

The Oregon Scout.

UNION, OREGON, SAT. SEP. 4, 1886.

TO ADVERTISERS.

The SCOUT has a much larger circulation than any paper in this Section of the State, and is, therefore, the BEST ADVERTISING MEDIUM. This is a True Statement, and we shall not allow it to be questioned by any other paper. Advertisers will do well to make a note of this.

AND now Mr Blaine has "arraigned" the democratic party. We don't know what the democratic party ought to do in this trying emergency. Probably it will just worry along till it gets a chance to "arraign" Mr. B once again as it did in 1854.

We learn from an exchange that "A brass band is to be formed among the Indians at the Klamath Agency." Thus it will be seen that music still continues to charm and soothe the savage breast. Now when these Indians form a baseball club and a hook and ladder company, their civilization may be said to be complete.

For several weeks past the Protestants and Catholics, of Belfast, Ireland, have been showing their Christian charity and love by fighting, maiming and killing each other with an energy and gusto that reminds us of the days of the Inquisition. Verily a fanatic, fired by religious zeal, is the most blood-thirsty fanatic in the world.

THE La Grande Gazette grows because the managers of the State fair advertise in the Western Oregon papers, and do not advertise in the papers of Eastern Oregon. Maybe his choler will abate somewhat when we remind him that the State fair Solons are only emulating the example set by the managers of the Union County "Fair," who advertise in the Gazette and in no other paper. The former think that Eastern Oregon is too far away from Salem for the people to attend, and the latter think that Wallowa and the southern portion of the county is too far from La Grande, and consequently don't care about going to the expense of letting them know anything about it. If the fair has got to be such a farce that it is not worth while calling the people's attention to it, the managers are right in not doing so. Doubtless it will come and go, and not one person in five, throughout the county, know anything about it.

FOR ways that are dark, and tricks that are vain, the heathen Chinese continues to be very "peculiar." This we infer from the fact that acting Secretary Fairchild has received a report from special agent Iremore at Tucson, Arizona Ter., that large numbers of Chinamen are arriving and flocking into the United States over the Mexico border in violation of law. Custom inspectors turn them back and do all they can to enforce the law, but he says with little success. The Chinamen have a hard time of it and would be justified in disclaiming their country after the plan of the Chicago Chinaman who exclaimed, "Me a Chinaman, Me a Anachist, Socialist, Molom immigrant, Chinaman have to go. Anachist and Molom immigrant stay allee samee Mellean man; have ten wife, shootee police, hoop-la thlow boom shelle, killer, hoop-la!" When it comes down to solid facts, the heathen is not far out of the way in his conclusions.

Telocaset Tattlings.

August 31st, 1886.
More immigrants.
 General health bad.
 Weather very smoky.
 Thrashing about over with.
 John Cates and family are stopping at North Powder.
 Telocaset has an amateur wagon and buggy painter.
 Born.—To the wife of Wm. Ashby, a nine pound "dish washer."
 Mr. John Brooke returned from Sumpter, Baker county, last week.
 Hubert Bassette paid Baker City a flying business trip, a few days since.
 Dan. Crowlie, formerly of the firm of Tomlinson & Crowlie, now resides in Ellensburg, W. T.
 Mr. Blakeslee, of Union, passed through on Monday, en route to a quartz ledge recently discovered by him in the vicinity of Hogen.
 Mr. Yowell, of Pyle canyon, a few days ago proved the fact of there still being game in the mountains, by bringing down a fine buck.
 Died.—In Antelope valley, August 25th, 1886, of cholera infantum, Nellie, infant daughter of W. B. and Lizzie Blakeslee, aged two years.
 The "bloods" of Telocaset are talking some of organizing a base ball club, to knock the very "dish" out of some other of those baby doings, we suppose. North Powder papers please copy.
 Mr. Bladen Ashby and wife took their departure for Cornucopia, last Sunday, to visit their daughter, Mrs. H. Green. Mr. Green, we are informed, is suffering terribly from the effects of a pistol shot received about three years ago at the Hot Lake.
 A few of the pleasure loving inhabitants of Telocaset and vicinity are contemplating a trip, or, properly, a feeling journey through the dense fog of smoke now over the country, to the Powder river lakes, situated about twenty five miles southeast from North Powder. Full particulars will be given on their return.
 In the SCOUT, a few weeks since, an article appeared wherein it stated that Antelope possessed a famous jumper. The only prodigious jumping done in that noted valley, was that of a fun-loving young lady, who jumped up a

story to tell to the person who informed the SCOUT, and she convinced that person that she was the jumper. But her prodigious leap proved to be that she had jumped the distance from the fence, probably four or five feet, towards a horse she intended to ride, but she missed the horse and struck the ground with her nose, and thus gave rise to the yarn.

