CONQUEST OF NATAL

NEW YORK, Nov. 6 .- A disputch to parties of 10 or more. The new tariff and announcing from house to house that there is no news and with the way correspondents, in the phrase applied have been made to keep this business by Grant to Butler, "bottled up," and tightly corked, South Africa remained until midnight "darkest Africa." regarding Thursday's artiflery duel at Ladysmith, in which a Boer 40-pounder was wrecked, and also a suspiciously brief account of a brilliant sortie by which a Boer camp was surprised at Besters hill.

> Later came a message by pigeon post, forwarded by General Buller. showing the town holding out on Friday and hard fighting going on. There attack upon Colenso, the sequence of which had already come in the tidings from the colonial office that the British garrison had fallen back and abandoned the defense of the bridge over the Tugels.

General Joubert's object was apparently secured in breaking communication with the coast and preventing the movement of reinforcements to Ladysmith, but some military men predicted that he would set a large force in motion for Pietermaritzburg and Durban and complete the conquest of Natal before the arrival of the British army corps.

This would be a bolder and more reckless movement than Sherman's march to Savannah, since the British fleet commands the seacoast. The more probable theory is that Joubert has closed in upon Ladysmith, after driving the English out of Colenso, and is making strenuous efforts to overwhelm White's army with his

A rumor of a general uprising of Basutos against the Orange Free State had not been officially confirmed at midnight. Their chief has a force of 60,000 well-mounted, well-trained warriors, which is capable not only of placing the Free State on the defensive. but also of rousing Swasis, Kaffirs, Zulus and other black races and setting all South Africa aflame as far as the Zambesi river. This black menace adds a new terror to the darkness row brooding over the camps and garrisons of the two warring white races.

HOW TROUBLE CAME.

At first it seemed smooth sailing. He was glad to work over-time, and she being deft with needle and scissors helped the neighbors with their gowns. In such ways a few dollars were added to the small, home-making fund. Day after day, early and late, they earnestly planned and toiled, never realizing that they were going beyond their strength, until the little break-downs began to come.

Many a morning he would rise with his head feeling as he expressed fi, "like a lump of lead," and no stomach for the dainty breakfast she had prepared. "O, you must eat!" she would exclaim anxiously, "You can never work without it." And all the time trying to smile, she would pass her hand lightly across her own forehead as if to brush away the pain that snapped and darted underneath. HOW TROUBLE CAME.

board of equalization, which was in session all of last week, completed its part of the work of equalizing Saturday evening, but the county board of commissioners, which will meet next Wednesday, will continue the work.

It is estimated that about \$50,000 have been added to the assessment roll on money, notes and accounts, which will make an increase of about \$1000 in the taxes. Among those whose assessments were raised were a number of moneyed men who had heretofore escaped the payment of taxes on their notes and accounts.
