## **The Delicious** Fragrance

from a hot **Royal Baking** Powder biscuit whets the appetite. The taste of such a biscuit sweet, creamy, delicate and crispy-is a joy to the most fastidious.

ROYAL Baking Powder improves the flavor and adds to the healthfulness of all risen flourfoods. It renders the biscuit, bread and cake more digestible and nutritious.

Royal Baking Powder makes hot breads wholesome. Food raised with Royal will not distress persons of delicate or enfeebled digestion, though eaten warm and fresh.

ation baking powders almost invariably con-