THE REASON WHY.

A Profitable Conversation Between Father and Son.
 "Father, why does Drake's Cash Store sell so much cheaper than other stores?"
 "Good, my son, I am glad to know you feel an interest in the people."
 "I do, father, and I know one can save so much at Drake's that I want to know how he does it."
 "Good again. Then you must know that it is merely a problem of finance, that even a child can understand. Mr. Drake buys for cash and sells for cash. In buying for cash he gets discount."
 "What is discount, father?"
 "Part of the cost of the goods thrown off for cash in hand, at the time of purchase."
 "Why should he get this, father?"
 "Because money draws interest, and if they have the cash in hand they can afford to make a big reduction for the use of the money."
 "And this is one of the reasons why Mr. Drake sells so much cheaper than other merchants in Union?"
 "Yes, one. Then another one is he sells for cash exclusively, and instead of having his goods and money too, as in the credit system, in the hands of his customers, he has it to use in buying more goods, and by turning his money quickly, he can thus make more profit at a small margin as I can handle the goods for you in five times while those who sell on credit are waiting for their customers to pay them for in the credit system the customer has both the goods and the money of the merchant, and consequently the merchant can use neither one nor the other."
 "Then, father, you don't like the credit system?"
 "No, my son, 'tis the curse of every country. People have to pay more for their goods, and more than this, have to pay the bad accounts."
 "Yes, I see, father. And Mr. Drake runs his store economically too, and keeps the best goods and saves the people money by his low prices, and I shall never buy any more on the credit system."

 Tamar Treatment Prescribed by the Leading Physicians. Read What They Say!

St. Louis, Mo., Feb. 10, 1886.
 "For more than three years I have used TAMAR TREATMENT with the best results. I recall now several cases of mental weakness and debility with all its evil consequences. I have treated during the past year, which have been cured by the use of the TREATMENT. The composition of the different medicines contained in the TREATMENT indicate, and its effects prove it to be a specific restorative of nerve and sexual power. You are at liberty to use my letter in any way that will contribute to your pleasure or profit. There are so many nearly worthless proprietary medicines of this kind on the market (and every day is adding to their number) that when one is found to be really valuable I think it the duty of the profession to make it known.
 Respectfully,
J. Z. HALL, M. D.,
 617 Walnut St., St. Louis, Mo.
 TAMAR TREATMENT is prescribed daily for all forms of nervous debility in both sexes as well as for checking the unnatural secretions which cause so much loss of vitality. The medicines are prompt in action, and permanently restore those weakened by early indiscretion, excesses or overwork of the brain. A number of physicians have discarded all the hypochondriacal, Danlana pills-heroin formulas and invariably prescribe TAMAR TREATMENT with the best results.
 TAMAR TREATMENT is composed of medicines most agreeable to the taste and well tolerated by the stomach.
 TAMAR TREATMENT is sold on its merits. Each package contains all medicines necessary for over one month's treatment, with full and complete instructions how to exercise diet, bath, etc., price, TAMAR TREATMENT, per package \$2.00; three packages \$5.00; six packages \$9.00.
 TAMAR TREATMENT having been used so successfully in private practice and in the hospitals of St. Louis for the past fifteen years, and knowing, as we do, its wonderful curative effects, we will give the following guarantee: With each order for 3 packages (3 months' treatment), enclosing \$5., we will send you written guarantee to refund the money if the TREATMENT does not effect a cure. Packages sent by express, P. O. Order, or registered letter, at our risk. Address: E. S. BLAKE & CO., Sole Proprietors, S. W. Cor. 6th and Mar ket Sts. St. Louis, Mo.

As it is necessary to make some change in my business, I will sell a very fine one-year-old Short Horn Bull, and twenty-five head of Cows, Heifers and Calves.
 The cattle are all T. or registered. Registered Short-horns of the best strain of blood. I have the best herd of Short horns in the state, and this is the best opportunity ever offered to persons wishing to improve their cattle, as they can buy better cattle for less money, of me, than from any importer. I will sell my herd cut out reserve. Time given if desired. I must sell, so come and see my stock or address me at Union, Or. Jul. 17-18.
