Miss Cyuthia Demmick was drowned n Hood river, four miles above the forks, last Saturday forenoon. She and her brother were crossing the stream on a foot log when she fell in. The brother jumped in and caught hold of the unfortunate girl, but could not hold her in the swift-current, and she floated down to a drift a quarter of a mile below. The body was found five hours later. Miss Demmick was well known in

Toe Dalles, having lived here some time, making her home with Mrs. Capt. Waud. The funeral was held at Hood River Monday. He Fooled the surgeons

All doctors told Renic Hamilton, o West Jefferson, O., after suffering 18 nonths from Rectal Fistula, he would die unless a costly operation was performed, but he cured himself with five boxes of Bucklen's Arnica Salve, the surest Pile cure on Earth, and the best Salve in the world. 25 cents a box. Sold by Blakeley & Houghton, druggists.
