

UNION, OREGON, SAT. JUNE 23, 1886.

TO ADVERTISERS.

The SCOUT has a much larger circulation than any paper in this section of the state, and is therefore the BEST ADVERTISING MEDIUM.

WALLOWA COUNTY.

The Chieftain continues to agitate the county division question, and strongly advocates the formation of Wallowa into a separate county. It says that at the recent election the judges in several precincts, asked the opinion of each voter in regard to county division, and kept a tally of the same, which elicited the fact that about three-fourths of the people are in favor of it.

TO BE CONTESTED.

There seems to be a most intense desire on the part of various candidates to evade starting on their weary pilgrimage up the saline river. To their eyes, it apparently appears as terrific— "As the scoriae rivers that roll— Their sulphurous currents down Yaanek In the ultimate times of the pole— That groan as they roll down Mount Yaanek In the realms of the boreal pole."

UNUSUALLY CORRECT.

A coolness exists at present between brother Cronemiller, of the Gazette, and brother Owen, of the Sentinel. Each one of them solemnly announces that the other is a LIAR. Now, while we like to see brethren dwell together in unity, we would not have them do so at the sacrifice of truth and veracity.

The San Francisco Call prints a statement of a prominent resident of the Sandwich Islands, in which the gentleman says the native legislators have formulated a gigantic scheme to dispose of the islands. A bill was recently introduced by the government to authorize the procurement of a loan of two millions of dollars. It is understood that the bill will be amended, asking the amount five times as large.

MORMON CONVERSIONS.

The United States minister at Switzerland writes that the Swiss government is becoming seriously alarmed at the recent wholesale conversions to Mormonism made among women of that province. The Swiss authorities have also written to their minister at Washington, asking him to enquire of Secretary Bayard if this government will consider it an unfriendly act if they shall drive the Mormon missionaries out of the country and break up their schools.

METHODISM.

The proposition before the general conference of the M. E. Church, South now in session at Richmond, Va., to drop the suffix "south" from the name of the church, was defeated by a vote of 3415 to 91. From this it would appear that the existing differences between the two branches of the Methodist Episcopal church are irreconcilable, and that a reunion of the same in the near future is by no means probable.

NEW LIFE WEAK, NERVOUS AND DEBILITATED TAMAR TREATMENT! MEN AND WOMEN

The great restorative and tonic, especially prepared for men, young and middle-aged, who have, by their indiscretions or excessive indulgence, brought upon themselves nervous prostration, debility, nervous and physical weakness, producing some of the following effects: Nervousness, Debility, Dimness of sight, Defective Memory, Billiousness, Loss of Power, Pains in the Back, etc., etc.; for all such derangements a permanent cure is guaranteed by the Use of TAMAR TREATMENT. Tamar Treatment Prescribed by the Leading Physicians. Read What They Say: "For more than three years I have used TAMAR TREATMENT with the best results. I recall now several cases of seminal weakness and debility with all its evil consequences I have treated during the past year, which have been cured by the use of the TREATMENT, and several of these cases were in the last stages. The composition of the different medicines contained in the TREATMENT indicate, and its effects prove it to be a specific restorative of nerve and sexual power. You are at liberty to use my letter in any way that will contribute to your pleasure or profit. There are so many nearly worthless proprietary medicines of this kind on the market (and every day is adding to their number) that when one is found to be really valuable I think it the duty of the profession to make it known. Respectfully, J. Z. HALL, M. D., 617 Walnut St., St. Louis, Mo. TAMAR TREATMENT is prescribed daily for all cases of nervous debility in both sexes as well as for checking the unnatural secret losses which cause so much loss of vitality. The medicines are prompt in action, and permanently restore those weakened by early indiscretion, excesses or overwork of the brain. A number of physicians have discarded all the hypophosphites, Danianina phosphorus formulas and invariably prescribe TAMAR TREATMENT with the best results. TAMAR TREATMENT is composed of medicines necessary for over one month's treatment, with full and complete instructions how to exercise, diet, bath, etc.; price, TAMAR TREATMENT, per package \$2.00; three packages \$5.00; sent prepaid and securely sealed on receipt of price. TAMAR TREATMENT having been used so successfully in private practice and in the hospitals of St. Louis for the past fifteen years, and knowing, as we do, its wonderful curative effects, we will give the following guarantee: With each order for 3 packages (3 months' treatment), enclosing \$5, we will send our written guarantee to refund the money if the TREATMENT does not effect a cure. Packages sent C. O. D. on receipt of \$1, as security against loss. Sent money by express, P. O. Money Order, or registered letter, at our risk. Address: E. L. BLAKE & CO., Sole Proprietors, 8, W.
