UNION COUNTY.

Union county is graphically described by a writer in the Portland Oregonian as follows:

Union county is now enjoying a healthy and well-deserved boom. The recent rich strikes in the placer and quartz mines of Pine valley has attracted the attention of the mining men and capitalists of the entire coast.

AN EXTENSIVE COUNTRY. Union county has an area of over 6000 miles or nearly 3,500,000 acres.

Farmers desiring to locate in this part of Oregon will find many inducements not offered elsewhere.

CHANCES FOR POOR MEN. The interior valleys offer rare opportunities to men of moderate means: the Indian and Wallowa, especially the latter.

SOIL AND PRODUCTS. The soil of the valleys is black sandy loam, subsoil usually clay, in some localities gravel. Wheat, oats, barley, rye, hops, flax and hemp; hay—timothy and clover; all kinds of vegetables and fruits except peaches.

THE report of a Chicago Grand Jury, alluding to the anarchists of that city, differs but little from the one recently made by U. S. Grand Jury at Seattle, indicating that socialism and communistic principles are spread over the United States, and that their tendencies are evil.

COMMISSIONER SPARKS, of the land office, states that of the whole public domain acquired by the government (about 1,499,000,000 acres) there remain unentered and undisposed of 250,000,000 acres, or a little more than one sixth.

THE New York Commercial says editorially: It behoves us at this stage of our history to consider the propriety of protecting ourselves against the immigration of alien enemies, who are enemies not alone of this country, but of society and civilization, of law and order, of peace, industry and human progress.

MANY of the most extensive stock growers in Montana Territory are driving large bunches of cattle across the border and ranging them on the Northwest Territory ranges.

MILWAUKEE is making pretty thorough work with her anarchist pets. About fifty indictments have been found by her grand jury, one of the victims of oppression being an alderman who made a speech counseling the forcible delivery of some of his brethren who were under arrest for rioting.

SINCE the Wallowa Chieftain received his new press, the printing has been so badly executed that its patrons have been unable to decipher a single paragraph in the paper.

Tamar Treatment Prescribed by the Leading Physicians. Read What They Say:

St. Louis, Mo., Feb. 10, 1886.

"For more than three years I have used TAMAR TREATMENT with the best results. I recall now several cases of seminal weakness and debility with all its evil consequences I have treated during the past year, which have been cured by the use of the TREATMENT, and several of these cases were in the last stages. The composition of the different medicines contained in the TREATMENT indicate, and its effects prove it to be a specific restorative of nerve and sexual power. You are at liberty to use my letter in any way that will contribute to your pleasure or profit. There are so many nearly worthless proprietary medicines of this kind on the market (and every day is adding to their number) that when one is found to be restorative, it is a great blessing.

TAMAR TREATMENT is sold on its merits. Each package contains all medicines necessary for over one month's treatment, and complete instructions how to exercise, diet, bath, etc.; price, TAMAR TREATMENT package \$2.00; three packages \$5.00; sent prepaid and securely sealed on receipt of the money.

TAMAR TREATMENT having been successfully used in private practice and in the hospitals of St. Louis for the past 10 years, and knowing, as we do, its wonderful curative effects, we will give the following guarantee: With each order for 3 packages (3 month's treatment), enclosing \$5.00, we will give you a written guarantee to refund the money if the TREATMENT does not effect a cure. Packages sent C. O. D. on receipt of \$1.00 as security against loss. Send money Express P. O. Money Order, or registered letter, at our risk. Address: E. L. BELL & CO., Sole Proprietors, S. W.
